Westinghouse ELECTRIC RANGES for Comfortable Summer Cooking

Overrated kitchen a thing of the past with "Electric Cooking.

Edwardsvillians keep this in mind when it becomes 5 to 15 degrees hotter than with open flames. They can afford to spend less time and less money on their cooking and still be sure of getting it right.

Caroline Chafitield Says

Auntie doesn't even mention the wastefulness of her youth and if mother is worthy the name she won't accept such a scold.

Leo's Friend

How much can a daughter owe a tickled mother? Does an eye witness the ways of many? Frightened the mother have to tell the child that she made a mistake in the way she was told to a mother who was really her own? The answer is no. The mother's happiness is decided by the way she lives her own life. And the best way is to be happy. And the best way is to be happy. And the best way is to be happy. And the best way is to be happy.
