

DEMOCRATIC PLATFORM.

The following is the State Democratic platform as announced by the State Convention in assembly May 18th:

Resolved, 1. That the Democracy of North Carolina reaffirm the principles of the Democratic party, both State and National, and particularly favor the free coinage of silver and an increase of the currency, and the repeal of the internal revenue system. And we denounce the McKinley tariff bill as unjust to the consumers of the country, and leading to the formation of trusts, combines and monopolies which have oppressed the people; the unnecessary and burdensome increase in the tax on cotton ties and on tin, so largely used by the poorer portion of the people. We likewise denounce the iniquitous Force bill, which is not yet abandoned by the Republican party, but is being used as a measure to be adopted as soon as they gain control of the House of Representatives, the purpose and effect of which measure will be to establish a second period of reconstruction in the Southern States, to subvert the liberties of our people and in return a new race antagonism and sectional animosities.

2. That we demand financial reform, and the enactment of laws that will remove the burdens of the people relative to the existing agricultural depression, and do full and ample justice to the farmers and laborers of our country.

3. That we demand the abolition of national banks, and the substituting of legal tender Treasury notes, issued in sufficient volume to do the business of the country on a cash system, regulating the amount needed on a per capita basis as the business interests of the country expand, and that all money issued by the government shall be legal tender in payment of debts, both public and private.

4. That we demand that Congress shall pass such laws as shall effectually prevent the dealing in futures of all agricultural and mechanical productions, provide such a stringent system of procedure in trials as shall secure prompt conviction and imposing such penalties as shall secure most perfect compliance with the law.

5. That we demand the free and unlimited coinage of silver.

6. That we demand the passage of laws prohibiting the alien ownership of land, and that Congress take early steps to devise some plan to obtain all lands now owned by alien and foreign syndicates; and that all lands now held by railroads and other corporations, in excess of such as is actually needed by them, be reclaimed by the government and held for actual settlers only.

7. Believing in the doctrine of "equal rights to all and special privileges to none," we demand that taxation, National or State, shall not be used to build up one interest or class at the expense of another. We believe that the money of the country should be kept as much as possible in the hands of the people, and hence we demand that all revenues, National, State or county, shall be limited to the necessary expenses of the government, economically and honestly administered.

8. That Congress issue a sufficient amount of fractional paper currency to facilitate the exchange through the medium of the United States mail.

9. That the General Assembly pass such laws as will make the public school system more effective that the blessing of education may be extended to all the people of the State alike.

10. That we favor a graduated tax on incomes.

THE ALABAMA ELECTIONS.

MONTGOMERY, Ala., Aug. 1.—In to-days election everything from constable to Governor is to be elected. The contest has been a heated one for months past between the Kob side and the regular Democratic ticket, represented by Mr. Jones, the present Governor. Bulletins from many parts of the State up to 11 o'clock show heavy voting and a large majority for the regular Democrats. Negroes in large numbers have voted open Jones tickets. The vote will be the largest ever cast in the State. No disturbances are reported so far and the indications are for a perfectly peaceable election.

MOBILE, Aug. 1.—The general election in this State is passing, so far, without incident, the contest being between the Democrats and the Democratic bolters with the Republicans aiding the bolters wherever possible. There is considerable feeling, particularly in the close counties. A great deal of scratching is going on and there will be a long and tedious count. In Mobile and Mobile county the vote is large this forenoon, and the Republicans are doing all they can to elect the Kob State ticket and the independent county ticket. The negroes are not all voting one way, however, and many are outspoken for the regular Democratic ticket.

MONTGOMERY, Ala., Aug. 1.—The Advertiser has already received correct returns from various parts of the State and scores of telegrams as to the general turn of the vote showing that the straight Democratic ticket, headed by Thomas G. Jones, has been overwhelmingly elected. Nearly every telegram states that the bulk of the negroes voted for Governor Jones.

So far there is no report of disorder of any kind.

MOBILE, Ala., Aug. 1.—So far as known at this hour (9 p. m.) the election throughout the State has been a very quiet one, though great interest was manifested. A novel feature was that in many places the colored voters turned out and not only voted, but worked like beavers for Governor Jones, and the straight-out Democratic ticket and aided materially in piling up large majorities for the Democratic party. The Register has received bulletins from 33 of the 66 counties in the State, which show handsome majorities for Governor Jones, except Hale county. The indications are that Gov. Jones has carried Montgomery, his home county, by 6,000; Bullock by 2,000 and Talladega by 500. In Barbour county Governor Jones received four out of every five votes polled. The evidences thus far are that the straight out Democracy has carried the day, though there is no doubt that Kolb has carried a few of the remote counties.

Appointments for Democratic Speakers. Hon. Elias Carr and Ex-Gov. Thomas J. Jarvis will address the people at the following places: Dallas, Gaston county, Friday, August 5. Lincoln, Lincoln county, Saturday, August 6. Shelby, Cleveland county, Monday, August 8. Rutherford, Rutherford county, Tuesday August 9. Marion, McDowell county, Wednesday, August 10. The Hon. J. C. Scarborough will address the people at Lexington, Davidson county, Saturday, August 6th. Hon. Ock Coke, Democratic candidate for Secretary of State, and J. C. Scarborough, Democratic candidate for Superintendent of Public Instruction, will address the people at Statesville, Iredell county, Tuesday, August 9th, and at Carthage, Moore county, Tuesday, August 16th.

Hon. C. B. Aycock, Democratic candidate for elector, and Hon. Oct Coke, Democratic candidate for Secretary of State, will address the people at Kenansville, Duplin county, Monday, August 1st, and at Giddensville, Sampson county, Tuesday, August 2nd. Hon. C. B. Aycock will address the people at Winton, Hertford county, Monday, August 8th. F. M. SIMMONS, Ch'm'n. R. H. COWAN, Sec'y. Democratic papers please copy

A Free Trader Chips in. This is a very free country. There is nothing in our laws, fundamental or statutory, forbidding or restraining political discussion, and Mr. Samuel Buel, Jr., with whom we haven't the pleasure of acquaintance either personally, or by repute, is entirely free to discuss Free Trade in Philadelphia or elsewhere, if he can get any to hear him.

The question of Free Trade may become a living issue in this country sometime hence, but, as a vital, practical issue, to discuss it at this time would be about as interesting as to discuss the theory that the heat of the sun is likely to be exhausted some five million years hence. President Garfield advocated tariff

taxes to strengthen and equip this country for free trade with all the world, and Mr. Carnegie portrays Free Trade in the far future as the ideal of American government; but it required a thousand years of protective taxes to equip England for Free Trade, and there shouldn't be any special flurry to plunge the United States into it for a century or so. There's neither law, nor custom, however, to forbid the discussion of it, and Mr. Buel is quite right in chipping in wherever an opportunity offers, if he believes in Free Trade.

As the doctrine of Free Trade is not any more connected with Tariff Reform than would be the reform of our extreme hot waves, we don't see how Mr. Buel is to get a hearing in the proposed McKinley-McClure tariff debate; but he has freedom of speech and the whole continent as his temple to discuss his faith, and he should sail in and make himself heard.—Philadelphia Times.

DR. BOYKIN'S WORM - KILLER "The Best Selling Vermifuge in the Market."

THE MOST RELIABLE WORM DESTROYER IN USE.

Recipe furnished to any regular physician when requested. Read the following from one of the most prominent and best known physicians and farmers in South Carolina. He writes "that a negro girl ten years old near him took three doses of the Worm Killer and passed 366 worms."

Dated, Ridgeway, S. C., May 26, 1884. R. H. EDMUNDS, M. D. Mr. H. M. McDonald, of LaGrange, N. C., says: "Dr. Boykin's Worm Killer brought over 100 worms from one child in this neighborhood; and it gives universal satisfaction." He sells more of it than all other worm medicines.

LaGrange, N. C., July, 87. Mr. J. P. Joyner—I gave my child one dose of Boykin's Worm Killer, purchased of you. It brought 366 worms. I consider it the best worm medicine made. Respectfully, J. W. THOMAS. Any M. D. can prescribe it and many do. BOYKIN CARMER & CO.

Atlanta, Ga., June 2d My six-year-old son has had a terrible sloughing serofula ulcer of the neck for three years, attended with blindness; loss of hair, great emaciation, and general prostration.

Physicians and various blood remedies were resorted to without benefit. The New Atlanta Medical College treated him for three months, but his condition grew worse. I was urged to try the efficacy of B. B. B., and to the astonishment of myself, friends and neighbors, one single bottle effected an entire cure. Ulcers of the neck entirely healed; eyesight restored, and the hair commenced growing on his head. I live at 243 Jones street, Atlanta, and my ray is there to be seen. FRANK JONES.

J. W. Messer, Howell's Cross Roads, Cherokee county, Ga., writes—"I was afflicted with chronic sores nine years, and had tried many medicines and they did me no good. I then tried B. B. B., and eight bottles cured me sound and well."
