

The Greatest Stock Reducing Sale

In the History of Newton Merchandising Will Begin Saturday, March 19th, at

Garvin Furniture Company's Store

Our stock of Furniture and Home Furnishings is too large. It is our purpose in putting on this sale to get the floors cleaned of every piece of Furniture we have, and that is what we are going to do. There has been no consideration of the cost of the Furniture—every piece has been marked with one idea in view—to move it as quickly as possible.

With exception of Player Pianos, Trunks, Window Shades, Curtain Rods, Congoleum Rugs, everything in our entire line reduced.

1/2 OFF FORMER PRICE

In this sale we are going to make it worth your while to drop everything else and buy Furniture. The prices quoted below offer adequate proof that this is an epoch in Furniture Merchandising.
