WORLDS OLDEST WOMAN

Baba Vasilka Was Born in a Little Bulgarian Town in 1754

The claim of Frau Dutkiewitz, of Posen, born on February 21, 1785, to be the oldest woman in the world is now contested by Mrs. Baba Vasilka, who was born in May, 1784, in the little Bulgarian village of Bavelsko, where she has lived ever since. The record of her birth is preserved in a neighboring monastery of the Orthodox Greek faith. Baba Vasilka is the daughter of a peasant, and worked herself as a peasant up till a comparatively recent date. For more than 100 years she regularly worked in the fields, according to the custom of her country, where women are employed in all sorts of manual labor. When she was born Bulgaria was merely a province of the Turkish Empire, and the entire population groaned under the tyranny of their Turkish rulers.

She has seen innumerable wars and rebellions, massacres and atrocities, political crimes and political tragedies. She recollects with perfect distinctness events that happened at the end of the 18th century and the beginning of the 19th century, in fact, the events of her earlier life up to the time when she attained the age of 80 are far more distinctly impressed on her mind than the happenings of the last 46 years. Baba Vasilka lived through all the crisis of her nation, and now rejoices to know that Bulgaria is an independent kingdom.

Her son, Toder, following the family tradition, has also worked in the field as a peasant nearly all his life, but he has also taken part in the various wars and rebellions in the Balkan peninsula. He is not quite so fresh and vigorous as his mother, although he is still capable of doing a good day's work. The "oldest woman in the world" is said to enjoy fairly good eyesight and good hearing, and she is able to walk without support.

She lives on a pension paid her by many of her numerous descendants, who number more than one hundred. She is naturally quite a celebrity in her own land and people come great distances to get a glimpse of this wonderful woman who has defied the ravages of time for a century and a quarter. — London Standard.

Heed The Warning

Many High Point People Have Done So

When the kidneys are sick they give unmistakable warnings that should not be ignored. By examining the urine and treating the kidneys upon the first sign of disorder, many days of suffering may be saved. Sick kidneys expel a dark, ill-smelling urine, full of "brickdust" sediment and painful in passage. Sluggish kidneys cause a dull pain in the small of the back, headaches, dizzy spells, tired, languid feelings and frequent rheumatic twinges.

Doan's Kidney Pills are for the kidneys only; they cure sick kidneys, and rid the blood of uric poison. If you suffer from any of the above symptoms you can use no better remedy.

High Point people recommend Doan's Kidney Pills.

J. D. Harney, 201 Ray St., High Point, N. C., says: "I used Doan's Kidney Pills and was pleased with the results. I suffered severely from pains in the small of my back and other symptoms of disordered kidneys. Doan's Kidney Pills greatly relieved my misery and I therefore take pleasure in recommending them. Other members of my family have also used Doan's Kidney Pills with excellent results."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
