Watch the big Clock in our store for it may mean something to you FREE. Beautiful Decorated \$10.00 Dinner Sets given to our Customers. A big Clock stands in a conspicuous place in our store and will be allowed to run down and stop at stated intervals.

Our Liberal Offer is as Follows:

which the time of day is stamped. Bring cards to our store on the date and time specified thereon, and a complete dinner set will be given to the person present holding the card on which is stamped the nearest correct time the clock stops.

It is necessary for all ticket-holders to be in our store at the time when the face of the clock is uncovered. We want you to secure one of these handsome dinner sets so as to advertise our business and to show in a substantial way that we appreciate your trade. We are not making money on them, we don't expect to, we make this offer simply to please our old customers and to make new customers. This is a splendid opportunity for you to secure a handsome set of dishes absolutely free. If your ticket does not secure a set for you the first time the clock is uncovered, save your ticket as you may win on it the next or the second, third, fourth, fifth or sixth time. Your ticket is good while we are giving Dinner Sets on this plan, and we expect to give away two dozen or more of them.

We expect to make this sale doubly interesting, by offering some exceptionally good bargains in every department of our store. You know our reputation for reliable goods, if you do not, ask your neighbor and he will tell you that it pays to trade at Reid's.

We began giving out the Watch the Clock time cards on the 20th of May and will continue to give them out until all the dinner sets are gone. The clock will be stopped every Wednesday afternoon at 4 o'clock and the person in the store at the time holding the time card nearest the time of the clock will receive a set of china. Remember the clock is not set on the correct time and no one can tell what time it will indicate when stopped.

During July and August we will give a special set of china on each Saturday at 11 o'clock to the farmers.

REID'S REID'S REID'S

Killed Brother-in-Law.

Joe Boone, a son of Gilliam Boone formerly of Monroeshot and killed his brother-in-law, Carl Burr, at Dr. D. B. Funderburk's residence at Dudley, S. C., last Thursday afternoon. Joe Boone lives at Dr. Funderburk's and on Thursday his father and Burr went to see him. The three, Gilliam Boone, Joe and Carl Burr, were sitting on the porch after dinner talking. Burr got up and walked off and Joe followed him going through the house and getting a pistol. Joe and Burr met in the yard and as they met the boy shot killing Burr instantly the bullet going through the heart. It is said the trouble between Joe and Burr grew out of reports that Burr was not treating his wife as he should. Joe Boone is but a scrap of a boy and is not quite 14 years old. It is said that he had never shot a gun nor a pistol until he shot Burr. Joe was arrested and lodged in Chesterfield jail. The man who was killed was 23 years old and lived in the southern part of this county.—Monroe Enquirer.

In sickness, if a certain hidden nerve goes wrong, then the organ that this nerve controls will also surely fail. It may be a stomach nerve or it may have given strength and support to the Heart or Kidneys. It was Dr. Shoop that first pointed to this vital truth. Dr. Shoop's Restorative was not made to dose the Stomach nor to temporarily stimulate the Heart or Kidneys. That old-fashioned method is all wrong. Dr. Shoop's Restorative goes directly to these failing inside nerves. The remarkable success of this prescription demonstrates the wisdom of treating the actual cause of these failing organs. And it is indeed easy to prove. A simple five or ten days test will surely tell. Try it once and see! Sold by Cornelison and Cook.
