KRANICH & BACH PIANOS Received a Special Award at the N. C. State Fair, October, 1890. (This year there was no award, as only one maker exhibited.) Here it is: "Kranich Upright Pianos, exhibited by the North State Music Co., and not placed in competition, should receive a special award, as they are the best pianos on the grounds in every particular detail."

We claim that the Kranich & Bach will stand in tune longer than any other make and last longer; that they have more improvements of value than all others combined.

They hold their tone and never get tinny or metallic. An inspection investigation will convince. Sole Agents for North Carolina. NORTH STATE MUSIC COMPANY C. G. STONE, MANAGER, RALEIGH, N. C.
