What the Circus Cost.

(Sanford Express.)
It is estimated that John Robinson carried some seven or eight thousand dollars away from Sanford on Sept. 17. They claim to have sold 9,000 tickets and many took in the side shows. This was a pretty large sum to be carried out of the community by one circus. Just think how much good could have been accomplished by applying that money to our churches and schools.

Notice to Water Consumers

PRICE TALK ON

Men's Suits and Overcoats

OUR \$10.00 GRADE is a very good one, a very popular style; many in imitation of the high-priced novelties. Being made for us, as we dictate, you'll find extras on them not usually associated with clothing under \$15. All sizes.

OUR \$12.00 GRADE is one that will compare with any other at \$15.00 in this city. It is one of our strongest lines, and a good one to judge our extreme novelties, and conservative styles. The variety is very large and choice; superior in every respect to what will be seen elsewhere at the price.

OUR \$15.00 GRADE. Here's where we place our strongest effort, because greatest demand is at that price. In Suits we show more than a score of styles; in Overcoats almost as many. It is our largest and most important grade. Every garment is made and trimmed in most excellent manner and worth the attention of the most critical dresser. The value is unrivaled and bids for strong claim upon your preference when clothing is to be purchased.

At \$18.00, \$20.00, \$22.50, \$25.00 and \$30.00 the highest degrees of fineness is reached. The clothing at these prices partakes of those features that insure acceptance by men who have never before worn ready-to-put-on clothing.

Try us this season.
