(LATE LEE & JUDSON)
OCCUPY the spacious Five Storey WAREHOUSE, No. 36 CEDAR STREET, the whole of which is devoted to the exhibition and sale of the Single Article of

PRINTED CALICOES.

Their present Stock consists of nearly **One Thousand Packages**, Embracing some THOUSANDS of different patterns and colorings, and comprising every thing desirable in the line, FOREIGN and DOMESTIC.

All of which are offered for sale, for cash, or satisfactory credit, at the lowest prices, by the **PIECE OR PACKAGE.**

New styles are received almost every day, and many of them are got up for our own sales, and not to be found elsewhere.

Printed lists of prices, corrected from day to day, with every variation in the market, are placed in the hands of buyers.

Merchants will be able to form some idea of the extent and variety of our assortment, when we state that the value of our usual stock of this **ONE ARTICLE**, is at least twice the value of the entire stock of dry goods usually kept by our largest wholesale jobbers.

This fact, together with the fact, that our means and our attention, instead of being divided among a vast variety of articles, are devoted wholly to one, will render the advantages which we can offer to dealers perfectly obvious; and it shall be our care that none who visit our establishment shall meet with any disappointment.

Our assortment is complete at all seasons of the year.

P. S.—B. F. LEE, formerly of the firm of Lee & Lee, and late senior partner in the original firm of Lee & Brewster, from which connection he withdrew some time ago, has resumed business in connection with Messrs. VERMIFUGE OR "DEAD SHOT" FOR WORMS.

THE origin, development, and support of worms in the human system, are to be attributed to a depraved and debilitated condition of the stomach and bowels; it being an established fact, that where the digestion is unimpaired, and the general powers of the system in a healthy state, they can find no habitation. This preparation has the peculiar advantage of not only destroying every worm, but also of producing a healthy action of the stomach and other organs of digestion, thereby relieving many complaints arising from a derangement of the digestive organs. Although prompt and certain in its operation, and not unpleasant to the taste, it is perfectly safe and adapted to the tenderest age.

Numerous certificates of the value and usefulness of this preparation are almost daily received. Extract of a letter received from Dr. Wharton: Newstead, Va., Jan. 31, 1844.

Dear Sir—I gave a vial of the "Dead Shot" you left with me for the purpose of testing its merits to a friend of mine, who introduced its use in his family by giving it to a patient selected as a suitable case. It was administered according to the directions around the vial, and to my astonishment, the first operation brought away about 35 worms. I have administered it in several other instances since, with similar good success; and it will afford me much pleasure in doing all in my power to recommend it to the notice of my friends and the public generally. With respect, yours, &c.

PURIFY THE BLOOD.

MOFFAT'S VEGETABLE LIFE PILLS AND PHENIX BITTERS

The high and varied celebrity which these pre-eminent Medicines have acquired for their insuperable efficacy in all the diseases which they profess to cure, has rendered the most precise of puffing and only necessary, but unworthy of them. They are known by their fruits, their good works testify for them, and they derive not by the tails of the credulous.

DR. LE ROY'S Vegetable Universal Pills.

ARE A STRENGTHENING, PURGATIVE AND A PURIFYING TONIC.

These Pills have become celebrated for their extraordinary and immediate powers of restoring perfect health to persons suffering under nearly every kind of disease to which the human frame is liable.

They are particularly recommended to all those persons who are afflicted with any kind of Chronic or Lingering Complaint, as there is no medicine before the public which has so natural and happy an effect upon the system, in correcting the stomach and liver, and to the formation of healthy chyle, and in purifying the blood.

They are acknowledged by the hundreds and thousands who are using them, to be not only the most mild and pleasant in its operation, but the most innocent, safe and efficient medicine ever offered to the public. Those who once make a trial of these Pills never afterward feel willing to be without them, which is sufficient proof of their good qualities.

Headache—Sick and Nervous.
Those who are suffering with this distressing complaint, will find Dr. Le Roy's Pills a remedy as once certain and immediate in its effects. As a remedy in Summer and Bowel Complaints they display their wonderful powers of administration, and are far superior to any thing in use for those Complaints.

In Dyspepsia and Liver Complaint they stand unrivalled. Many have been cured in a few weeks after having suffered under that dreadful complaint for years.

In Habitual Constipation they are decidedly superior to any medicine ever brought before the public, and one 25 cent box will establish their surprising virtues and place them beyond the reach of doubt in the estimation of every individual.

They are invaluable in Nervous and Hypochondriacal Affections, Loss of Appetite, and all Complaints to which females alone are subject.

They are mild in their action, and convey almost immediate conviction of their utility from the first dose. They may be taken by persons of any age, and the feeble, the infirm, the nervous and the delicate, are strengthened by their operation, because they clear the system of Bad Humors, quiet Nervous Irritability, and invariably produce Sound Health.

As an Anti-indigestion medicine, no family should be without them. A single trial is more satisfactory than a thousand certificates.

Be careful to ask for Dr. Le Roy's Vegetable Universal Pills, and take no others.

THE LIFE PILLS AND PHENIX BITTERS PURIFY THE BLOOD.

A single trial will place the LIFE PILLS and PHENIX BITTERS beyond the reach of competition in the estimation of every patient.

Will state to our Office, by which stronger feeling, the city can very easily find us. The wrappers and Samarian are copyrighted, therefore those who procure them with white wrappers can be assured that they are genuine, and to be careful, and do not buy those with yellow wrappers, as if you are deceived that they come direct from us, or that touch them.

THE GRAEFENBERG VEGETABLE PILLS.

THE Graefenberg Company have just published their General Agent for the State of North Carolina.

Col. WILLIAM JONES,
LOUISBURG, FRANKLIN COUNTY.
The General Agent is fully prepared to point out Agents wherever there is no Agent of the Company; either on personal application or by mail, postpaid. The principal of these vegetable pills, and the extraordinary manner they are constantly effecting, render them, by far, the most popular pill of the age. An Agent will consequently be very valuable.

The Graefenberg Pills are invariably superior to any ever before discovered. Well known complaints in general derangement of the system; in all diseases which result from a bad state of the blood, these pills are a sovereign remedy.

In the class of Diseases called Dropsies, the Graefenberg Pills achieve their highest triumph. Here they dry all competition. Entering within the hidden recesses of the system, they quickly and surely purify the blood, root out disease, and give tone and vigor to the body.

THESE PILLS are CONSTANTLY EFFECTED by the Pills, in cases where every other medicine has utterly failed. The most advanced stage of this could be given, but a trial of one box will convince the patient. They can be ordered sent by mail, at trifling expence. The price is 25 cents a box. Where few druggists will order and the money remitted, the Company will pay the postage on the Pills. Residents at the Company's risk. Wherever there is no Agency of the Company they can be ordered by mail.

These Pills are taking the place of all others, and no sick person should be without them.

ALL BILIOUS COMPLAINTS, Bowel Complaints, Constipation, Dyspepsia, Fevers, Ague, Headache, Jaundice, Liver Complaints, Rheumatism, all Stomach Complaints, Green Stools, &c. &c., yield at once to these Pills. They purify away offensive humors, arrest the progress of disease, and at the same time restore tone and vigor to the system. In cases of general derangement of the system, they are of SOVEREIGN USE.

BY THEIR USE, The weak will become strong; the pale and bilious complexion be restored to a perfectly fresh and healthy color; all the bad symptoms will one by one disappear.

In short, these Pills are an inconvertible advance upon any other medicine ever before offered to the public. A trial will satisfy any one of this.

Sands' Sarsaparilla.

FOR THE REMOVAL AND PERMANENT CURE OF ALL DISEASES ARISING FROM AN IMPURE STATE OF THE BLOOD OR HABIT OF THE SYSTEM.

VIZ:
Scrophulous, or Kings Evil, Rheumatism, Ointment Cutaneous Eruptions, Pimples, or Pusules on the Face, Head, Neck, Chest, Chronic Eye, Ring Worm or Tetter, Scald Head, Enlargement and Pain of the Bones and Joints, Stubborn Ulcers, Syphilitic Symptoms, Scieritis, or Lameness, and Diseases arising from an impure state of Mercurial, Acids, or Dropsy. Exposure or Imprudence in Life, also, Chronic Constitutional Disorders will be removed by this Preparation.

The health of the human system depends almost entirely upon the state of the blood. If the vitalizing fluid which pervades every tissue, every membrane, fibre, filament, gland or other organ, primary or subsidiary; if the body be charged with the elements of disease, sickness must be the consequence; and until the causes of disease, existing in the blood, are eradicated, no permanent relief can be expected. It is here that the powerful health-restoring properties of Sands' Sarsaparilla are manifested; its searching operation reaches the causes of disease, and the cures it performs are therefore radical and thorough. Where obstructions to its favorable operation exist, they are removed as it passes along the alimentary canal.

Baileysburg, Va., Dec. 13, 1845.
Messrs. A. B. & D. Sands—Before I commenced the use of your Sarsaparilla, my sufferings were almost past expression; my throat was completely ulcerated, I had a dreadful cough, and there were frequently weeks together that I could not speak above a whisper; and besides, the inflammation from my throat extended to my head, so that my hearing was very much impaired. After taking the Sarsaparilla a short time, my breath improved, my throat is now well; I am as free from cough and tightness of the chest as ever I was, and can hear quite distinctly. My throat has been effected entirely by the use of your Sarsaparilla.

Your friend,
LOUISA R. BEVAN.
