ROANOKE RAPIDS, N. C., THURSDAY, SEPTEMBER 27th., 1934

NUMBER TWENTY FOUR

LOCAL MILL STRIKE MAY BE RECALLED

UP AND DOWN The Avenue WITH THE EDITOR

Mr. and Mrs. Howard Hancock returned Tuesday from their honeymoon trip to New York. They are at home in their apartment in the Citizens Bank Building.

The Young Mens Civic Club met tonight in the basement of the Christian Church. Two new members were voted into the club. Plans for a joint meeting with the Kiwanis Club next Thursday night, for the further selling of dollar tickets to any football game here for the purpose of buying new equipment for the Hi School squad, and the sponsoring of junior football teams in the city, were approved. Coby Williams, Pig Speight and John Glover entertained highly with a musical program. Guest speaker was Carroll Wilson.

Selling old gold was tried by many at the Rosemary Drug Co. this afternoon, a buyer paying an average of about \$40.00 per ounce for pure gold. One small 18 karat gold watch case brought \$8, but most of the stuff was only gold plated and brought very little.

Miss May Stone, superintendent of the Presbyterian Hospital, Newark, N. J., is visiting Dr. and Mrs. John Martin. They took a trip to Williamsburg, Yorktown and other historic Virginia places yesterday.

Merchants along the Avenue perked up a little today with 600 working at Rosemary and about 1,000 at Roanoke and Patterson. They say it makes them feel better to hear the machines running even tho business may not come for a week or two.

Local fishermen have been visiting Warren's Pond near Littenon more than usual during the past few weeks. Fairly good luck has been reported. Local deer hunters have had very good fortune, several families being fortunate enough to receive welcome gifts of choice venison.

Sheriff Johnson reports that one Halifax County farmer who

CLARK HEADS LEGION

Elliott Clark of Weldon was inducted into office as the new Commander of Shaw Post of the American Legion at Weldon Tuesday night, following supper at the Legion Hut.

The Weldon Post has now been increased by members of the former Roanoke Rapids Post who have transferred to Weldon and the new combined Post starts a most auspicious year. Next regular meeting of the Post is scheduled for Roanoke Rapids.

Some twenty five veterans from Roanoke Rapids have either joined or intend to join the Weldon outfit. It was announced that Tuesday night of Fair Week will be Legion night and all ex-service men will enter the grounds free. Tickets for Roanoke Rapids vets will be at Rosemary Drug Company.

THEATRE TO OPEN

The Peoples Theatre, closed all this week, will remain closed next week and will reopen for business on Monday, October 8th, according to the present plans.

During next week a new automatic sprinkling system for fire protection will be installed in the theatre.

Plans for reopening were made immediately after the news of the end of the national textile strike. Pictures had been cancelled out for an indefinite period.

HOSPITAL REOPENED

The Roanoke Rapids Hospital reopened last Sunday night after a partial shutdown for a few days.

With the opening of Rosemary Mfg., Co., Monday morning and a planned opening of the other mills later in the week, the Board of Trustees voted to begin taking new patients starting Sunday night.

There were a few days last week when no new patients were taken, altho the hospital continued operation for some forty patients already in. Resumption of the mills here enabled immediate reopening.

RAINBOW WINS - ?

The yacht races between England and America is over. England won the first two; America the next four to retain the cup. England protested the third race but was not allowed to file the protest because they were late flying the proper protest flag. In the last race both boats flew protest flags, but England hauled hers down. They went back home saying it was their last race. We kept the cup but who won what?

Above is Bruno Richard Hauptmann, who was arrested a week ago in connection with the Lindbergh kidnaping case. Thousands of dollars of the ransom money was found about the premises of his garage in Bronx Borough, New York City, and he is being held tonight by New Jersey authorities in lieu of bond, set at \$100,000. Doubtless other charges will follow with further developments.

UNION VOTING TODAY

Charge Discrimination At Rosemary Mfg. Co. ; All Mills Now Running

Voting to restrike by members of the local United Textile Workers goes on today with reports from union headquarters that all voting to date are in favor of restriking, which would again close down and picket the mills of Roanoke Rapids and probably Weldon.

While some were voting, others were returning to work at Roanoke and Patterson mills which opened this morning with one full shift, employing about 1,000 workers.

Rosemary Mfg., C., had opened Monday morning and today about 600 there were at work. They were forced to start with a crew of about 300 due to damage done to the machinery by lack of attention during the three weeks of the strike, a condition made worse by constant rains and damp weather during that period. As fast as machines were put back in running order more help was added each day during the week.

Altho less than half at Rosemary were able to work Monday, charges of discrimination against union members were made at once. J. Dooley, UTW organizer, reported these charges to strike chairman Gorman, who yesterday told the local election to continue but advised holding up the strike action until the latter part of the week. The strike has been unofficially set for this Sunday midnight with pickets to restart early Monday morning.

There have been no charges yet of discrimination against union members at Roanoke or Patterson, claimed 100 per cent members by UTW, but a strike call will close and picket those mills as well as Rosemary.

Union meetings were held in the park several times yesterday and again this morning with the arrival of P. R. Christopher, State president of the United Textile Workers. Speeches were made by President Christopher,

WOMEN TO HEAR LANIER

The woman's Club will meet on Monday afternoon at the club house. Mrs. Alfred Thorne, president of the club, will preside and she urges the members to keep in mind the new members that each one was asked to bring; in this way they hope to enlarge the membership of the club.

The garden Department under the direction of Mrs. A. Meikle will have charge of the meeting for the afternoon and one of the most outstanding programs of the year has been planned.

Mr. John Lanier Hunt, a landscape Gardener of outstanding ability, will speak on the subject of "Town Beautification" this is a subject that should be dear to the heart of every citizen in Roanoke Rapids and a large attendance of members and interested outsiders should avail themselves of this unusual opportunity.
