# SALE

## Starting Friday, Dec. 6th-at 9 A.M

### There's One Reason for this Sale--and One Only--

It isn't bad business. Business has been good this season at COBURN'S. We have "the right merchandise at the right price," and everyone knows that is a hard combination to beat. We've always operated our store on a low profit mark-up basis. That policy has enabled us, in years past, to offer you MORE MERCHANDISE and BETTER QUALITY for your money. This year, however, it looks like we have gone in for a little too much "volume." This SALE is the answer. Our shelves - our warehouse - all storage space at COBURN'S is full-up with NEW SHOES for Men, Women and Children! Many of them we bought at real "bargain" prices that would be impossible for a retailer with only one store. Hundreds of pairs of them are "SAMPLES"---which means that we were able to buy shoes the manufacturers had made up to show the wholesale trade, and when they were through with them, "lumped" them off to us at a real BARGAIN PRICE. Thousands of pairs of THIS YEAR'S STYLES that we MUST SELL in the next three weeks. To do it - we've made prices even more attractive than ever.
