THREE FAMOUS SMITHS

Year's Highest Football Honors Go to Them.

IT'S never happened before in the entire fifty years since Walter Camp, father of modern football, originated the idea of picking an all-America football team every year. Three men of the same name on the all-America! But that's the way it has come out this year—and the selection is the final and greatest of all the all-Americas—the Collier's team which is a perpetuation of Walter Camp's original and official one. The three Smiths are from Minnesota, Ohio State and Alabama, and they are placed at tackle, guard and quarterback positions. Left to right, Richard Smith, Minnesota; Inwood Smith, Ohio State, and Riley Smith, Alabama.

Dear Santa Claus,
Please bring me some pretty toys.

Love,
Eugene.
