

# CHEST

(Continued from Page 1, Sec. A) A. Meikle of Patterson Mills. Virgil has a slight lead with 75% of his quota, but he was plainly worried Wednesday night when Major Meikle told him that Patterson would be heard from before the race was over.

Another race in the Industrial Division is between Major Bill Medlin, of Roanoke No. 1, and Major Bill Hodges of Roanoke No. 2, with the River Mill holding a slight edge on Wednesday night. Bill Hodges was heard to say, "Just wait until the fight is over before you pick the winners. Give me four more days, and I'll shove the River Mill in the River".

In the Special Gifts Division, Colonel Leslie Towe and his majors report that they are only half through, and on the basis of their Wednesday report, they will exceed their quota by nearly a thousand dollars.

Colonel A. E. Akers, in the General Solicitations Division, has been hardest hit by the busy week, and the holidays, and he made a special appeal for more Campaign Workers so that his Division could complete their work. With more than half of his quota raised, and his workers reporting that only about 35% of their subscribers seen, Colonel Akers was optimistic about the final results. Major Bob Cleaton and Major Alfred Martin especially need more team captains, and any volunteer workers to assist these two majors in their respective business districts will be greatly appreciated. Just give Bob or Alfred call and they'll be glad to give you a supply of pledge cards and buttons.

Major Charlie Davis, in charge of Teachers and Ministers, in Mr. Akers' Division, was the first Drive unit to go over the top, while many other majors need only small amounts.

Major Hines, in charge of the smaller Industries, Major May, in charge of Insurance and Banking, Major E. Weathers, in charge of the Professions, and Major Katherine Wolhar, in charge of Businesses run by Ladies all promise good reports before the week is over, while Major Newsome, in charge of the Automobile, Gas, and Oil workers also made an appeal for a few more volunteer workers to assist him in soliciting pledges from his scattered territory.

## Assault Victim

LILLIE MAE HALE

## Girl Here Attacked At Hobgood

Lillie Mae Hale, former Roanoke Rapids girl who is now living with relatives near Hobgood, was attacked by an 18 year old white boy Saturday night on a road near the outskirts of Hobgood.

Miss Hale says she and her cousin, Rebecca Bland, were walking along the highway about 7:30 when a white boy pushed Miss Bland out of the way and grabbed Miss Hale by the throat. She says she fought him off and he ran. The cousins identified the assailant as Pete McKenzie.

Since the death of her father in 1935, Miss Hale says she lived with an aunt, Mrs. E. B. Price, 321 Monroe St., Roanoke Rapids, for some time. Her mother had died in 1933. The girl left Roanoke Rapids in July of this year to make her home with another aunt, Mrs. Lester Bland of Hobgood.

# SHELL TO REMODEL

Announcement is made this week by C. C. Shell, manager of the Quality Shop, that a complete remodeling program will be started soon after the first of the year. The shop will also alter their policy and effective January 1st will operate a ladies store exclusively. In the past many well-known lines of men's haberdashery have been carried; however, they will tomorrow start a closing out sale of all men's wear, and hope to dispose of their stock before starting the remodeling program.

In addition to the closing out sale of men's wear, the shop is featuring their annual After-Thanksgiving sale of coats and dresses. This, coupled with the fact they are faced with the situation of either selling or storing their large stock of merchandise prior to remodeling, has prompted them to offer more outstanding values than usual, according to the announcement. The sale starts Friday morning, December 1st, and will last throughout the holiday season. It is the first store-wide sale ever to be conducted by them at this season, according to Mr. Shell, and is expected to draw large crowds from here and the surrounding trade territory. A double-page advertisement will be found in this issue, and the sale has been further exploited through the distribution of thousands of handbills in the territory.

Although many plans incidental to the remodeling of the shop are yet to be perfected, Mr. Shell stated that when workmen have completed, the Quality Shop will unquestionably take its place as one of Eastern Carolina's best stores in the popular-priced ladies field. The shop occupies a 25 x 80-ft. building at 1034 Roanoke Avenue. Plans for alteration include completely working over the front, with extensive remodeling of the interior of the building. Many new fixtures will be added to replace the ones formerly used for men's wear.

Mr. Shell, manager of the popular uptown shop, has been prominently identified with retailing in Roanoke Rapids for the past 27-years, and established the present store known as The Quality Shop November 1st, 1929.

## New Pastor At Enfield Church

Rev. B. D. Critcher, of Snow Hill, has arrived with his wife and two children, and taken up his duties as pastor of the Enfield Methodist Church. He conducted his first services here on Sunday.

Rev. W. L. Loy, who has been serving this church the past year, has gone, with Mrs. Loy, to Bailey in Wilson County.

"Is Woman a Backward Creature?" Don't miss this interesting and instructive article explaining how a woman usually knows the truth instinctively, which may indicate that she hasn't acquired the mental machinery of man—but with her intuition she doesn't need it. A full page illustrated feature in The American Weekly Magazine with next Sunday's Washington Times-Herald, now on sale.

## LITTLETON TEAM TO MEET WARRENTON; IS SPONSORED BY LIONS

A post season football game will be staged between the crack Littleton High School team and the powerful John Graham High School team of Warrenton on Friday, December 8, the kickoff coming at 2 p.m. sharp. The game is sponsored by the Lions Clubs of the two towns, the proceeds from the game to be divided between the two schools. The game will be played at the John Graham Athletic Field in Warrenton.

The two teams, evenly matched in play for the 1939 season, are spirited rivals, the competition becoming so keen in 1936 that relations were called off until they got together for the post season game this year. Both teams have played heavy schedules, with Littleton winning six, tying one and losing two. Warrenton played a ten-game schedule, winning seven, tying two, and losing one. One of the wins came as a result of a forfeit.

The Littleton team, under the supervision of Coach Steve Acai, is the lighter of the two teams and will depend on the speed of Moore and the two Johnson boys in the backfield to offset their opponents' weight and power. Warrenton is a power team and will expect Miles and Aycock, brawny backs, to carry the mail through the holes opened up by the big line, led by Moore, Reid, and Davis. Coach Overman

will have charge of the Warrenton club.

In weight the Warrenton team has the advantage of about ten pounds to the man. Coach Acai believes, however, that his boys will stand a chance in that his ball carriers are the fleetest in this section of the state.

Edgerton, Spain, Riggan, and Threewitts are expected to lead the attack for the Littleton forwards.

The Littleton record for the past season stands: won over Weldon 12 to 0; lost to Rich Square 6 to 0; beat Henderson 39 to 0; beat Windsor 39 to 0; won over Wendell 39 to 0; beat Roxboro 20 to 6; won over Apex 13 to 6; tied Oxford 0 to 0; lost to Catholic Orphanage 18 to 0.

Warrenton defeated Enfield 19 to 0; won over South Hill 45 to 0; beat Emporia 13 to 0; won over E.C.T.S. at Rocky Mount 19 to 0; lost to Troy 7 to 6; won over Roxboro 7 to 6; tied Fuquay Springs 0 to 0; tied Spring Hope 6 to 6; won by a forfeit over Henderson 1 to 0; defeated Weldon 13 to 0.

Officials for the game will be secured from the big five colleges in the state.

Billie Burton returned to Mill-edgeville, Ga., Wednesday after spending the Thanksgiving holidays with his parents, Mr. and Mrs. J. R. Burton.
