

# ALERT COP NABS MAN SAT. NIGHT

Quick work on the part of night policeman L. E. Cameron here last Saturday night between 1:30 and 2:00 resulted in the arrest of James Price as he was apparently attempting to break into Hodges Jewelry Store in the downtown business block. Price, a young white man who is reported to have come here from Danville, Va., about two months ago, is said to have forced a screw driver between the plate glass and the frame of the front window which, Mr. Hodges said, contained about \$2400.00 worth of watches and other valuable jewelry.

The crash of the glass as it was broken by the force of the screw driver alarmed Mr. Cameron who was sitting in a barber shop next door. The policeman rushed out and nabbed the man before he could escape.

Price waived his preliminary hearing before the Mayor's Court Monday morning and was bound over to the January term of Superior Court under a bond of \$300.

At the time of alleged attempted break about a dozen people were in a cafe that was still open at that hour a few yards down the street.

Woodley is reported by the police to have smashed a window or door in the Piner home, cutting his hand to the extent that he was carried to the hospital for first aid treatment. Woodley's case was continued at Mayor's court last Monday until next Monday.

Woodley was released under a \$50 bond.
