FIRST OF ALL—THE NEWS.

VOL. II.

MORGANTON, N. C., FRIDAY; JANUARY 26, 1900.

NO. 3.

LOCAL AND PERSONAL.

Mrs. R. H. Parker returned from Asheville Monday.

Mr. H. R. Bridgers and wife and child are visiting relatives in Hickory.

Mr. Wade Coffey left last Saturday for Washington, D. C., to learn more about the trade of bicycle repairing.

Misses Carrie Connelly and Bessie Warlick are visiting relatives in Statesville and Taylorsville this week.

Rev. S. J. Porter, pastor of the Morganton Baptist church, is in Asheville this week assisting in a revival meeting.

Three candidates were baptised at the Baptist church last Sunday night after the regular service, by Rev. S. J. Porter, the pastor.

Mrs. Herford and daughter Mrs. N. Lazarus left last week for Baltimore. They were called there on account of the illness of Mrs. Herford's son.

All trains from the west yesterday were delayed several hours on account of, it is learned, a headend collision of freight trains near Knoxville. We could not learn the particulars of the accident.

"The Lawn Studio."

Mrs. M. E. Gillam is having erected at her home on Lenoir street a modern photographic studio and will soon be prepared to furnish photographs to the public in the best and latest style of the art. Mrs. Gillam completed an art course at Greensboro Female College about fifteen years ago and has since given much time and study to work in art. Several months ago she took up the study of photography and how well she has succeeded is best told by photographs of her execution. We have seen some of her work and in our opinion it is the equal of the best. We bespeak for Mrs. Gillam a liberal share of the work of the community in this line. She has given her studio the pretty and appropriate name of "The Lawn Studio."

Conference Committee Meet.

The Committee appointed by the recent W. N. C. Conference at Concord to enter into negotiations for the purchase of Rutherford College for a preparatory school held a meeting at Connelly Springs Wednesday and yesterday and also visited the institution yesterday morning. A transfer of the property has not yet been made but in all probability this will be done in the near future. The following members of the committee were present: Dr. D. Atkins, presiding elder of the Asheville district; Rev. J. W. Jones, pastor of Morganton circuit; Rev. C. G. Little, presiding elder of Morganton district; Messrs. H. W. Connelly, B. F. Davis and J. A. Lackey, of Morganton, and Mr. J. D. Glass, of Connelly Springs. The committee organized by electing Rev. J. W. Jones chairman and Mr. J. A. Lackey secretary.

W. A. Leslie, druggist, guarantees every bottle of Chamberlain's Cough Remedy and will refund the money to any one who is not satisfied after using two-thirds of the contents. This is the best remedy in the world for la grippe, coughs, colds, croup and whooping cough and is pleasant and safe to take. It prevents any tendency of a cold to result in pneumonia.

All the latest styles in photographs is what J. C. Howenstein will be able to furnish. He will be ready for business about Feb. 15th at F. W. Tyler's old stand, which is being made almost new.

Resolutions of Respect.

Whereas, God in his infinite wisdom has seen fit to remove from our midst by death our fellow Commissioner N. L. Beach, therefore be it

Resolved by the Board of Commissioners of Morganton, in meeting assembled, that in the death of Commissioner Beach the town loses the services of a most useful and valuable officer, a man of ability and experience, devoted, loyal and eminently qualified to fill the responsible position to which his fellow citizens had elected him, and that the Board will sincerely miss the pleasant companionship and friendly advice which the departed member was wont to bestow, and it will be a long time before we look upon his superior in the councils of the town.

Resolved further, that a copy of these resolutions be sent to the family and that the Herald and THE NEWS be asked to publish the same.

It has been demonstrated repeatedly in every state in the Union and in many foreign countries that Chamberlain's Cough Remedy is a certain preventive and cure for croup. It has become the universal remedy for that disease. M. V. Fisher of Liberty W. Va., only repeats what has been said around the globe when he writes: "I have used Chamberlain's Cough Remedy in my family for several years and always with perfect success. We believe that it is not only the best cough remedy, but that it is a sure cure for croup. It has saved the lives of our children a number of times." This remedy is for sale by W. A. Leslie druggist.

Clothes cleaned, dyed and repaired. Old clothes made new. Prices reasonable. Apply to Henry Peterson, first house above Mr. Jno. W. Williams' residence.

Off with the old Glasses of annoyance and imperfect vision. On with the new—our kind—giving ease and comfort and relief. If you must depend on artificial aid to restore failing vision, why not have the best? The best is none too good. There is no glass that can give you more ease or comfort or satisfaction than ours.—no lenses more perfect; no frame more carefully adjusted; no prices lower for services rendered.

Keep Awake.

If you sleep while your interest is at stake you suffer the loss. If you keep awake and look after your business, reward is certain.

Now, in this day of rush and push and advancing prices, it stands you in hand to keep your eyes open to your own interest and see that you are not charged too much for what you buy.

We took an early start this time and placed heavy orders for future deliveries on lots of stuff that we could close out for a good advance, and not have them shipped, but we don't want our profit that way. We want these prices right here, so that we will be able to undersell all competition.

You no doubt hear every merchant crying about advance in prices. There is an advance on some things, and they would have you believe everything is up. But this is not the case, as you can find out by coming to our house and seeing nearly everything in our stock selling at the same old price. We started here 15 months ago, when goods of all kinds were lower than they had been in 50 years.

Our clothing departure has been such a success we have decided to give it 50 feet more of our floor space, and we have bought the largest line of Youths' and Boys' Clothing that the town has seen in years. Our line of Men's Goods will be "right up to snuff, and cheap according."

We have placed orders for our clothing with some of the largest and best known houses in America.

These goods will arrive about February 12th to March 1st and we want everybody to come and see.

Remember! Remember! Remember! our great Garden Seed Sale.

Yours,

J. L. ANDERSON & CO.
