IN GOLDEN GATE VICTORY PARADE

FROM THE BRIDGE OF HIS FLAGSHIP, the U.S.S. South Dakota, Admiral William "Bull" Halsey (inset) looks up at Golden Gate Bridge as the battlegroup leads 13 units of the mighty Third Fleet into San Francisco Bay. Although the day was foggy, thousands of spectators gathered atop the famed span and on shore to welcome the fighting admiral and his battle-seasoned veterans. (International Soundphoto)

In The Service

FERRY LIBERATED YANKS
Seaman First Class James D. Register, of Leland, was on the escort aircraft carrier USS Chengago when she carried 1,357 released prisoners of war from Nagasaki, Japan, to Okinawa. The evacuees included Americans, Britons, Dutchmen, Australians, Japanese, and many of them had undergone the infamous Bataan "Death March."
