NEW DICKEY COUNTY COURT HOUSE DEDICATED THE FOURTH

Residents From Every Section of the County Participate in the Ceremonies—Dr. W. E. Taylor Deliveres Excellent Sol Lecture—County Commissioners Act as Hosts.

One of the largest gatherings ever held in Dickey county took place on the Fourth when the County Commission- ers and other officials of the county, and residents from every section of the county were in attendance. The fine new court house was dedicated. Eliendle joined handl and helped make the day one to be remembered by all in attendance. The day was an ideal one for such a big dedication owing to the rain on that morning.

That this county has one of the finest court houses in the state goes without saying. The building is of brick, 120 by 100 feet in size, and striking "J G. Judge Spalding will be at

WATERWAY MEETING.

Red River Route to Far North to Be Improved.

Grand Forks.—Railroad men from the north and south were in the city yesterday, discussing plans, etc., for the improvement of the Red river route to the far north. The city was designated as the terminal point for the northern end of the line.

1. TWO HUNDREDS KILLED.

Tornado Does Much Damage at Grand Forks.

Grand Forks.—One man was killed and about 200 others were injured by the tornado which was being blown up on a large scale at Grand Forks. The storm was accompanied by hail, which was also of large size. The damage done by the storm was estimated at about $50,000.

The storm, which lasted for about 20 minutes, was of greatest magnitude in the city. A second squall attack in the afternoon was accompanied by heavy rain, and the city was left in a worse condition.

The storm did much damage, killing one man and injuring about 200 others. The city was left in a state of confusion, and the streets were blocked by debris from the shingles of the roofs of the buildings.

The damage was estimated at about $50,000, and the city was left in a state of confusion.
