## STURGEON OF DICKINSON IS WINNER TODAY

Annexes State Singles Trap-shooting Championship With Score of 196

J. W. Sturgeon, Dickinson, won the state singles trapshooting championship here today with a score of 196 out of a possible 200. Dr. J. R. Pence, Minot, was second with 195.

Sturgeon went into first place by scoring 99 out of 100 this morning while yesterday's leaders fell off. Pence took a 98 today.

Other high scores were: Art McGee, Bismarck, 97-99-104; A. E. Chetick, Portal, 95-99-104; Frank May, Dickinson, 96-94-100; W. R. Wilcoxson, Great Falls, Mont., 97-99-196. Wilcoxson was not eligible for the championship, however, because he is not a resident of the state.

Miss Cella Glasner, Minot, won the women's championship with 131 out of 200 targets. Mrs. C. H. Parker, Minot, had 115. Mrs. J. R. Pence, Minot, the other woman entrant, did not finish the competition.

**Mandan Next Year**  
At a meeting held at noon Mandan was selected as the city in which next year's contest will be held.

Members of the executive board elected today were: H. E. Secord, Grand Forks; J. W. Sturgeon, Dickinson, and Dr. J. R. Pence, Minot.

**SECOND PLACE SEEMS TO AWAIT MINOT MAN**  
When he was a boy Dr. J. R. Pence, Minot, read in a copy book that one good try deserves another, or some similar proverb, and he has worked on that principle ever since, especially in his efforts to win the state trapshooting championship.

When he finished the state competition today in second place it was the fifth or sixth time he has held that position—but he has never won the championship.

"I guess I'll quit," smiled the doctor. "I had hoped to bring the championship to Minot this year." But his laugh belied the statement that he might retire from participation in the sport.

## FARGO EXPRESS SCORES KO IN EIGHTH ROUND

Johnny Rocco of New Rochelle Unable to Withstand Petrolle's Attack

St. Paul, July 14—(P)—Billy Petrolle, Fargo, N. D., lightweight, had another knockout to his record today by flattening Johnny Rocco, New Rochelle, N. Y., in eight rounds here last night.

"The Fargo Express" carried a load of high explosive punches that blasted the easterner nine times before the final left hand smash to the stomach brought surcease to the battering Rocco.

Weakened and wavering by the heavy fire of Petrolle's battering two-fisted attack, Rocco attempted to quit in the second round after a terrific right under the heart had dropped him prone for a count of nine. Warned by the referee that his purse would be held up unless he made a satisfactory showing, Rocco fought a rear guard action until the end of the eighth round.

**Semi-Windup Is Fast**  
Although billed as the main attraction, the Petrolle-Rocco fight was outshone by the semi-windup in which Ray Ryckell, Chicago featherweight, gained a newspaper decision over Pete Sarmiento, Filipino.

Interpreting brilliant ring generalship with vicious slugging, Ryckell peppered Sarmiento with a straight stinging left and occasionally crossed his right with telling effect. Both were slugging toe to toe when the bout ended.

Benny Vulgar, former lightweight champion of France, outpointed Eddie Tut of Minneapolis by virtue of his experience and ring craft. My Sullivan, St. Paul lightweight, knocked out Rudy Ily, St. Paul, in the first round of a scheduled six-round bout, his sharp-shooting preventing Ily from landing a damaging punch.

## PREDICTIONS OF KNOCKOUT ARE NUMEROUS

Both Berlenbach, Delaney, Real Fighters—Furious Battle Expected

New York, July 14—(P)—Jack Delaney, Canadian Frenchman from Bridgeport, Conn., regarded in many quarters as the "uncrowned champion" of the light weights, tomorrow night will test his ability to wear the crown.

Paul Berlenbach, former wrestler who gained the title of "Asotia champion" after two dozen straight knockouts a year and a half ago, only to be stopped by this same Delaney in four rounds, will be the defender. Berlenbach was not the light heavyweight champion when Delaney knocked him out, but since gaining the title he has recorded a 16-round decision over the marvel from Connecticut, whose real name is Chapdelaine.

Predictions of a knockout are numerous for Berlenbach's defense is an offensive, while Delaney carries a right hand that may well bring fear to any opponent. Each is a real fighter and a real fight is expected.

Berlenbach is expected to enter

## Wounded in Action

Corporal M. E. Prather of the United States Marine Corps detail at the Lake Denmark ammunition depot here is being bandaged after receiving serious injuries in the explosion which wrecked the place. Physicians at the temporary hospital in Dover, N. J., said he probably would lose the sight of an eye. Mrs. E. R. Churchill, a volunteer nurse, and Private D. M. Huntley of the marine corps, are standing by.

The picture shows, left to right, the family of Mr. and Mrs. Dan Rich: Mary, Nettie, Lucy and the father and mother.

the ring at about the limit, 175 pounds, while the challenger probably will scale about 172.

Fully 60,000 persons are expected to crowd into the Brooklyn National league baseball park for the bout, which will start about 9 p. m. standard time.

**World's Longest Chess Game Ends**

Rochester, Minn., July 14—(P)—What is believed to be the world's longest chess game has just been completed. Two and a half years ago, when the game started, Louis D. Kovach of Aurora, Minn., was believed to be on his death bed at a Rochester hospital.

A week ago, hale and hearty as ever, Louis made the final move that checkmated his brother, Frank J. Kovach, and won two victories—one over his brother, and the other over death.

The game was started on January 4, 1924. His brother, Frank, continued the game as he moved about the country, making the moves by mail.

Doctors claimed that without the chess game to keep up his determination, he would never have pulled through. Kovach devoted his many hours in the hospital thinking out the moves, and then would write to his brother, who in turn would take the next step.

Recovering from his sickness, Louis returned to Aurora and made the final move, checkmating his brother, who made his last move from the University of Minnesota.

## Scattered Destruction

A roof crashed in at the town of New Hope, N. J., a mile and a half from the navy ammunition depot at Lake Denmark. Shells were hurled in all directions over the countryside by the explosion and a barrage rained down as terrific as on a bath front in wartime. The population fled madly from the stricken region, and scores of civilians were injured by the bombardment.

## Convict Miners Are Back at Work

Lansing, Kans., July 14—(P)—More than 200 convict miners and a full quota of guards, replacing the seven who quit yesterday, went into the Kansas penitentiary mines here today. Warden W. H. Mackey announced. The warden reiterated his statement that no promises were given the miners, who mutinied and remained at the bottom of the 730 foot mine shaft for 36 hours last week, to induce them to come to the top.

R. P. Duncan, one of the seven guards who resigned yesterday, charged the warden had promised to accede to the prisoners' demands and then had not kept his promise.

The prison head said 100 of the "striking" miners were still locked up, deprived of yard privileges, while officials were investigating the mutiny.

## Whittemore to Hang August 13

## 13 Are Hanged For Plotting to Kill Turkish President

Smyrna, Turkey, July 14—(P)—Thirteen persons convicted of plotting to kill Mustafa Kemal Pasha, president of Turkey, were hanged here at daybreak today.

The men, who were condemned yesterday, included six members of the Turkish parliament and two former deputies. Among the deputies was Ruch Di Pasha, who had requested to be hanged rather than submit to a sentence of hard labor for life.

The plotters were convicted of laying plans to kill the president upon his arrival here a month ago. The tribunal of independence condemned 15 to death, but two were not in custody.

## Fliers Set Record For Globe Trotting

Mitchell Field, N. Y., July 14—(P)—Edward S. Evans, and Linton O. Wells arrived by airplane at 3 p. m., daylight time, today and sped for New York by automobile to complete their trip around the world for a new "globe trotting" record.

The last lap of their trip was from Rangoon, Ill., which they left at 3:55 a. m. central standard time today. They left New York on June 16 at 1:30 a. m., hoping to travel around the earth in 28 days. They missed their mark by a number of hours, but smashed the 35-day record of John Henry Mearns, made 14 years ago.
