Things Worth Knowing.

When you go in some benefit association, or take out a policy in some insurance company, you always look to see if such an organization is reliable, don't you? Why not do the same regarding a Trading Stamp? When you look up Red Star Stamps you find looming up behind them a big half million dollars—enough to redeem all the stamps in existence. That's one good reason for collecting this stamp. Another is, Red Star Stamp Premiums are the best. Convince yourself. We give Red Star Stamps.
