

# FIVE BUYING DAYS BEFORE CHRISTMAS

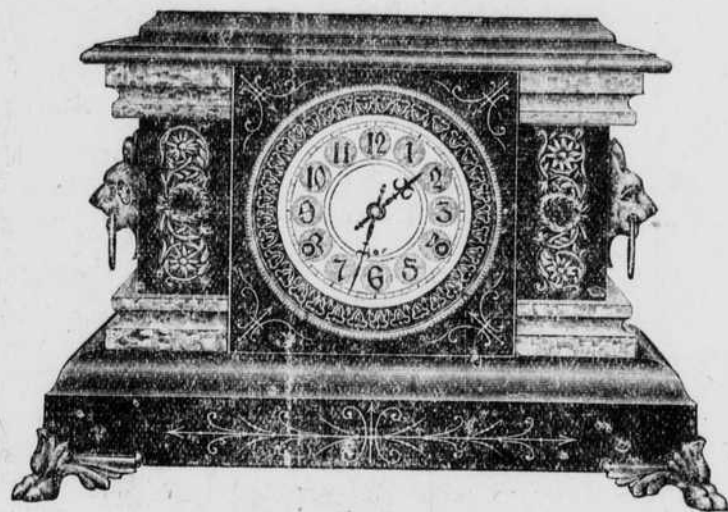

A hint is enough. Christmas is only five working days ahead, still there is time for satisfactory holiday shopping. The results of early buying are worth the effort of getting your early morning routine out of the way in good season, so that you may spend the finest forenoon hours in choosing your Christmas gifts of Jewelry. We are still laying away purchases, if yours are not in our vaults would it not be well to favor us with an early call. The earlier in the day the better. It is not possible to sell jewelry fit for Yuletide presents lower than we sell it. Whether you want solid gold or diamonds, jewelry watches, opera glasses, clocks or silverware, you can do best at Kreielsheimer's, because all middleman's profits are completely done away with. Our low prices are never at the expense of material nor of workmanship. We thank the public for its appreciation of our work in placing before it high class jewelry at prices that would be impossible under any other system than ours.
