Good Outlook for Business

Many Lines Are Doing Greater Volume of Business Than in 1913

WASHINGTON, July 21—(AP)—Many lines of business—manufacturing, distributing, retail—showed for May and June a volume of business greater than for the corresponding period in 1913. In wholesale business, the report indicates, the first half of this year exceeded the first half of 1913 by about 50 per cent.

E. Marcom's new home is very near that of his father and brothers.

The total volume of business in the United States was estimated at $43,200,000,000 for May and June, compared with $28,200,000,000 for the same months last year. This represents an increase of about 50 per cent.
