Fishing Notes

this week. The catch last Monday was only from 40 to 50 for the best nets while about 30 on down to a dozen a day have been the catch the remainder of the week. Some have quit for the season be-

cause of the small catch. The catch on Thursday was 10 and 12

The wholesale price on Monday was \$35 and the remainder of the week \$40. Most of the fishermen quit the bay this week, because the catch of shad was so few and the mossbunkers so numerous

Sturgeon began to arrive the forepart of this week in the bay. Seventeen were caught on Monday and Tuesday, the largest being worth \$185.

The shad run large this year. Eels are thick. Between 150 and 200 pounds a day are being caught in traps at the end of Penn's Grove wharf.

Campbell's Varnish Stains are the original and only real Varnish Stains ever offered to housekeepers. They work like colored varnished producing beautiful effects without obscuring the grain of natural woods. S. R. Leap & Son sells this line.

Borough Council

A regular meeting of the Borough ouncil was held Tuesday evening Mayor Gentieu presided and Councilman Layman, Long, Keen, Kille and Morgan Current bills were ordered paid.

Ordinance No. 30 requiring the con struction of curbs on West Main, Penn Street and Franklin Street between Main and Harmony and State Street, between Main and Railroad Avenue was amended and finally passed.

Ordinance No. 31, requiring the con struction of gutters on the streets above named was read and defeated by a vote

There were no property owners presen o make objects nor no petition.

Mr. C. C. Avis, representing the Bell Telephone Company was present in regards to the two free telephones promised the Council three years ago which had never been put in. Mr. Avis said the Company would put them in as soon as the the Mayor and Clerk furnished the Company with a certified copy of the ordinance granting permission poles on East Main was given. As no ecord could be found of such procedings or ordinance, excepting a newspaper report, a new ordinance had to be introduced to cover it.

Base Ball

Everything is in readiness for the open ng of the season at the local grounds orth Broad and Harmony Sts. next Saturday 22d. The grand stand and diamond have been put in shape, and with Rose Hill as the attraction, patrons of the game are assured some lively sport at the initial clash.

Featherer, who showed such rare form last season will be the selection to perform on the slab, with "Buck" on the job at the pan. Practically the same line-up as last year will compose the team, with the possible exception of second base, Ward having been signed to replace "Jack" Holmes whose services

Liberty Band and all the loyal rooters will be on hand to launch the P. A. A.'s

Saturday week, 29th, the strong Woodbury Country Club will be the attraction. All lovers of good clean base ball are welcome. No others.

Catch Train By Instruction

That the trip of the Farmers' Instruction Train through South Jersey last March has proven successful to the railroad companies now seems certain. From Woodbury comes the announce ment that many farmers throughout Gloucester county and vicinity are now arranging to ship products to the Philadelphia markets by rail instead of haul-

ing as heretofore. The farmers have found that the rail road companies have met them half way in the matter by installing more sidings at the several stations, together with the insurance that fast transportion will be given just as soon as the crops begin to

The railroad companies are so delight ed with the fruits of the instruction train that they propose to have another similar tour in the fall.
