Sanatorium Where Tuberculosis May Be Cured Is Worth Much to Any State or City.

Dr. H. L. Barnes, superintendent of the Rhode Island State sanatorium, has recently demonstrated by some interesting studies of patients discharged as "apparently cured" from that institution, that a sanatorium is a sound investment for any state or city. The gross earnings of 170 ex-patients obtained in 1911 amounted to \$102,752, and those of 211 cases in 1912 to \$112,-021. By applying the same average lines tentatively. earning to all ex-patients of the sanatorium living in 1911 and 1912, Dr. Barnes concludes that their income in charges. Dr. Barnes concludes, how- lines. ever, "While institutions for the cure of tuberculosis are good investments, there is good reason for thinking that SHORT, BRIGHT, LITTLE COATS institutions for the isolation of far advanced cases would be still better in-

WESTERN CANADA." AN IMPORTANT FACTOR IN CANADA'S IMMIGRATION. A letter dated February 2, 1913, published in a "People's Voice" column in a Swedish paper, while dealing with other conditions in Canada, such as grain yield, social conditions, etc.

From 40 to 50 Woman's Critical Period.

Such warning symptoms as sense of suffocation, hot flashes, severe headaches, melancholia, dread of impending evil, palpitation of the heart, irregularity, constipation and dizziness are promptly treated by intelligent women who are approaching the period of life.

This is the most critical period of woman's life and she who neglects the care of her health at this time invites incurable disease and pain. Why not be guided by the experience of others and take Lydia E. Pinkham's Vegetable Compound? It is an indisputable fact that this grand old remedy has helped thousands of women to pass through this trying period with comfort and safety. Thousands of genuine and honest testimonials support this fact.

From Mrs. HENRY HEAVILIN, Cadiz, Ohio. Fort Worth, Texas.—"I have taken Lydia E. Pinkham's Vegetable Compound and derived great benefit from its use. It carried me safely through the Change of Life when I was in bad health. I had that all gone feeling most of the time, and headache constantly, I was very nervous and the hot flashes were very bad. I had tried other emedies and doctors, but did not improve until I began taking Lydia. E. Pinkham's Vegetable Compound. It has now been sometime since I took the Compound and I have had no return of my old complaints. I always praise your remedies to weak women."—Mrs. Henry Heavilin, R. F. D. No. 5, Cadiz, Ohio.

From Mrs. EDWARD B. HILBERT, Fleetwood, Pa. Fleetwood, Pa.—"During the Change of Life I was hardly able to be around at all. I always had a headache and I was so dizzy and nervous that I had no rest at night. The flashes of heat were so bad sometimes that I did not know what to do.

"One day a friend advised me to take Lydia E. Pinkham's Vegetable Compound and it made me a strong, well woman. I am very thankful that I followed my friend's advice, and I shall recommend it as long as I live. Before I took the Compound I was always sickly and now I have not had medicine from a doctor for years. You may publish my letter."—Mrs. Edward B. Hilbert, Fleetwood, Pa.

From Mrs. F. P. MULLENDORE, Munford, Ala. Munford, Ala .- "I was so weak and nervous while passing through the Change of Life that I could hardly live. My husband had to nail rubber on all the gates for I could not stand to have a gate slom. "I also had backache and a fullness in my stomach. I noticed that

Lydia E. Pinkham's Vegetable Compound was advertised for such cases and I sent and got a bottle. It did me so much good that I kept on taking it and found it to be all you claim. I recommend it to all women afflicted as I was."—Mrs. F. P. MULLEN-DORE, Munford, Ala.
