MANHOOD
How Lost. How Restored.
Just published, a new edition of Dr. Culverwell's Celebrated Essay on the radical cure of Spermatorrhoea or Seminal Weakness, Involuntary Seminal Losses, Impotency, Mental and Physical Incapacity, Impediments to Marriage, etc.; also Consumption, Epilepsy and Fits, induced by self-indulgence, or sexual extravagance, &c.
The celebrated author, in this admirable essay, clearly demonstrates from a thirty years' successful practice, that the alarming consequences of self-abuse may be radically cured; pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately, radically.
This Lecture should be in the hands of every youth and every man in the land.
