S. T. Jackson Makes Announcement in Methodist Church Last Night.

LOCAL CHURCH HISTORY

Sermon Preached By Pastor Made Great Impression—in Twenty-Five Years Local Methodists Have Been Exceedingly Liberal—Interesting Discourse Listen To By Large Congregation.

At the conclusion of his sermon, during which he recited the history of Methodism in Perth Amboy, Rev. S. T. Jackson made an announcement which greatly surprised a large congregation in the Simpson M. E. Church last night. He said that \$100,000 had been given by them in the last twenty-five years for church work. This, he said, was a very conservative figure and did by no means include all the money contributed by the different societies in the church.

The service, which marked the last sermon of the pastor before Conference, which begins Wednesday of this week, was opened with prayer by S. Rechnitzer. The pastor announced that arrangements had been made for all the meetings as usual this week. Mr. Jackson will also be away next Sunday. In beginning his sermon the pastor said: "The hardest thing for me tonight, is to know what not to say."

The subject of his sermon was taken from the twenty-third chapter of the book of Numbers. "What hath God wrought?" In dwelling upon the history of Methodism and its Church in this city he divided it into three periods. The first, that of organization, the second of growth and expansion and the third of reconstruction. Regarding the first period he said:

"As early as 1773 Bishop Asbury came to this city at that time, but a very small town, and preached to a handful of Methodists. It is true there was no church, but in 1789 there was a Methodist Society organized which grew so that in time they built the first Methodist Church on the corner of Commerce and High streets. As time went on they saw the need of a new church and finally bought the lot where this church stands."

Mr. Jackson dwelt largely on the grit, "gumption," and determination of those members, some of whom are still living, and were at the time called crazy in their efforts to build the present edifice. The sacrifice they made, he said, will go down in history and he hoped to come back and live to see the time when the debt of the church will be wiped out and the edifice completely renovated. Mr. Jackson claimed there was an error in history in determining the time when the Methodists first came to Perth Amboy.

Contract For New Vault.

Thomas Redhing has received the contract from the Perth Amboy Trust Company for transporting the new fire proof and burglar proof safe deposit vault which will be put in the Perth Amboy Trust Company's building on Tuesday, March 31st.

Masons and carpenters were at work last Friday preparing the foundation for the heavy vault.

This vault, which the Trust Company is putting in, is something which the citizens of Perth Amboy have long needed. It is absolutely fire proof and burglar proof and contains a number of compartments of different sizes which can be rented at very reasonable prices. Some of these compartments are large enough for the storage silverware, etc.

DISTRIBUTED SLIPS AT ST. MARY'S CHURCH.

Committee Of Women Met And Were Assigned Their Districts By Father O'Connell.

At all the masses of St. Mary's church on Center street, yesterday morning, the printed slips giving the amount of money recently collected, and the sum promised, were given out. In speaking of the matter to the congregation, the pastor, Rev. B. T. O'Connell, thanked the parishioners for their hearty response to his appeal, and said that it was a work well begun, but one which the congregation must keep up to see the success of the new church.

The committee of sixty ladies who are to act as a Church Building Society, their duty being to collect ten cents per week, met at the rectory at 8.30 o'clock last night where they were assigned to the different districts they are to collect in, by Rev. B. T. O'Connell.

There will be a high mass Tuesday morning for the repose of the soul of Ellen Connors at the request of her parents. Also on Wednesday morning a high mass will be said for the repose of the soul of S. Killmurray. The pastor announced that all the money taken up at the Easter collection this year would be devoted toward the building of the new church. Next Sunday, being Palm Sunday, the palms will be given out at all masses.

MEN RETURN AT MAURER.

Strike Settled This Morning And Work Is Resumed At The Big Factory.

MADE A COMPROMISE.

Plant Was Shut Down On Saturday And Men Paraded With Big Flag—Were Told To Wait Until Mr. Maurer Could Be Communicated With—No Disturbances Were Reported.

The difficulties between the 300 men and boys who went out on strike at Henry Maurer & Sons factory last week, was settled in favor of the men this morning and they all went back to work. As told last week the men, after failing to settle the matter, went on strike and on Saturday sent a committee of six men to the office to talk it over. They were finally told that Mr. Maurer had gone away and could not be seen until this morning. They demanded an increase of twenty cents a day for the men and five cents a thousand bricks for the boys.

It is stated that they split the difference, and this being true, the increase is the same which has been promised beginning April first to the men in the several factories in that section.

POLICE COURT NEWS.

Joe Kovatz, of 8 Somerset street, New Brunswick, was fined \$15 yesterday morning on a charge of carrying concealed weapons. He was unable to pay the fine and was locked up. The arrest was made late Saturday night while Kovatz was flourishing a revolver on the street.

Joe Kutcher, a Hungarian laborer, nineteen years old, was put under \$50 bonds yesterday morning on a charge of assaulting Mike Shepsky, of 55 Watson avenue. Shepsky bore a deep cut over the eye which he said was done with a knife in the hands of Kutcher. The police believe the two men had a fist fight and that the gash over the eye was done with a ring on Kutcher's hand.

ANSWER WAS WITHDRAWN.

Terra Cotta Company Say They Will Give The Men Another.

PRESSERS WILL WAIT.

Held Meeting in Union Hall Saturday When Committee Said That Owing To The Request Of The Terra Cotta Company The Answer Would Not Be Made Public.

Members of Pressers and Finishers Union, Local 77, as announced exclusively in the News, met in Union Hall, Saturday night. The committee which had been appointed to make arrangements for a change in the wage scale, so that the pressers would be paid by the cubic foot instead of so much per piece from the first of April, reported that they received a reply to their demands from the Perth Amboy Terra Cotta Company, but at the last moment the firm requested that it be returned, saying that another answer would be prepared for the Union by April 15. The committee announced their intention of not giving the report out until they heard again from the Perth Amboy Terra Cotta people.

"What the report is," said a presser in conversation with a reporter this morning, "none of the pressers outside the committee know, but many of us are of the opinion that it was unsatisfactory, or else the committee would have given it out. It may be that the Perth Amboy Terra Cotta Company knew that when their report was read we would not stand for it and we think the next reply will be more favorable."

The work at all the terra cotta works is very brisk at the present time and if a strike should occur now not only the Perth Amboy terra cotta would be tied up, but also all the factories in this vicinity.

At the Long Island Terra Cotta Works, where the men made the same demands sometime ago, the demands of the men have been granted, it is stated.

ST. STEPHEN'S CHURCH RECEIVES PICTURE.

Large Congregation Was Present At All Services Yesterday—Young People Celebrate.

At the morning service in St. Stephen's Danish church on Broad street, the picture "He is not here; He is risen," was presented to the congregation by the pastor, Rev. J. Christiansen, on behalf of the Young People's Society. After the dedication Rev. R. Andersen, of Brooklyn, preached the sermon. The choir sang a hymn appropriate for the occasion.

During the afternoon the Young People's Society served coffee and cake to the congregation and friends. There were also a number of people from Keyport and Matawan present. Christian Mathiasen and F. L. Brown made addresses thanking the young people in behalf of the congregation for the good and noble work they have done.

The picture, which is one of the most beautiful ever seen in Perth Amboy, came as a gift from the Young People's Society. The following are the officers of the society: President, William Mathiasen; vice president, Miss Marie Therkelsen; secretary, Viggo Yepsen; treasurer, Theodore Brown.

CLERK'S UNION IS DISBANDED.

Interest Has Died Out And Members Will Not Attend Meetings.

CARDS ARE COLLECTED.

At The Last Meeting Held Only Four Members Were Present And They Were Officers—Merchants Declare They Will Continue Early Closing For A Time At Least.

At the last meeting of the members of Retail Clerks Union, Local No. 60, it was decided to disband the organization. Two years ago this April, a number of the retail clerks got together, held meetings in Union Hall, Smith street, and the organization was the result. The clerks all over town, and many of the merchants were in favor of it, and the union prospered under that old motto "In Union there is Strength."

Until a short time ago everything went well, the clerks attended all the meetings regularly, there was hardly a card that was not paid at least two weeks ahead. Finally the clerks began to stay away from the meetings. One by one they forgot to pay their dues. At the meeting Wednesday night, out of all the union clerks in town, only four were present and they were officers. It was then decided to disband. Today the last of the large cards, which have been in the show windows of several stores, are being gathered by the clerks. They will be stored away until the early closing movement is again revived. A number of the merchants say that, although the clerks union is no more, that they will continue to close as usual for at least a while yet.

MINSTRELS FOR COURT STANDARD.

Making Great Preparations For A Fair In Music Hall April 16.

The members of Court Standard 111, Foresters of America, who are to hold their first grand musical and minstrel show in Music Hall on April 16, are anticipating a great time. Nearly all the players will be of home talent. The end men being George Gerns, Chester Gillis, Charles Rossi and John Moylan. The interlocutor will be A. J. Casavan. Masters Louis Horner and Frederick A. O'Brien will be on hand and give several violin selections, while George B. Schuyler will sing some of his illustrated songs.

The entire committee of arrangements is as follows: J. F. Devery, D. J. Flynn, A. J. Casavan, J. Molvan, J. Rickwood, W. Owens, J. Anderson, L. Eyers, and W. O. Cavanagan. The minstrel show is now rehearsing under the tutelage of J. D. Flynn.

MASON HELPERS MAY GET THEIR DEMANDS.

Bosses Said To Have Granted Them An Increase—Get Twenty-five Cents An Hour.

A short time ago the Mason Help Union asked their bosses for an increase in wages, from \$1.75 per hour to 25 cents an hour and a day's work to consist of eight and a half hours. It is now understood that the bosses have sent a reply to the Union granting the increase and no trouble in this line is expected.

Good Citizens meeting tonight at the Church. All members to be present.
