WANT THE FERRY AT WASHINGTON STREET.

Petition being Drawn up for Property Owners in That Vicinity to Sign but will Wait to see if they get the Pavement--Claim Washington Street is more in Centre of the City.

As told in the News last week, a spirited movement is on foot in regard to the change in location of the ferry slip of the Staten Island Rapid Transit on this side of the sound. In the desire that it should be changed, but not to Fayette street, as is favored by the officials of the road, the property owners on Washington street are speaking of the foot of their street as the new site.

When seen by a News reporter this morning Jacob Goldberger said that he was starting such a movement, and had begun to draw up a petition in favor of the selection of Washington street by the railroad company. Nothing will be done towards circulating this petition, however, until the property owners hear definitely as to whether or not they are to secure the brick pavement which is desired. If they are successful in regard to the pavement, the petition will be immediately presented to the owners for their signatures. They are desirous of having the boat land at the foot of their street because of the increase in property valuation that would be occasioned and in addition they argue that the trip across from Tottenville to Washington street would be still shorter than to Fayette. Much interest, therefore, attaches to the outcome of the movement for a vitrified brick pavement.

It is also argued in favor of Washington street that by landing there the ferry will be more nearly in the center of the city as that thoroughfare leads out to all sections by direct route.

KNOCKERS KNOCKED AT THE CLAM BAKE.

New Organization Made Merry and Presentation Took Place-- Debate at Next Meeting.

The clam bake given by the Ancient Order of Heavy-Weight Knockers at Florida Grove Saturday evening was a decided success. About seventy members and their friends were present, and as far as a News reporter could learn none of them went away hungry or thirsty. Each member and guest present was presented a miniature hammer pin as a souvenir.

The bake, in charge of James Tucker, was all that could be desired. It was served about 10 o'clock. After the bake the cigars were lighted, and the Supreme Grand Knocker, Victor Main, was presented with a very large and handsome mallet as a token of the intense hatred in which he is held by his ancient order. Mr. Main responded in a happy vein, expressing his appreciation of the gift and intention to use it in a practical way, should occasion require.

At 11.30 the party broke up after having spent a most enjoyable evening. The committee of arrangements, to whom much credit is due, were Victor Main, John H. Fritzinger, John Danner, Charles Walters Jr., Fred Waters, Harvey Stetson, Benjamin Sturns, W. L. Farroat and William H. Cheshire.

A debate will be held at the next meeting of the society on the following questions, "Resolved that the members of the Perth Amboy Board of Health have the biggest sinecure on earth."

Also "Resolved that steps should be taken to end the wholesale slaughter of dogs since the Mayor's recent proclamation."

MARIONS HAD EASY TIME.

Took the Star A. C. of Newark, Into Camp Saturday to the Tune of 7 to 1.

McPHILLIPS WAS GREAT

Allowed the Visitors but Three Hits and Held them at His Mercy at All Times --Marions Will Play Two Games Next Saturday-- Both With Equitables.

The Marions had an easy time of it Saturday winning as they pleased from the Star A. C. by a score of 7 to 1. The visitors fielded badly at times and this fact coupled with their inability to hit, aided the locals in securing the victory. Gilroy was touched up rather lively, but many of the hits credited to the Marions were flukes and with fair support Gilroy would have kept the score much closer.

McPhillips pitched his first game for the Marions and gave genuine satisfaction. He allowed the Stars only three hits and had them at his mercy throughout the game. He fielded his position magnificently, accepting the unusual number of nine chances in perfect fashion. He got a stinging line drive and a high foul in clever style. McPhillips also handled the stick well, rapping two singles and scoring two runs.

The Marions' new player at third, Cohalan, had little work to do in the field, but he handled himself well.

The Stars got their only run in the sixth as the result of two singles and a stolen base.

The Marions two runs in the first inning on Kiernan's triple, singles by Cohalan and Galvin and an error by Hook. Two more runs came in the fourth on McGuire's error and singles by McPhillips, Moorehead and Kiernan. In the seventh, singles by Galvin and Hoffner and a bad throw by Kennedy yielded another run. The final tallies came in the eighth when hits by McPhillips and Cohalan and an error by Harnish netted two runs.

Next Saturday the Marions will play two games at home, in the morning and in the afternoon. The Equitables will be the Marions' opponents in both contests.

SERVICE WAS ONE OF SONG.

Simpson M. E. Church Crowded Last Night When Musical Program Was Rendered

PLEASING SOLOS.

"The Pilgrim" was the Subject of this Service-- Music Was the Feature-- Story of the Pilgrim Was Read-- Chairs Were Necessary to Seat all the Throng.

A beautiful musical service, entitled the "Pilgrim," was presented in Simpson M. E. church last evening. The church was crowded, some of the congregation occupying chairs which were placed down both aisles.

The program was opened by Rev. S. T. Jackson who gave the introduction. The second number, a vocal solo, "Come said Jesus," by Mr. James Noe, was very well given. Then followed a pleasing duet by Misses Mercer and Lynch entitled "Gates Ajar." Then came a chorus, "Rescue the Perishing." The next solo, "Throw Out the Life Line," was excellently rendered by Mr. William Noe.

Mrs. F. L. Herrington then read "The Story of the Pilgrim." The solo "One Sweetly Solemn Thought," by Miss Adele Williams was greatly enjoyed. Miss Jessie Cornell sang "My Faith Looks up to Thee," a very pretty solo. Then followed a chorus, "At the Cross." "Fear Not," the solo by Samuel G. Garretson was pleasingly rendered. Miss Thomas sang very sweetly "Abide with Me." This was followed by the rendition of "When Peace Like a River," by Mrs. Jennie Pemberton and a quartet. It was one of the most pleasing numbers of the evening.

The solo, "Sun of My Soul," by Miss Stella Rankin, was very pretty. Then followed "Am I a Soldier," by Mr. James Skidmore. "Strike for Victory," by Mrs. W. M. Macan, "Guide Me," by Mrs. R. W. Macan, and "He Leadeth Me" by Miss Edna A. Counts. All of these numbers were extremely well rendered.

The chorus, "Oh Beulah Land," was followed by Mr. D. O. Noe's solo "On Jordan's Stormy Bank," a very entertaining number. "Jesus Saviour Pilot Me," and "Angels of Jesus," by Ernest Hilsdorf and Mrs. R. W. Macan respectively, were delightful selections. The program was then closed by a chorus, "Holy, Holy, Holy."

MODEL YACHT CLUB PICNIC WAS FINE.

Members of the Club Entertained Large Crowd at Excelsior Grove Saturday Night.

The Perth Amboy Model Yacht club held the first grand picnic at Looser's Grove Saturday night. It was a grand success. Dancing was the feature of the evening.

Paul Lieske was floor manager. The money taken in will be added to the club's treasury. George Gorns, Rudolf and Albert Weismann, and Paul Lieske were on the committee of arrangements. The great success of the affair is due to them, ably assisted by all the club members.

The floor of the dancing pavilion was in first class order and everything passed off in a pleasing manner.

PROGRESS ON NEW CHURCH.

Ready to Start Mason Work as Soon as Weather Permits--To Raise Money.

STATEMENT YESTERDAY.

As soon as the weather will permit the mason work on St. Mary's church will commence. The pastor, Rev. E. T. O'Connell, is greatly pleased with the way things are now progressing.

At all the masses yesterday he spoke at length on the new building. He said the time for the payment of the last installment promised is now drawing near. This was promised by the first of July and as there yet remains \$3,000 to be collected the pastor urged the people of the parish to bear this in mind and next Sunday try to have it all in.

The amount promised in all to start the church was \$15,000. Thus far \$12,000 has been collected, and if the other \$3,000 comes in by July 1 the first payment will doubtless be made. Graham & McKeon, who have the contract for digging the cellar, have completed their work as far as they can go until the masons make a little headway. Collections will be taken up at different intervals until the \$30,000 is all in. Fairs will most likely be held also in the very near future to help the fund along.

HAD POLICE ESCORT.

Two Young Men Taken to Their Home for Fear of Attack.

Officer Long reported to police headquarters this morning that he had received word from Officer Lynch, of the Staten Island police, that the latter officer had spooled a fight on that side of the sound by escorting two young men to the ferry boat Warren and started them to this city. Officer Lynch told Long to look out for them and give them protection as the gang which went over on the Sea Breeze boat would be waiting for them on this side. The crowd waited for the young men who, Officer Long says, were perfectly sober and his timely interference prevented a renewal of hostilities. Officer Long had to escort the young men to their homes on Front street.

The Lincoln Hose Company failed to respond to the alarm of fire turned in from box 83 Saturday afternoon because there were no horses available at Little & Pfeiffer's stables to take their truck to the fire. The fire was discovered in a bed in the home of Nels Johnson at 281 Washington street. It was quickly extinguished, almost before the Protection Hook & Ladder Company reached the house.

Since the fire, however, many persons have taken the trouble to criticize the action or rather inaction on the part of the Lincoln Hose Company. A News reporter learned from Fire Chief Comings that the Lincoln Hose Company have orders to wait for horses before going to a fire in every case except box 35. Several members of the company were at the house ready to go to the fire, but not even one horse was in the stable and Mr. Pfeiffer could not get one anywhere. When asked why the members did not pull the truck to the fire Chief Comings said there was no attachment by which they could pull it.

The Lincolns are supposed to answer every alarm. With this fact in view Chief Comings requested the Board of Aldermen to give this company a team of horses in making up their new schedule, but they said it was cheaper to hire the horses from the livery stable close by. Chief Comings says he called attention to the fact that horses might be all out some time but the board is quoted as saying that was very improbable. The members of Lincoln Hose feel so badly over the new company to be organized that part of the city commonly called "Dublin," is to have a horse and they are not.

Mayor Seaman was asked for his opinion of the Lincoln's failure to respond and he said he had heard of it, but was not familiar enough with the circumstances to make any comment.
