PAINTERS WILL RETURN TO WORK.

Journeyman Agree to Terms of the Bosses After Ten Weeks—Will Pay \$2.75 a Day With no Agreement Signed.

The trouble between the boss painters and the Painters Union was settled last night. The painters will return to work tomorrow morning for \$2.75 per day and no wage scale agreement signed. This is considered a victory for the bosses.

At the meeting of the Building Trades Council last night a communication from the Building Trades Association was received. It was to the effect that if the painters wished to return to work they could do so at that the bosses first offered them, namely \$2.75 per day, a day's work to consist of 8 hours and no wage scale agreement signed. The Building Trades Council advised the painters to accept this and end the strike at once, which the painters did.

Just ten weeks ago this Friday the painters, who were getting \$2.25 per day, demanded \$2.75 and a wage scale agreement signed. The bosses agreed to the amount of money to be paid, but would not sign the wage scale. The painters then went out on strike. The bosses lately have been able to get a number of non-union men at work. When the painters saw that the bosses would, under no condition sign the agreement, and that a number of out of town non-union men were being put to work, they settled. What will become of the non-union men is not known at present. It is probable the Painters Union will demand that they be discharged.

The Painters Union will hold a meeting in their rooms in the Adelaide Building tonight to confirm the action taken by the Building Trades Council last night in regards to the settlement of the painters troubles.

MR. NELSON APPOINTED.

Is Made Inspector After Slight Argument 'Between the Aldermen.

Quite a controversy was stirred up in Council meeting last night when Alderman Toft proposed Rasmus Nelson as inspector on the Davidson avenue sewer. No sooner was the motion made than Mr. Gannon offered an amendment to Mr. Toft's motion, proposing the name of William T. Major.

It was explained that there had been an agreement whereby the members from the ward in which the work was being done had the choice of the inspector. Mr. Gannon stated that he had never been positively aware of such an arrangement, but, if such was the case, it would be satisfactory to him. Alderman-at-large Eckert confirmed this agreement, and Rasmus Nelson received the appointment.

FOR CHILDREN'S SUPPORT.

Special to Evening News

New Brunswick, July 7.—Mrs. Lizzie Papovic, a widow with three children, Annie twelve years old, George four, and Michael four months, stated that each of them had \$487.51 in the bank, and that, as she was in want and without visible means of support, she wished to make application for \$1.50 a week from each account, or \$4.50 in all. It was granted by Judge Fort.

MAY START ANOTHER PETITION.

Some Property Owners on Rector Street Determined to Have that Thoroughfare Improved.

REMONSTRANCE FILED.

Forty-Nine Property Owners Along the Thoroughfare Object to the Pavement and New Petition May Leave Out the Block Between Smith and Market Streets.

The movement to pave Rector street with the wooden paving blocks was ended for the present at least, last night, when a remonstrance, signed by forty-nine persons, was read at the meeting of the Board of Aldermen. It is rumored that another petition for the paving of the thoroughfare will shortly be started, leaving out that section of the street between Smith and Market streets, where nearly every property owner signed the remonstrance. It is claimed that outside of the single block just mentioned, a majority of property owners can be secured and the street can be paved from Market to Lewis streets.

The agitation to pave Rector street with wood paving block has been on for some time. When the movement was first started the objection was made that to grade and straighten the street would spoil the shade trees. Others were opposed to the material to be used.

This is the second remonstrance to be filed. The first one was thrown out because of a ruling by City Attorney Hommann to the effect that an ordinance must first be passed before remonstrances can be received.

Many residents on the street are determined to have the street paved and they say that if property owners in one section do not want the improvement, they will be left out and the paving started at a different corner.

BIDS WERE OPENED FOR SCHOOL SUPPLIES.

Special Meeting of Board of Education Held Last Night to Pass Warrant for Contractor.

A special meeting of the Board of Education was held last night to pass a warrant of \$4,000 in favor of Contractor Ira R. Crouse, who is building school No. 6.

The Board also opened bids for the school supplies which had been received from two dealers. After they were read they were laid over until the regular meeting. The bids were from Moore Bros., \$1,397.33, and from Frank Neer, \$1,470. Both dealers agreed to deliver the supplies at the school buildings.

McCLELLAN'S CLAM BAKE.

Firemen will Have Grand Outing on July 19—Big Time Anticipated.

The members of George B. McClellan Hose Company will hold their 8th grand annual clam bake at Q. W. Grove on July 19. Anyone who has attended a bake given by the McClellan fire laddies know what to expect and a large crowd will doubtless attend.

At the last meeting the following regular committee was appointed to make all the arrangements for the bake: John McGram, chairman. John Dunham, John Hallahan, Peter Martin, Terrence Quinlan, John Reardon, Paddy Rocks, M. A. Noonan, and William Quigley.

The Butcher Clerks baseball team and the Grocery Clerks baseball team will meet on the Smith street enclosed grounds tomorrow afternoon.

VIOLATED THE EXCISE ORDINANCE.

North Amboy Saloon Keeper in Clutches of the Law for an Alleged Assault.

SUNDAY DISTURBANCE.

Two Men Said to Have Been in his Place and Were Struck Over the Head With a Cue—Made Complaints Against the Proprietors—Hearing Was Held This Morning.

In the police court this morning, Adam Laskowski, a saloon keeper of North Amboy, was arraigned on four charges. There was a charge of violating the excise ordinance, one of violating the pool ordinance, and two charges of assault, preferred by George Zetler and William Tomanski. These men, it is averred, went into Laskowski's place on Sunday, and after having a few drinks, started to play pool. Some dispute arose, and, according to the testimony, the proprietor struck them with a billiard cue. Tomanski was hurt so badly in the fray that he was unable to appear in court yesterday when the complaint was first made, but both were on hand this morning.

Laskowski was held under \$100 bonds on each charge of assault, and was fined \$20 for violating the excise ordinance.

Rome: 1 o'clock p. m.—Pope Leo is dying. He was operated upon this morning to relieve the pleura. Dr. Lapponi has given up all hope.

OPENED BIDS FOR NEW WATER MAIN.

Aldermen will Meet Again Thursday to Consider Them—Six Bidders Present Figures.

The city fathers last night received bids and proposals for the laying of a 24-inch water main from the stand pipe at Runyon to the Raritan river. There were six bidders, as follows:

Patrick T. Plunkett, Jersey City; Patrick Faughnan, Elizabeth; Willard F. Inman, New York; Merritt & Chapman Derrick & Wrecking Co., New York; John A. Sylvester, New York; F. N. Lewis & Co., Astoria, L. I.

The council took a recess to consider these bids, but the matter was laid over until the special meeting, July 9.

FIRE TEST.

Copper Works Alarm Sounded and Men Responded Quickly.

At 7 o'clock last night an alarm of fire was sounded at the Raritan Copper Works by the private fire alarm. The box number was 24 which is the copper storage building. When the company's fire department responded they found that it was only at test alarm. The boys responded very quickly and if there was a fire they would have been able to do good work.

BANKING HOURS:
SATURDAY 9 to 12.
OTHER DAYS 9 to 3.
MONDAY and SATURDAY EVENINGS 7 to 8. Holidays excepted.

At the council meeting last evening, Alderman Campbell made a motion that the chief of the Fire Department, W. G. Comings, be requested to appear before the board at the next regular meeting and explain the refusal of Lincoln Hose Company to attend fires without horses.

Since the first time that thing happened, there has been widespread discussion throughout the city as to whether or not this company was justified in remaining in its house until horses were secured. Alderman-at-large Eckert said it had been reported that Lincoln Hose Company had been ordered to remain in their house unless horses could be secured. He said it was up to the fire committee to make such an order and Mr. Campbell, the chairman, stated he had never given such an order and he wanted to know where it came from.

Mr. Campbell seconded his first suggestion by saying that that was his object in bringing the discussion before the board.

Alderman Runyon said, in course of the discussion, that they should attend every fire whether they have horses or not as their carriage was light and easily pulled.

Mr. Gannon urged that the chief attend a committee meeting instead of an open one, but no action was taken further than the request for him to attend the next regular meeting.

The Committee on Fire offers motion to the effect that the city advertise for bids to furnish the city with two combination wagons to carry the chemical apparatus, hose, and one or two small ladders. Also one hand hose wagon, and one truck. The bids are to be received August 3.

FIRST DAUGHTERS OF ZION.
