BAZAR OPENED.

Gov. Sayers inaugurates the Bazaar for Galveston's Needy.

New York, Oct. 16.—Galveston's homeless orphans were generously remembered by a large number of prominent persons at a bazaar given Monday night in the big ballroom of the Waldorf-Astoria. In the throng that crowded the gaily decorated room were representatives of the United States army and of foreign governments and many beautiful women in attractive gowns added to the picturesque effect of the scene. It was the opening night of the bazaar, which is given by the New York Journal, aided by many society women, and the visitors contributed liberally to the cause, purchasing many articles and taking chances on everything from dolls to horseless carriages.

Before Lieut. Gen. Nelson A. Miles introduced Gov. Joseph D. Sayers of Texas, whose address was followed by one given by Gen. Joe Wheeler, the patrons wandered about the ballroom and looked at the booths.

The most elaborate were the booths of the daughters of the American Revolution, which represented the historic Washington home at Mount Vernon, and the Oriental booth, which fairly bewildered one with its maze of lamps, gay-colored tapestries and young women in costumes of the orient. Mrs. Donald McLean was chairman of the former booth, and many of the women in it were dressed in quaint colonial style. Marie Cross Newman was chairman of the Oriental booth, and Mrs. Timothy L. Woodruff presided over the Brooklyn booth. The Syrian booth formed an interesting annex to the Brooklyn booth. Other booths and their chairwomen were: Floral—Mrs. John G. Carlisle. Golf—Mrs. Ronald A. Stuart. Perfumery—Mrs. Chas. F. Adee. Art—Mrs. Bruce Crane. Toys and Dolls—Princess Auerberg. Flag—Mrs. Heden M. Gardner. Caddy—Mrs. E. Parmler Brown. Music—Mrs. Wadsworth Vivian. Collation—Mrs. Glelow. Actresses—"Aunt Louisa" Elderidge. Gen. Miles, with Mrs. Roger A. Pryor, headed the procession which crossed the floor at 8:30 o'clock and marched to the boxes. Besides them in the line were Gov. Sayers and Mrs. Miles, Gen. John R. Brooke and Mrs. C. I. Wilson, Col. C. I. Wilson and Mrs. Deane, Col. and Mrs. J. W. Deane, Col. and Mrs. Moore, Don Manuel De Aspiroz, Mexican Ambassador, and Mrs. Page Myers.

Got It Done.

An intelligent-looking boy walked into a grocer's shop the other day, and reading from a paper, said:

"I want six pounds of sugar at 2 1/2 a pound."

"Yes," said the shopman, "that will be one and three halfpence."

"Eleven pounds of rice at 1 1/2 a pound."

"One and fourpence halfpenny," commented the grocer.

THE TURN OF LIFE.

The Most Important Period in a Woman's Existence.—Mrs. Johnson Tells How She Was Helped Over the Trying Time.

Owing to modern methods of living, not one woman in a thousand approaches this perfectly natural change without experiencing a train of very annoying, and sometimes painful symptoms.

"DEAR MRS. PINKHAM:— I have been sick for a long time. I was taken sick with flooding. All my trouble seemed to be in the womb. I ache all the time at the lower part of the womb. The doctor says the womb is covered with ulcers. I suffer with a pain on the left side of my back over the kidney. I am fifty years old and passing through the change of life. Please advise me what to do to get relief. Would like to hear from you as soon as possible."— MRS. CHARLOTTE JOHNSON, Monrovia, Ohio.

"I have been taking your remedies, and think they have helped me a great deal. I had been in bed for ten weeks when I began taking your Vegetable Compound, but after using it for a short time I was able to be up around the house. The aching in the lower part of my back has left me. The most that troubles me now is the flooding. That is not so bad, but still there is a little every day. I am not discouraged yet, and shall continue with your medicine, for I believe it will cure me."— MRS. CHARLOTTE JOHNSON, Monrovia, Ohio.

"I send you this letter to publish for the benefit of others. I was sick for about six years so that I could not do my work. For three months I could not get on long enough to have my bed made. I had five different doctors, and all said there was no help for me. My trouble was change of life. I suffered with ulceration of the womb, pain in sides, kidney and stomach troubles, backache, headache, and dizziness. I am well and strong, and feel like a new person. My recovery is a perfect surprise to everybody that knew me. I owe all to Lydia E. Pinkham's Vegetable Compound. I would not do without your medicine for anything. There is no need of women suffering as I did. They would take your remedies, for they are a sure cure."— MRS. CHARLOTTE JOHNSON, Monrovia, Ohio.

"When one stops to think about the good Mrs. Johnson derived from Mrs. Pinkham's advice and medicine, it seems almost beyond belief; yet it is all true as stated in her three letters published above at her own request. As a matter of positive fact Mrs. Pinkham has on file thousands of letters from women who have been safely carried through that danger period 'Change of Life.' Mrs. Johnson's cure is not an unusual one for Mrs. Pinkham's medicine to accomplish.
