CANCER CURED

LIFE SAVED
By the Persistent Use of
Ayer's Sarsaparilla

"I was troubled for years with a sore on my knee, which several physicians, who treated me, called a cancer, assuring me that nothing could be done to save my life. As a last resort, I was induced to try Ayer's Sarsaparilla, and, after taking a number of bottles, the sore

began to disappear and my general health improve. I persisted in this treatment, until the sore was entirely healed. I took Dr. Miles' Restorative Nervine and the second night slept two hours and from that time on my health improved: slowly at first, but steadily and surely.
