## TRAIN DISPATCHERS STRIKE

NEW YORK, N. Y., September 29.—The headquarters of the democratic state committee in the Bartholdi hotel was a scene of greatest activity, early this morning. Hundreds of people were there, and all had come with the express purpose of seeing Mr. Bryan, but very few, unless they proved that they had business with him, met with success.

Mr. Bryan retired very late last night, and did not arise until 9:30 o'clock. While at breakfast, he read his mail. At 10:15 he gave an audience to newspaper men in his room on the second floor of the hotel. Mr. Bryan stood in the center of the room and shook hands with each man as he entered. When asked if he had abandoned the state of Ohio, as one of the papers stated, he answered if he had, he did not intend telling any reporters about it.

NEW YORK, N. Y., September 29.—Mr. Bryan would not discuss the democratic nominations made last night. He expressed himself as being very well, and declared that, except a little hoarseness, he felt no evil effects after the meetings of last night. While talking, a huge bunch of red roses, tied with red, white and blue ribbons, was sent to him by a admirer.

NEW YORK, N. Y., September 29.—Candidate Bryan had a conference with Chairman Jones, Chairman C. J. Faulkner, of the democratic congressional campaign committee; Treasurer W. P. St. Johns, Senator Gorman, Elliott Danforth, and other democratic leaders before he left this afternoon for Jersey City. All arrangements for the big mass meetings to be held to-night at Tammany Hall and in that neighborhood are complete.

LONDON, England, September 29.—Alderman George Faudet Phillips was elected lord mayor of London, to-day.

WASHINGTON, D. C., September 29.—The president has denied the application for pardon of Arthur D. Andrews, convicted in California in March, 1894, of depositing obscene letters in the mail, who was sentenced to three years imprisonment.

WALL STREET, N. Y., September 29.—Speculation opened weak and lower, prices declining 3/4 to 1/2 per cent, tobacco leading. There was some pressure to sell grangers, international and sugar, but the loss in these stocks was unimportant. St. Paul sold at 10 3/4 to 1/4 on extra dividend.

WASHINGTON, D. C., September 29.—President Cleveland to-day completed the committee authorized by congress to determine the correct location of the boundary lines of the Klamath Indian reservation in Oregon, by the appointment of Richard F. Hammond, jr., of San Francisco.

NEW YORK, N. Y., September 29.—Herbert Booth King & Brother, advertising agents, assigned to-day. They had been in business thirteen years, and last December claimed to be worth \$100,000. They were also interested in the Herbert Booth King Publishing company, which published a paper called Fashion, started in 1891.

ST. LOUIS, Mo., September 29.—The local committee having charge of the conventions of the national association of democratic clubs and of the silverites, which were to have been held to-day, but have been deferred until Saturday, are busy at work perfecting arrangements. The hotels have received a large number of requests for reservations.

NEW YORK, N. Y., September 29.—The North German Lloyd's steamer 'Saale' arrived at Sandy Hook early this morning and grounded on the edge of Flynn's knoll, after rounding Southwest spit. Her engines were reversed and kept working at full speed astern, and after five hours, she slid into the channel without assistance and uninjured.

CANTON, Ohio, September 29.—A large delegation of old soldiers from the state soldiers' home at Sandusky, arrived here on the Baltimore & Ohio road at 12:30 to-day. It was raining heavily and the visitors were escorted to the opera house. President Hopkins, of the soldiers' McKinley club, and L. W. Pull were spokesmen. Major McKinley made a speech in response to their addresses which was full of feeling.

CHICAGO, Ill., September 29.—Between three and four hundred of the leading fire underwriters of the west and northwest took part, to-day, in the opening of the Auditorium of the twenty-second annual convention of their organization. President George N. Lovejoy called the gathering to order and announced that tornado rates and the question of excessive taxation were among the matters to be discussed.

## SHOT UP THE FAMILY.

James Newton Shoots Several Members of His Wife's Family.

HOUSTON, Tex., September 29.—At 10:30 o'clock last night, James Isaac Newton walked into the home of his father-in-law, Thomas L. Lyons, with a pistol, and commenced shooting. Lyons was shot in the head, receiving a flesh wound. Mrs. Lyons, his wife, aged sixty, was shot in the right cheek, through the left arm and the left hand; Thomas W. Lyons, a son, aged thirty, was shot through the left side. The wounds of the son and of the old lady will probably result fatally. Newton married a daughter of Thomas L. Lyons fifteen years ago, but in July last, Mrs. Newton left her husband on account of bad treatment. He kidnapped their daughter, nine years old, last week, and when his wife refused to give him clothes for the child, he became enraged and last night went to the house intending to clean out the family. He shot three times at his own son, thirteen years old, but none of the shots took effect. Mrs. Newton was not present. Newton was disarmed by young Lyons, after the latter was shot, and held until officers arrived.

## UNION CIGAR-MAKERS.

The Tobacco Rollers are in Annual Session at Detroit, Mich.

DETROIT, Mich., September 29.—The business sessions of the twenty-first annual convention of the Cigar Makers' International union commenced to-day, with the president, Geo. W. Perkins, of Chicago, presiding. Among the delegates were Samuel Gumpers, president of the American Federation of Labor. Several hundred delegates, representing nearly 30,000 members in this country and Canada, were in attendance. The disbursements for the year, as shown by the annual report, are \$431,366. Allusion is made in the report to an organized attack upon the union by a secret junta in New York, known as "The Triangle," who misname themselves socialists. The Illinois delegates have prepared a resolution calling attention to the fact that the cigar factory at the Joliet penitentiary is running full blast, and that the factory number has been changed to 71, First District, Illinois.

NEW YORK, N. Y., September 29.—Candidate Bryan had a conference with Chairman Jones, Chairman C. J. Faulkner, of the democratic congressional campaign committee; Treasurer W. P. Doud, of this city, who claims to be chairman of the national silver party of Missouri, the silver clubs and independent silver clubs which will gather here next Saturday, will not take part in the convention of the national democratic clubs, as at first intended. A communication from the Holy Father will be read to the congress, which will issue an anti-Masonic address.

THE TEXAS RATE INVESTIGATION. ST. LOUIS, Mo., September 29.—The inter-state commerce commission resumed consideration of the petition of the St. Louis business men's league for a modification of the Texas rates, to-day. C. A. Parker, traffic manager of the Missouri Pacific, was the first witness, and was questioned by Attorney Orr. Mr. Parker rather surprised those in the court room by stating that it was his opinion that the reason why less than car-load rates were so much higher in proportion than car-load rates, was that no real effort had been made to have the rates changed. After hearing the testimony of a number of other freight agents, the commission took a recess until 3 p. m.

RANDOLPH-WHITNEY. Ex-Secretary Whitney and Mrs. Randolph Married at Noon, To-day.

BAR HARBOR, Maine, September 29.—St. Sauveur's Episcopal church was the scene of a brilliant wedding at 12:30 o'clock to-day, when Mrs. Edith Randolph was married to Wm. C. Mrs. Randolph asked a few friends verbally, who afterwards went to her home, "The Anchorage," for breakfast. Mrs. Randolph's brother, Fred May, attended to the church duties. Mr. Whitney was attended by Mr. Brun, Danish minister, and the bride was attended by her two children. The church was beautifully decorated and was thronged.
