THE UNION TICKET.

For Sheriff, HILARIO ROMERO. For Collector, CARLOS GABALDON. For Assessor, ADELAIDO GONZALES. For Members Council, JAMES S. DUNCAN. PLACIDO SANDOVAL.

TUESDAY EVENING, OCT. 20, 1896.

THEY WHO WOULD BE FREE. No reform, moral or intellectual, ever came from the upper class of society. Each and all came from the protest of martyr and victim.

DEMONSTRATION JUST THAT. If the government contracted a debt, with a certain amount of money in circulation, and then contracted the money volume, before the debt was paid, it is the most heinous crime that a government could commit against the people.

THE COUNTY TICKET.

THE OPTIC announced, immediately after the county republican convention, that it could not support the ticket there nominated, because that convention endorsed and adopted the St. Louis and Las Vegas platforms.

On the other hand, the union ticket, nominated by the convention which closed its labors on Saturday morning, stands squarely for good county government and has no entangling political alliances. The union party is not a political organization in any sense of the term.

These plans and purposes are to gather together, from all parties, those who demand better and more economical administration of our county affairs.

This is the sole purpose of the party, the one reason for the existence of the organization. That such movement was greatly needed, cannot be denied by any one familiar with the condition of affairs in San Miguel county.

It was determined to attempt the bringing together, the union of the best elements in all the old parties. How successful the effort has been, the convention of Saturday most emphatically declared.

THE MILK IN THE COCOANUT. The firm of Mosler, Bowen & Cook has one of the largest stores in the City of Mexico, a handsome new building with a stone front.

Mr. Cook, the resident partner, said to Trumbull White, a special writer for the Chicago Record, who is on a commission of inquiry in that country:

I am a firm believer in the single gold standard for the states, even though I know the remarkable prosperity and development that has come to Mexico through silver coinage.

SAN MIGUEL COUNTY has been judicially and economically governed in the past two years, and there is not the slightest doubt but that the people will continue the same party in power for another term.

When Officers Fall. Hood's Saraparilla, built up the weakened shattered system by giving vigorous action to the digestive organs creating an appetite, and purifying the blood.

Dr. A. W. Carnes delivered the address of welcome at a reunion of pioneers in Hutchins, Dallas county, recently. Among other things he said:

Mr. Stevenson, the contractor of Raton, pulled into Red River week before last with a corps of carpenters and is pushing ahead the frame work of the smelter.

This is what Salva-crea is doing. Wm. Taylor, Bishop of the Methodist Episcopal Church in Africa, writes: "New York, Nov. 2, 1895. I know SALVA-CREA to be an excellent remedy. I have proved its healing virtues, both for bruises and flesh wounds, and also to kill the virus of mosquitoes and chagras."

E. A. GARLINGTON, Major and Insp. General, U. S. A., writes: "WASHINGTON, D. C., Apr. 21, 1895. I have used SALVA-CREA for serious rheumatic pains in the muscles of my arm, which is disabled from a gun shot wound involving the elbow joint; relief was quick and complete."

E. G. ISAACICS, Pay Office, Navy Yard, writes: "BROOKLYN, N. Y., Aug. 3, 1895. Having been a sufferer from troublesome Piles, and not only obtaining immediate relief, but also safely cured, I cheerfully recommend SALVA-CREA to those suffering likewise, and hope it will afford them the same relief that it has me."

SALVA-CREA does just what it is advertised to do. Two sizes, 25 and 50 cents per box. At druggists, or by mail. For despatched pain and rheumatism of the feet, the feet, the feet, the feet. Sold in tin of 10 cents each. THE BRANDERIE CO., 974 Canal St., N. Y.

THE POLITICAL HOT-BED.

"The Optic's" Correspondent Over in Santa Fe Gets on the Inside, in Matters Political.

SANTA FE, N. M., October 19, 1896. St. Catron is somewhere in the northern part of the Territory trying to fix things to his own liking. Nobody here seems to know exactly where he is, or what he is doing.

Leading republicans and populists here are bitter against Prince. They say he is a coward and has played them all tricks that are unworthy in a politician of experience and who wants to pose as a leader.

At republican headquarters they fear that the ticket nominated by the populists and silver republicans in Socorro county will hurt Catron and loose the legislature and they blame it all on Prince, and say he is behind it with his usual "sneakery."

How many young men and young women are cut off just when the future seems brightest and fullest of promise! They are taken away by a disease which doctors call consumption. There is absolutely no reason in the world why consumption should be fatal—why it should be even serious.

Wish to state to the good people of Las Vegas and vicinity, that the means for building the Sanitarium have been provided for, but we are dependent on the generosity of the public to accomplish this purpose; and desire to state that we do not expect to get the necessary amount by large donations, but by the sale of the many. Hence, we hope that none will refuse to assist us. This is a public institution which will be benefited, and in which all should feel an interest.
