## DEMOCRATS ARE HOPEFUL

Bryan Compliments Nebraskans on the Work Done for the Silver Cause.

## THE M'KINLEYS RESTING

LINCOLN, Nebraska, November 5.—Mr. Bryan is not yet ready to give out any statement concerning the election. He received a telegram from Senator Jones, this morning, saying that the result would be doubtful until the votes of certain states are determined. This afternoon Mr. Bryan will make a public statement about the democratic victory. He is making no concessions as to the general result.

LINCOLN, Neb., November 5.—Mr. Bryan refused to be interviewed on the general election saying that until the result was finally decided it would not be proper for him to express an opinion, but he gave out to-day the following interview on the situation in Nebraska:

"The result in Nebraska is very gratifying. We have had great obstacles to overcome and yet in spite of all these obstacles, we have secured a majority of 10,000 or 15,000 for our electoral ticket and have elected the entire state ticket and also at least 4 and probably 5 members of congress out of the 6 and have elected a good working majority in both branches of the legislature. The democrats, populists and silver republicans have worked together in perfect harmony and they share the victory together. The gold standard democrats, by collusion with republican elements, secured a place on the ballot as the 'democrats' and deceived a few voters, but the attempted fraud was called to the attention of the voters and the evils reduced to a minimum. It is safe to say that almost the entire Palmer vote was cast, because the gold democrats here, as elsewhere, voted almost unanimously for the republicans. I am proud of Nebraska and grateful to the friends in this state for their loyalty. No cause ever had more devoted supporters than the silver cause had in Nebraska. Having control of the legislature machinery in this state we should be able to so reform our ballot laws as to prevent the frauds which have been perpetrated under it, and we shall also be able to secure legislation which will protect the voters from coercion and intimidation. The people of Nebraska have cause for rejoicing. The good effect of our victory in this state will be felt for years to come."

CHICAGO, Illinois, November 5.—Chairman Jones, this afternoon, said: "We do not propose to give up the election until we actually know the result. The people in every state are entitled to an honest count. An election has been held and the American people are entitled to know what has been the result. In a number of the states the populist vote is not being counted. Every honest vote in every state must be counted. It would be absurd and foolish for me to make any official statement so long as there is any doubt concerning either the result or the honesty of the count in any state."

CHICAGO, Illinois, November 5.—Chairman Jones, of the national democratic committee, said this morning that he would not concede victory to McKinley until the returns positively showed it. Early reports received at the democratic headquarters to-day practically concede the states of West Virginia and Oregon to the republicans and the democratic leaders have no hopes of carrying the election without them. At 10 o'clock this morning, Mr. Jones received a telegram from J. J. Dwyer, national committeeman in San Francisco, saying that California would give Bryan a small majority. At republican headquarters, the state is claimed by a large plurality as are also the two Dakotas. The conditions in Indiana, it is insisted upon at democratic headquarters, are such that if the result proves unfavorable to Bryan, a contest would be made. It is claimed in a number of private telegrams to Mr. Jones that the middle-of-road populist ticket was not entered in the count for Bryan.

CHICAGO, Illinois, November 5.—Democratic National Committeeman Johnson, of Kansas, said this morning: "There are few favorable reports received to-day. West Virginia and Oregon are almost certainly republican. Without these states even Indiana would not win the election for the democrats and we can as well now admit defeat. There is scarcely a possibility of victory, and Chairman Jones has little hope of carrying the election for Bryan. Unless Mr. Jones receives more favorable reports before night, he will probably issue a statement in which he will acknowledge defeat."

LOUISVILLE, Ky., November 5.—According to the latest returns received by the Courier Journal, Kentucky gives Bryan a plurality of 2,180, with only thirty precincts missing. Leslie, republican, and Knott, democratic, are the only entire counties missing. Many of the missing precincts are republican.

At 10 o'clock, Democratic Chairman Sommers claimed Kentucky for Bryan by 2,000 to 3,000. He has heard from every precinct, but refuses to give out the figures.

LOUISVILLE, Ky., November 5.—Complete returns from Bell county increase McKinley's plurality in the state to 289.

RALEIGH, N. C., November 5.—Official returns give a complete fusion victory on the whole state ticket, with the exception of Kitchin, democrat, for congress, in the fifth district, who defeats Settle, republican, by a small majority. Russell, republican, for governor, will have 25,000 majority. The state goes for Bryan by a small majority.

FARGO, N. D., November 5.—Only four counties in the state have been completely canvassed but they are good indicators as to the way the election will go. Fusionists now concede the state for McKinley by from 1,500 to 2,000 majority.

YANKTON, S. Dak., November 5.—The latest returns at the republican state headquarters are more favorable to the republicans. The majority of 1,000 has been maintained. The legislature is popular and will elect a free silver United States senator.

## FITZHUGH LEE ARRIVES

CHICAGO, Illinois, November 5.—The Chicago Stock Exchange, which has been closed since August 4th, as a result of the failure of the Moore Brothers, and the ensuing complications in which the Diamond Match and New York Biscuit stocks were involved, re-opened to-day by order of the governing committee, and a large number of members and operators gathered in the Exchange hall, this morning. There were no developments in the opening hour, but it is expected that, as a result of the conditions under which the Exchange so suddenly closed, there will be a number of small failures and sales under the rules. These, however, will have no effect upon the situation except to clear up the atmosphere.

At the opening everything on the list sold at better prices than was expected. Diamond match which sold at 2.22 when the exchange closed, brought 1.30 at its lowest point to-day. The bid price for New York biscuit to-day was 92, against 97 on August 3rd.

A Royal Wedding. VIENNA, Austria, November 5.—Prince Louis Philippe Robert d'Orleans was married, this forenoon, to Arch-Duchess Marie Dorothea Amelie, of Austria, the ceremony being performed in Hoffburg chapel at 11 o'clock in the presence of Emperor Francis Joseph, and the Queen of Portugal, sister of the bride-groom, and a number of Austrian and foreign royalties.

Gen. Fitzhugh Lee Arrives. NEW YORK, N. Y., November 5.—Gen. Fitzhugh Lee, accompanied by his private secretary, arrived here from Havana on the steamer "Vigilantia," which remained in quarantine until morning. General Lee, upon being interviewed, said that his health had been excellent. His stay in Cuba was pleasant, although the duties of the position were exceedingly onerous. He declined to talk about the Cuban question, even in general terms. He will go to Washington at once.
