A THING OF THE PAST

Some Pugilistic News, This Afternoon, That Will be Read With Little Interest.

EARLY BLAZE AT LINCOLN

The Spanish Press Impatient at the Senatorial Debates on Cuban Belligerency.

OIL IS STRUCK IN KANSAS

WASHINGTON, D. C., March 14.—The overwhelming public sentiment in the United States against pugilistic encounters, as evidenced in the suppression of the Corbett-Fitzsimmons match in Texas and Arkansas, and the passage of a federal law prohibiting such meetings in the Territories, to say nothing of the determined attitude of the authorities of the state of Chihuahua, in Mexico, in relation to the Fitzsimmons-Maher contest, appears to have attracted attention and interest on the continent of Europe; for a private letter from Athens states that the boxing bouts have been stricken out of the program of the revival of Olympian games scheduled to take place near that city, early next month.

On the original program, the fifth day of the carnival was to have been devoted to exhibitions of pugilistic skill, and which it was expected would prove one of the most interesting features of the event; but, as a result of the unanimity of opinion between the director general and the committee of arrangements, the feature is to be dispensed with, on the ground that it is not in harmony with the enlightened civilization of this generation.

New York, N. Y., March 14.—Dan Stuart has offered Julian a \$12,000 purse for a battle between Jim Corbett and Bob Fitzsimmons, and guarantees against any interference, whatever. Julian has refused to notice Corbett until the latter has defeated Peter Maher.

Paid the Penalty. PEKIN, Ill., March 14.—Albert Wallace was hanged here, to-day, for the murder of his sister.

Struck Oil. HOWARSON, Kansas, March 14.—Oil prospectors struck a fine flow here, to-day. The excitement over the discovery is intense.

Severe Earthquake. VALPARAISO, Chile, March 14.—A number of severe earthquakes in rapid succession, were felt here last evening and created much alarm among the people.

A Mantle of White. KANSAS CITY, Mo., March 14.—A severe snow storm has prevailed in Kansas and western Missouri. In some localities travel has been greatly impeded.

Murder and Suicide. YONKERS, N. Y., March 14.—Alexander Newtley killed his sixteen-year-old step-daughter and then suicided. He was tried of his wife and became an enemy of the girl, who spurned him to the last.

Anti-Tobacco Law. COLUMBUS, Ohio, March 14.—The Ohio legislature has passed a bill, to take effect immediately, prohibiting the sale of cigarettes, cigars or tobacco to minors, under penalty of fine and imprisonment.

Not Long for This World. CINCINNATI, Ohio, March 14.—Father Dominick O'Grady, who killed Mary Gilmartin because she persistently endeavored to escape his attentions, has been pronounced very feeble. He cannot live long.

Morning Blaze. LINCOLN, Neb., March 14.—Ackerman & Co., wholesale dealers in millinery, burned out this morning; loss, \$50,000; insurance, \$40,000. Four roomers in the building were removed in an unconscious condition.

Blackburn and Boyle. FRANKFORT, Ky., March 14.—There were no signs of turbulence at the meeting of the legislature, to-day. The usual ballot resulted in no choice. Blackburn and Boyle are still the leading candidates for the U. S. senatorship.

Fixed For War. MASSOWAH, Italy, March 14.—The regus of Abyssinia has reviewed 500,000 troops in the presence of the Italian peace envoy, and has exhibited an ample supply of provisions to convince the Italian of his ability to prosecute the war.

Beat at His Own Game. MORTON PORT, Wash., March 14.—In this city, Harry Finnich broke Vogel's gambling house, shooting craps. Vogel attempted to kill him for not returning the money. Vogel's bullet wounded Finnich, who exchanged several shots with him before Vogel was arrested.

A Battle Fought. MANAGUA, March 14.—The Nicaraguans fought a battle with the insurgents, yesterday, at Pital. The government forces numbered 1,200, the rebels, 1,500. The latter were completely routed with a loss of 260 killed and wounded. The national loss was fifty killed and wounded.

The Press Impatient. MADRID, Spain, March 14.—The Spanish papers are impatient over the long debates in the U. S. senate on the Cuban belligerency. It is claimed by them that their country is kept in continual suspense, some of the papers strongly criticizing the false reports issued by President Cleveland, small results being reached there.

Against the Favorite Son.

NEW YORK, N. Y., March 14.—In view of the favor of national politics involved in the republican county primaries next Monday, this spoke of the political whirligig is attracting an unusual amount of attention. Although the county organization, on the surface, is heart and soul for Governor Marton, there is a suspicion of an undercurrent of sentiment on the part of a small but troublesome minority in favor of some other entry in the presidential race, other than that of New York's favorite son. There is some foundation for the belief that the Union League element of the republican party in New York City favors Major McKinley; whether as first choice or second to Governor Marton, is a question for the Platt people to conjure with.

Out on Bonds. CHICAGO, Illinois, March 14.—The stay of enforcement of sentence granted by Judge Grosvenor to ex-Editor Joseph K. Danlop, of the Dispatch, expires to-day, but the case has been taken out of the hands of the district federal court by the action of Justice Brown, of the United States supreme court, in ordering that a writ of error should operate as a supersedeas until such time as the supreme court itself can examine the briefs and determine whether or not a new trial should be granted. Unless the case is advanced on the docket, it may not be reached inside of two years, and in the meantime, Mr. Danlop will be free on bonds of \$10,000.

Consecration Postponed. SCRANTON, Pa., March 14.—Owing to the fact that the previous plans of Cardinal Stollh, Archbishop Ryan, Cardinal Gibbons and other dignitaries of the Catholic church, who are to participate in the ceremonies attending the consecration of the Rev. M. J. Hoban as coadjutor bishop of Scranton, were disarranged by the death of Archbishop Kenrick, at St. Louis, last week, the consecration will not take place to-morrow, as was intended. Rev. Father Hoban has expressed a wish to have the ceremony postponed until the first week in May, but as Bishop O'Hara is desirous of an earlier date, the consecration will probably take place next month.

The Hastings Boom. YORK, Pa., March 14.—The boom of Governor Daniel H. Hastings as a candidate for the first place on the republican national ticket, will receive a lift, to-day, at the primaries being held in this county, to select delegates to the state convention, to be held on April 23rd. Through the influence of the governor's friends, the republican committee decided to request the voters to express their preference for president, and as this is a Hastings stronghold, the tickets of all factions are headed with his name under the caption, "For president of the United States."

Their Trip South. BALTIMORE Md., March 14.—Manager Hanlon, to-day, concluded the arrangements for the southern trip of the Baltimore ba club, and all the Orioles who were not already in the city, made their appearance, this morning, ready for duty. The team will leave, to-night, for Macon, Ga., which has been selected as the most suitable place for the club's practice. After two weeks spent in the Cracker state, the club will return to Baltimore in time to play the scheduled game with Ted Sullivan's champion team of the Texas league.

Catholic Benevolent Legion. NEW YORK, N. Y., March 14.—The annual convention of the supreme council of the Catholic benevolent legion of the United States opens here, to-morrow, and most of the delegates have arrived in the city. Prior to organizing for business to-morrow, the delegates will attend a celebration of high mass at the cathedral. The reports of the officers will show that the organization is in a flourishing condition.

Notice of Dissolution. The co-partnership heretofore existing between George V. Reed and Smith C. Orwick, under the firm name of Reed, Orwick & Co., is this day dissolved by mutual consent. G. V. Reed & Co., will continue the business and will settle and receive all accounts of the firm.

DISEASE IN DENVER

An Epidemic of Typhoid Fever at the County Hospital, in That City.

"CHEROKEE BILL" TO HANG

A Singular Breach-of-Promise Case Attracts Attention in the Dublin Court.

THE SUIT OF MRS. LANGTRY

DENVER, Colo., March 14.—An epidemic of typhoid fever is reported among the attending physicians and nurses at the Arapahoe county hospital. Joseph K. Danlop, the banished editor, training school nurses, two porters and two laundresses are suffering from the disease and all efforts to discover the cause of the contagion have proved fruitless.

Relates to Interiors. WASHINGTON, D. C., March 14.—The president refuses to interfere in the case of Crawford Goldsby, alias "Cherokee Bill," under sentence to hang at Fort Smith, Ark., next Tuesday for murder.

Not Observed as Usual. NEW YORK, N. Y., March 14.—A dispatch from Rome says: To-day is the fifty-second anniversary of the birth of King Humbert, but the elaborate fetes in this city and other parts of the country that had been planned in celebration of the event, have been abandoned, by the king's express desire, as a result of the defeat of Italian troops in Abyssinia and the resultant political crisis, and outside of the display of flags on the quinal and municipal buildings, there is no recognition of the anniversary.

Mrs. Langtry's Suit. NEW YORK, N. Y., March 14.—A London dispatch says Lord Chief Justice Russell will preside at the forthcoming trial of the suit brought by Mrs. Langtry against the Union Bank of London, to recover the sum of \$200,000, representing the value of the jewels belonging to the celebrated actress, which were deposited with the bank for safe keeping, and given up by the superintendent of its safety vaults, upon the presentation of an order alleged to have been forged. The trial, which will probably commence on Monday or Tuesday, promises to be hotly contested.

A Breach of Promise Case. LONDON, England, March 14.—A singular breach of promise case, in which the usual order of things is reversed and the woman is the defendant, has attracted universal attention in the Dublin divorce court, this week. The complainant in the case is William Tavorner, captain of one of the Atlantic steamships, and the defendant from whom \$5,000 damages is sought is a Miss O'Sullivan, the daughter of a former member of parliament. From the evidence brought out in the trial, this week, it appears that the promise is not denied by the young lady, but that it was made on condition of her receiving permission from the authorities of the Roman Catholic church, to which she belongs. This permission was promptly refused by the church, on the ground that Captain Tavorner was a Free Mason.

TRACK AND TRAIN. A. F. Benedict and his bridge gang returned from the north, last evening. Switchman Cramer is on the sick list and his place is being filled by Milo Wilson. The Atchison company saved another \$3,500 by closing the shops along the line, this afternoon.

Charles Stephenson, took Conductor J. A. Murray's run north, to-day, his own place on the springs run being filled by J. J. Bresnahan, of Reno. It is rumored that the train dispatcher's office of the Atchison, at Wellington, Kansas, which was abolished several weeks ago, will be re-established.

Dr. Steinberg, a surgeon in the employ of the Atchison company in Chicago, returned to the El Porvenir resort, this morning, from a visit to this city. Ex-Trainmaster C. H. Winters, of the Atchison, who, prior to the abolition of his office, was stationed at Wellington, has accepted the position of train dispatcher at Emporia.

Robert Faulkner, who is familiarly known as Ike Wiper, an Atchison machinist at the railroad shops in this city, is down with the pleurisy, at the employes' hospital, on the hot springs branch.

Robert Dennis, for some time past stenographer in the master mechanic's office, at Raton, has taken a similar position in the office of Superintendent Hartman, at Wichita. Robert Clark, of Topeka, has taken the position at Raton. Locomotive 439, which had been in the drop pit at the Las Vegas round house for two weeks, was sent out on No. 35 freight train, Wednesday. At Rivera station, she got out of train and had to abandon the train she was hauling under difficulties.

John Wallace, the depot policeman, this morning, a Mexican who gave the name as Abram Chibe, of Oate, he was found in the railroad yards, where the switch engine was compelled to stop several times to save him from being run over by the cars. He was disabled, upon promising to lead a sober life, at least while in Las Vegas.

Three of Denver's largest stock brokers failed, to-day, caused by "Blue Jay" mining stock advancing from six cents to twenty-five cents, and then falling back to one cent.
