To Pacify Cuba. LONDON, England, March 19.—It is reported from Madrid, that the Spanish government considers the pacification of Cuba impossible, except by largely increasing the force of troops there, and forming a complete blockade of the island.

Annual Dog Race. ST. LOUIS, Mo., March 19.—The annual national coursing meet, under the auspices of the St. Louis club, opened to-day at Brentwood park, and will continue for three days. Basil Hayman, of Chicago, is judge, and D. J. O'Callaghan, of St. Louis, is scribe. The chief events are the Missouri cup, for thirty-two greyhounds, the St. Louis cup for eight dog sappings, and the Brentwood cup, for eight bitches.

Kentucky Will Co-Operate. LOUISVILLE, Ky., March 19.—More than 100 delegates representing every county of Kentucky, met at the rooms of the Commercial club, to-day, in response to Governor Bradley's call for a meeting to take action relative to the proposed Chicago and southern states exposition. Mayor Todd welcomed the delegates and called the meeting to order. Views were expressed concerning the part Kentucky should take in the enterprise, and committees appointed to take charge of the preliminary work.

They Had a Good Time. NEW YORK, N. Y., March 19.—Thirty-one cattlemen who engaged homeward passage on the steamer "Mobile," broke into the steamer's stores, secured a large quantity of Scotch and Irish whisky, and had a wild drunk all the way across the Atlantic. Sailors who attempted to quell the disturbance were roughly handled. Officers locked the drunken outfit up by themselves, and they drank and fought all the way over. In the absence of positive evidence the entire party escaped punishment.

Battle With Robbers. TULARE, Cal., March 19.—Two men who attempted to rob the south-bound New Orleans express near here, early this morning, were betrayed by their companions. Although closely limited as to rounds, the battle promises to be a hot one. A number of Chicago sports accompany Choyanski to New York.

Judge Bantz Over-ruled Motion For New Hearing, Approves Raymond's Bond.

SEIZURE NOT PROBABLE.

Cuban Resolutions Still in Their Position Through Persistence of Friends.

THE W. C. T. U. ARE MAD.

Special Telegram to the Optic. LAS CRUCES, N. M., March 19.—Hearing on contest case before Judge Bantz terminated to-day. The judge re-affirms former decision. Raymond's bond approved, and he assumes charge of the sheriff's office at 9 a. m. to-morrow. Garrett will be appointed deputy at once.

LAS CRUCES, N. M., March 19.—Judge Bantz has denied the motion for a new trial, in the Donna Ana county shirivally case, and approved Numa Raymond's bonds as sheriff. This practically ends the Donna Ana county war. Raymond takes hold to-morrow, with Pat Garrett, who killed "Billy the Kid," as under-sheriff, and order will be enforced.

W. C. T. U. ARE MAD. They Don't Want the Military Instinct Cultivated in Our Youth.

CHICAGO, Ill., March 19.—A strong undercurrent of feeling, bordering on rancor and bitterness, has been aroused in the breasts of the leading women of the Women's Christian Temperance union, by the continued progress of the boys' brigades, and the rapid spread throughout the country of the movement introducing military drill in the public schools. As one of the leading spirits of the organization, in discussing the matter to-day, said: "We have done everything in our power to oppose the spread of the movement, and to foster the military spirit among the youth of the land, but the fact that it is growing, and at an alarming rate, is undeniable."

The latest outbreak of indignation in the neighborhood of the woman's temple was occasioned to-day, when a full copy of the bill recently introduced in the New Jersey legislature, providing for the organization of the "American guards," which guards are to consist of the school boys over eleven years of age, who are attending the public schools in the state, was received from the state W. C. T. U. of New Jersey. The bill provides that the boys shall be uniformed and equipped with arms in the same manner as the national guard, and shall be regularly inspected by a state official designated as the commander-in-chief. Under the provisions of the bill, the boys are to be furnished books of military instruction by the state board of education.

The bill is characterized by the W. C. T. U. as the most flagrant outrage yet perpetrated by those who are endeavoring to make of the United States an armed camp on the same principle as the countries of Europe.
