Miss Lizzie Hero, of Ocate, spent a week in Springer.

There is much activity just now in the mines of Colfax county.

Five car loads of machinery for the sugar factory reached Eddy.

Born, to Mr. and Mrs. Thomas Fennessey, at Eddy, a baby girl.

Prof. Selby, of Silver City, is spending vacation at Santa Monica, Cal.

The "North Homestake" mine, at White Oaks, is being worked with a small force and good ore is being taken out.

An excursion of 100 people are expected at Springer soon from the east to visit the Elizabethtown mining district.

One of the pioneer buildings of Springer was torn down to make place for the new double store building of M Heck.

Mills-Seaberg Co. have sunk a well in front of their new building on Third street, up at Springer. Good water, too.

The republicans of Eddy county held a mass meeting, at the court house, down there, to ratify the work of the national convention.

Two of four of the hunting party who left Silver City for the Sapello country, two weeks ago, returned, and report killing two bears.

T. J. Welch, a farmer just below Eddy, boasts the first home-grown watermelon, this year, it having been taken from the vine rich and sweet.

Ed Shields, who has been prospecting in the Hematite and Red river districts the past two months, returned to Raton and reports everything all right at those camps.

Col. G. W. Prichard and J. E Wharton departed from White Oaks for Socorro. They went to argue the Ozanne divorce suit, which was set for hearing July 3rd.

D. B. Powers and family, accompanied by his two sons-in-law, with their wives, left Maxwell City for a couple of weeks' camping and fishing in the mountains.

Miss Seena Hansen, sister-in-law of the Springer blacksmith, F. C Peterson, arrived there from Rone, Wisconsin, and will sojourn in that place for an indefinite period.

H. C. Ritchie, of Haskell, Texas, a jeweler, and residing in Springer some seven years ago, conducting a jewelry and repairing business, has again decided to locate up there.

Messrs. Lieb, Glass and Nash left Springer on a pleasure trip to the mountains. They expect to engage mostly in fishing and hunting and will be absent several weeks.

A race between horses owned by Lewis Friday and Samuel Gorman was run at Eddy. The distance was 300 yards and the stake $30. Friday's horse won by about twenty feet.

Mrs. William Hamilton and daughters, of Allegheny, Pennsylvania, mother and sisters of Assistant General Manager Hamilton, arrived in Eddy, and will spend the summer there.

Died, in Oakland, Cal, William E. Lamb, husband of Anne Platt Lamb and only brother of Miss Irene Lamb and Mrs. Daniel McLeod, of San Francisco and Mrs. H. D. Gilbert, of Silver City, N. M.

Owing to the fact that the Maxwell grant charges $12 per filing a claim, the prospectors direct their labors toward the Red river district, where Uncle Sam is boss, and only charges $1 for filing.

S. Floersheim, the largest sheepman in Colfax county, having his flock some twelve or fifteen miles southeast of Springer, reports his sheep as doing exceedingly well and is much elated over the late rains we have had.

Big fires have been destroying acres of forests in the vicinity of Elizabethtown. The rains of the past few days have put a stop to it, but not before a large portion of the Lynch floom on the Red river side had fallen a victim.

The *Stockman* is informed by M. W. Mills, of Springer, owner of the largest orchard in New Mexico, and one of the largest in the west, that he intends to erect a canning factory at the orchard, thirty miles southeast of that place.

H. R. Schumann, the father of Hematite, has traded one-half his saloon for one-fourth of "Granite Mountain" lode, and the other half he swapped off for a horse and saddle. He is on the road to Sulphide, which camp he intends to boom. He took his boy with him.

Roll Stevens was released from the custody of Sheriff Littrell, up at Springer, he furnishing the required bond It will be remembered that Stevens was brought down from Pueblo on a requisition from the governor, on an indictment in the fourth judicial court of New Mexico, for assault with intent to kill.

J. F. Boren, whom the Eddy *Argus* mentioned as being brought to Eddy from Hope, suffering from appendicitis, did not make the anticipated recovery, and an operation was considered necessary. Dr. Rodman, assisted by Dr. Hinchey, performed the operation, which was successful in every way, and the patient is now much better.

The Ajax mining and milling company, at Elizabethtown, are working night and day. They are turning out fifteen tons of ore daily, which is averaging better than $12 per ton. There is now enough ore in sight to keep their ten stamps dropping for one year. They expect soon to enlarge the mill ten stamps, and will probably add a concentrator.

Several transactions on real estate have taken place at Elizabethtown, recently. Jim and Al Nolan have sold the "Mountain View" and one-third of the "Eureka" lode claim to Ohio parties. These claims are lying in Sulphide, and are A 1 properties. C. J. Gavin, who negotiated the deal, promises to have a mill on the property very soon. On account of this sale, a big stream of prospectors went in that direction.

Nervous Prostration
Complete Recovery by the Use of
Ayer's Sarsaparilla

"Some years ago, as a result of too close attention to business, my health failed. I became weak, nervous, was unable to look after my interests, and manifested all the symptoms of a decline. I took three bottles of Ayer's Sarsaparilla, began to improve at once,

and gradually increased my weight from one hundred and twenty-five to two hundred pounds. Since then, I and my family have used this medicine when needed, and we are all in the best of health, a fact which we attribute to Ayer's Sarsaparilla. I believe my children would have been fatherless to-day had it not been for Ayer's Sarsaparilla, of which preparation I cannot say too much."—H. O. Hinson, Postmaster and Planter, Kinard's, S. C.

A Valuable Prescription.

Editor Morrison, of Worthington, Ind., *Sun*, writes: "You have a valuable prescription in Electric Bitters, and I can cheerfully recommend it for Constipation and Sick Headache, and as a general system tonic it has no equal." Mrs. Annie Stehle, 2625 Cottage Grove avenue, Chicago, was all run down, could not eat nor digest food, had a backache which never left her, and felt tired and weary, but six bottles of Electric Bitters restored her health and renewed her strength. Prices 50 cents and $1 00. Get a bottle at Murphey-Van Petten Drug Co's., Las Vegas and East Las Vegas, and at wholesale by the Browne & Manzanares Co.

The Pecos valley, in its entirety, has been blessed with abundant and refreshing rains, during the past ten days.

Mrs. Rhodie Noah, of this place, was taken in the night with cramping pains and the next day diarrhoea set in. She took half a bottle of blackberry cordial but got no relief. She then sent to me to see if I had anything that would help her. I sent her a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy and the first dose relieved her. Another of our neighbors had been sick for about a week and had tried different remedies for diarrhoea, but kept getting worse. I sent him this same remedy. Only four doses of it were required to cure him. He says he owes his recovery to this wonderful remedy.—Mrs. Mary Sibley, Sidney, Mich. For sale by K. D. Goodall, Depot drug store.

James Scully, of Springer, has so far convalesced as to again be upon the streets.

Just now everybody is beginning to take a Spring Medicine. And it is a good thing to do provided you take Simmons Liver Regulator—the best Spring Medicine. It is Simmons Liver Regulator you want.

Narcisco Abreu, who has been attending school at St. Michael's college, Santa Fe, returned to Springer.

Ministers Should Use
Dr. Miles' Heart Cure.

THERE IS NO PROFESSION, whose labors so severely tax the nervous system, as that of the ministry. The derangement of the nerve centers of the brain by over work, frequently brings on attacks of heart trouble, and nervous prostration.

Rev. J. P. Kester, M. D., Pastor U. B. church, London Mills, Ills., himself a physician, writes Feb. 26, 1895: "Heart affection and nervous prostration had become so serious last fall that a little over work in the pulpit would so completely prostrate me that it seemed certain I must relinquish the work of the ministry entirely. Heart palpitation became so bad that my auditors would ask me if I did not have heart disease. Last November I commenced taking Dr. Miles' New Heart Cure alternately with Dr. Miles' Nervine and derived the greatest possible benefit. I have just closed revival work of 10 weeks, preaching nearly every night and twice on the Sabbath. I can speak for hours without suffering as I formerly did. Hard working ministers should keep Dr. Miles' grand remedies on hand."

The Ideal Panacea.

Rev. John Burgus, Keokuk, Iowa, writes: "I have been a minister of the Methodist Episcopal church for fifty years or more, and have never found anything so beneficial, or that gave me such speedy relief as Dr. King's New Discovery." Try this ideal cough remedy now. Price fifty cents and $1.00 per bottle at Murphey-Van Petten Drug Co's. drug stores, Las Vegas and East Las Vegas; at wholesale by Browne & Manzanares Co.

THIS LOCALITY

Las Vegas, the Chief City of New Mexico--Some of Her Resources, Attractions and Advantages.

LAS VEGAS, meaning "The Meadows," is the county seat of San Miguel county, lies on both sides of the Gallinas river, and, with its suburbs, has about 10,000 inhabitants.

It has water works, street cars, arc and incandescent electric light plant, telephone exchanges, Territorial agricultural experiment station, headquarters of the Atchison railway system, New Mexico division, together with railroad machine shops and tie-preserving works, stock yards, and the largest sheep-shearing and dipping plant in the United States.

West of the river, the old town has the quaint and picturesque Mexican appearance—adobe houses, narrow, crooked streets, native people and customs, handicrafts and occupations; but the plaza and all of the new town, east of the river, constitute a distinctive American city. The streets are wide and well graded, while sidewalks abound, shaded with growing trees. Three parks, filled with grass and trees, add to the beauty and healthfulness of the place. Handsome and well-filled stores, beautiful residences, and innumerable lawns, set in grass and adorned with shrubbery and flowers, combine to proclaim a cultured community, possessed of all modern comforts and conveniences.

A city hall, three public school buildings, court-house, Masonic temple, opera house, Territorial Normal school and Territorial Insane asylum are public buildings, constructed of red and white cut sandstone, unsurpassed in beauty by similar edifices in any town, of equal size, in the States

An Academy, Seminary, Jesuit college, Convent school, Presbyterian Mission school, Methodist manual training school, Christian Brothers' institute, City high school, three graded public schools, a kindergarten, a commercial school and two music schools, besides several private teachers, are among the educational advantages and facilities.

LAS VEGAS is the natural sanatorium of the United States, combining more natural advantages than any other place in America. Her thermal waters are the equal of the Hot Springs of Arkansas, while her climate is infinitely superior. There is no malaria, no excessive heat or cold, no gnats, rats or mosquitoes. The air is pure, dry, rarified, and highly electrified—a certain cure for consumption, if the disease be taken in time. The hot waters are a specific for liver, skin, rheumatic and blood disorders. Her Montezuma hotel is the finest hostelry between Chicago and California, and is situated in a beautiful canyon, five miles from town, where the Hot Springs, forty in number, come boiling to the surface.

The latitude is about the same as that of central Tennessee, while the altitude is nearly 6,500 feet. This combination gives a peculiar, but most happy, result. In the winter, during the day, the thermometer seldom falls, in the shade, below forty degrees, while it often runs in the sunshine, to sixty-five degrees—or even more. On the other hand, in the summer, the heat is never oppressive, in the shade, and no night is too warm for comfortable sleep, under one or two blankets. The sun will shine nine days out of every ten, the year round. This, with the extreme dryness of the air, caused by the very slight precipitation of moisture; the resinous aroma, rolling down from the pine-clad mountains; the large amount of electricity in the air, and the consequent ozone, resulting from the altitude; and the location of the town, land-locked by mountain and mesa—these all conspire to produce an atmosphere which is a balm to all diseases of the respiratory organs. The percentage of death from consumption is lower in New Mexico than it is anywhere else in the United States; and no other place in New Mexico excels Las Vegas in the salubrity of its climate. Asthmatics experience immediate and permanent relief, in this altitude.

In the way of health and pleasure resorts, Las Vegas is unrivaled. In a radius of twenty miles, in romantic mountain glens and beside babbling mountain brooks, are the Las Vegas Hot Springs, Harvey's, El Porvenir, Sandoval's Mineral Hill, Romero Ranch, Blake's, Sparks', Sapello, Rociada, and other places, too numerous to mention, where health can be recovered, and life becomes a pleasure to the ennuye, the invalid, the over-worked business man.

LAS VEGAS has two daily and five weekly papers, three banks, two building and loan associations, three hotels, many boarding houses, nine churches, a number of clubs, and all the leading civic and social societies; a roller flour mill, capacity, fifty barrels per day; two wool-scouring establishments, cleaning 1,500,000 pounds of wool annually; a well-equipped brewery and bottling establishment; a manufactory of mineral and carbonated waters; two wagon and carriage factories; a saddle and harness factory; a foundry, electric light plant, three planing mills, and other enterprises of less importance.

There are eight large wholesale houses, whose trade extends throughout the Territory, and into the adjoining sections; while the volume of this trade, and the value of the stocks which they carry, can not be duplicated west of Kansas City and south of Denver. Three merchants' brokers have selected the city as their distributing center, the amount of their yearly sales exceeding, in the aggregate, the combined sales of all other such brokers in New Mexico. The retail merchants, of Las Vegas, are more numerous, and carry larger and better stocks of goods than do the retail merchants of any other town in this Territory or Arizona.

LAS VEGAS is the distributing point for nearly all New Mexico. By the Atchison system, she has connection with Kansas on the east, Colorado on the north, Arizona and California on the west, and Texas and Old Mexico on the south. Besides these, she has more stage lines, connecting her with tributary territory, than has any other town in New Mexico. This territory includes the entire section east and south of the mountains, and comprises the counties of Colfax, Mora, Taos, San Miguel, Santa Fe, Socorro, Dona Ana, Grant, Chaves, Lincoln and Eddy, with parts of Valencia and Bernalillo—a country larger than all New England. This takes in the famous Valley of the Rio Grande, and the less famous, but not less excellent, Valley of the Pecos—the finest fruit sections of the west.

This Territory is rich in everything that constitutes the Wealth of Nations. Iron, coal, lead, silver, gold, mica, limestone, sandstone, marbles, gypsum, soda in endless variety and exhaustless quantities, are among the several products of the country which Las Vegas commands. Sheep, cattle and lumber abound, so that in each of these prime articles of commerce this city is the best market in New Mexico. She handles more wool than all the other towns in the Territory combined, while her commerce in hides is truly enormous. In the same way, she stands pre-eminent for her trade in grains, hay, vegetables, and other farm products; while her trade in ice, gathered in the neighboring mountain canyons, extends east into Kansas, west into Arizona, and south into Old Mexico

"One of my sick headaches," you will hear people frequently say, as if the complaint was hopelessly incurable. As a matter of fact, Ayer's Pills not only relieve sick headache but effectually remove the cause of this distressing complaint, and so bring about a permanent cure.

ASK the recovered dyspeptics, bilious sufferers, victims of fever and ague, the mercurial diseased patient, how they recovered health, cheerful spirits and good appetite; they will tell you by taking SIMMONS LIVER REGULATOR.

The Cheapest, Purest and Best Family Medicine in the World!

For DYSPEPSIA, CONSTIPATION, Jaundice, Bilious attacks, SICK HEADACHE, Colic, Depression of Spirits, SOUR STOMACH, Heartburn, etc. This unrivaled remedy is warranted not to contain a single particle of MERCURY, or any mineral substance, but is

PURELY VEGETABLE,

containing those Southern Roots and Herbs which an all-wise Providence has placed in countries where Liver Diseases most prevail. It will cure all Diseases caused by Derangement of the Liver and Bowels.

THE GREAT REMEDY FOR LIVER Complaint are a bitter or bad taste in the mouth; Pain in the Back, Sides or Joints, often mistaken for Rheumatism; Sour Stomach; Loss of Appetite; Bowels alternately costive and lax; Headache; Loss of Memory, with a painful sensation of having failed to do something which ought to have been done; Debility; Low Spirits, a thick yellow appearance of the Skin and Eyes, a dry Cough often mistaken for Consumption.

Sometimes many of these symptoms attend the disease, at others very few; but the LIVER is generally the seat of the disease, and if not Regulated in time, great suffering, wretchedness and DEATH will ensue.

The following highly esteemed persons attest to the virtues of Simmons Liver Regulator: Gen. W. S. Holt, Pres. Ga. S. W. R. R. Co.; Rev. J. R. Felder, Perry, Ga.; Col. E. K. Sparks, Albany, Ga.; C. Masterson, Esq., Sheriff Bibb Co., Ga.; Hon. Alexander H. Stephens.

"We have tested its virtues, personally, and know that for Dyspepsia, Biliousness and Throbbing Headache it is the best medicine the world ever saw. We tried forty other remedies before Simmons Liver Regulator, but none gave us more than temporary relief; but the Regulator not only relieved, but cured us."—ED. TELEGRAPH AND MESSENGER, Macon, Ga.

Fred Thorne, of Organ, has moved his family to Las Cruces and will go to Cripple Creek to look the camp over, with a view of locating there.

None But Ayer's at the World's Fair.

Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed an exhibit at the World's fair, Chicago. Manufacturers of other Sarsaparillas sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the World's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."

Charles Mills, instructor in the shops at the agricultural college, left Las Cruces for his old home at Danville, Ill., to spend the vacation.

Blood-purifiers, though gradual, are radical in their effect. Ayer's Sarsaparilla is intended as a medicine only and not a stimulant, excitant or beverage. Immediate results may not always follow its use; but after a reasonable time, permanent benefit is certain to be realized

I. R. Holt, of Mesilla, will soon go to Arkansas, where he will buy a home. He expects to locate near Siloam Springs.
