CANCER CURED

AND A LIFE SAVED

By the Persistent Use of Ayer's Sarsaparilla

"I was troubled for years with a sore on my knee, which several physicians, who treated me, called a cancer, assuring me that nothing could be done to save my life. As a last resort, I was induced to try Ayer's Sarsaparilla, and, after taking a number of bottles, the sore

began to disappear and my general health improve. I persisted in this treatment, until the sore was entirely healed. Since then, I use Ayer's Sarsaparilla occasionally as a tonic and blood-purifier, and, indeed, it seems as though I could not keep house without it."—Mrs. S. A. FIELDS, Bloomfield, Ia.

Ministers Should Use Dr. Miles' Heart Cure.

There is no profession, whose labor so severely taxes the nervous system, as that of the ministry. The derangement of the nerve centers of the brain by over work, frequently brings on attacks of heart trouble, and nervous prostration.

Rev. J. F. Kester, M. D., Pastor U. B. church, London Mills, Ill., himself a physician, writes Feb. 25, 1895: "Heart affection and nervous prostration had become so serious last fall that a little over work in the pulpit would so completely prostrate me that it seemed certain I must relinquish the work of the ministry entirely."

Heart palpitation became so bad that my auditors would ask me if I did not have heart disease. Last November I commenced taking Dr. Miles' New Heart Cure alternately with Dr. Miles' Nerve and derived the greatest possible benefit. I have just closed revival work of 10 weeks, preaching nearly every night and twice on the Sabbath. I can speak for hours without suffering as I formerly did. My working minutes should keep Dr. Miles' grand medicine on hand."
