## BRYAN'S BIG BOOM

Crowds Greeted Bryan at Every Stop, on His Way to Pittsburgh, Pa.

## PANIC NARROWLY AVERTED

Heat Prostrations in the Cities Still Continue to be Very Numerous.

## ARMY RETIRING BOARD

CHICAGO, Ill., August 10.—Wm. Jennings Bryan was at it early this morning, and had hardly left off hand-shaking after leaving Chicago before he began it again. He did not get much sleep last night, as people were waiting for him between daylight and dawn, and although he went to his berth shortly after midnight, he was routed out between 1 and 2 o'clock to see an immense crowd at Valparaiso, Ind. He was again and again cheered. The crowd wanted a speech, but Bryan told them he could not talk at that hour of the morning. Columbia City was reached at 4:40, and another crowd was present. There was no lack of enthusiasm because of the early hour. At Ft. Wayne, this morning, more than a thousand were waiting for the Bryan train when it arrived at 5 o'clock. Mr. Bryan has decided to make no more speeches until he reaches Pittsburgh. His voice has become husky from his two hard days in Iowa and Illinois. At Monroeville, Ind., turned out a large sized crowd which cheered vigorously, and then the train crossed over into Ohio.

A serious panic was narrowly avoided at Delphos, Ohio, when the train reached there at 7:13 a. m. The crowd was large. Mr. Bryan stepped to the platform and just as the explanation that he could not make a speech was finished, the porch of a store directly in front of the train, gave way with a crash, carrying with it more than a hundred people. The shrieks of those who tumbled into the cellar and the frantic eagerness of others to get away, started a mad, panicky rush. "Stand still, don't move," cried Mr. Bryan, and the words brought the frightened people to themselves. Nobody was much hurt. When this was told Bryan, he remarked to the crowd: "If you would get on our platform it wouldn't fall down." A laugh followed and the people recovered enough from their fright to cheer the omnibus as the train moved off. In addition to the newspaper correspondents on the Bryan train are national committeemen from Illinois, Kansas and Nebraska. Lima was reached at 7:45. Fifteen hundred people were waiting, and the demonstration was enthusiastic. Mrs. Bryan made her first appearance of the day and stood by her husband's side.

PITTSBURG, Pa., August 10.—A special train, bearing the democratic county committee and a hundred others, left Pittsburgh this morning for Canton, there to meet Mr. Bryan and party, who will arrive here this evening. At 8 o'clock Mr. Bryan will make a short address in the opera house. At the same hour, Richard P. Bland will address an overflowed audience in Avenue theater, and at the conclusion of his speech in the opera theatre, Bryan will go to the Avenue theatre, making a short speech there, while Bland will make an address in the opera house. A great throng is anticipated.

UPPER SANDUSKY, Ohio, August 10 Bryan's progress has been one continued ovation. He spoke briefly at Ada, Bucyrus and Dunkirk to big crowds.

An Advancing Market. WALL STREET, N. Y., August 10.—The week opened with a firm and higher market for stocks, the leading issues having advanced 1/4 to 3/8 per cent. on extensive covering of short contracts. Sugar led the upward movement, rising to 98 1/2. Rock Island advanced 1 1/2. Northwest 1. Southern Railway preferred, and other stocks 1/4 to 1/2 per cent.

Sullivan Again in Sight. BOSTON, Mass., August 10.—The finishing touches of the refitting and decorating of the Clarendon hotel, on Tremont street, are being given, and a local engraver has an order for 5,000 cards, the inscription upon which signifies that John L. Sullivan is proprietor and manager of the hostelry. According to present plans, he enters that position next Monday. The "sample room" annex has been gorgeously fitted up, and here it is likely to be, that the retired pugilist will be most in evidence as manager and director. Sullivan is still under contract with Parson Davies, but most of their theatrical engagements have been canceled, and he will get out on the road except for such engagements as the managers of the theaters booked may insist upon.

The Tennis Championships. NARRAGANSETT PIER, R. I., August 10.—The play for the annual national tennis championship under the auspices of the National lawn tennis association, opened here today with a large attendance of players. The programme for this week's events is confined to the doubles, and is between the winners at the recent tournament at Chicago and the eastern champions. The winners of the present matches will play Malcolm Chase and E. D. Wren of Newport, for the national championship next week. The championships in singles will also be held next week, and the winner of the tournament will afterward meet Fred H. Hovey, the present champion, for the national championship.

## THE ARMY RETIRING BOARD.

Great Interest Taken in the Outcome of Some Cases Now Being Considered.

CHICAGO, Illinois, August 10.—Behind closed doors at the army headquarters in the Pullman building, a retiring board assembled this morning for the purpose of hearing an unusually large number of cases. Both the board and the officers slated for retirement make the meeting of national significance, and the session is also notable from the fact that most of the officers summoned before the board have engaged counsel and subpoenaed large numbers of physicians and other witnesses, with the view of demonstrating that they are still in condition for active service. Especial interest attaches to the case of Col. Robert E. A. Crofton of the Fifteenth Infantry, for some time past stationed at Fort Sheridan. Those barracks have of late gained considerable notoriety from the numerous shooting affairs, assaults and scandals that have occurred. It is understood that Colonel Crofton some time since rejected an intimation from Washington that his retirement would be acceptable, and the action of the war department in ordering him before the present board is not unexpected. The results of the conference will not be made known until announced by the secretary of war.

## DEATH-DEALING WEATHER

Residents of the Cities Suffering in the Terrible Heat, with Fatalities Numerous.

CHICAGO, Illinois, August 10.—There is no let-up in the torridity of the death-dealing weather Chicago is experiencing now-a-days. Up to 10 o'clock this morning, three deaths were reported, and the probabilities are good for numerous other prostrations before the day is over. No relief is in sight, and the prediction is made that the temperature will go above 95 this afternoon.

ST. LOUIS, Mo., August 10.—There is no abatement to the frightful heat from which this city has suffered during the last ten days. This morning 92 degrees was recorded, and the day looks fair to be a record-breaker. Forty-nine cases of heat prostration were reported to the health authorities in the past twenty-four hours, of which nine were fatal.

NEW YORK, N. Y., August 10.—At noon, thermometers indicated 93 degrees in the shade. A number of prostrations are reported this morning from various parts of the city.

Preparations for an Anniversary. NEW YORK, N. Y., August 10.—A dispatch from London says: A special meeting of the board of aldermen and court of common council has been called for the first week in September, for the purpose of initiating the preparations for the celebration, next year, of the sixtieth anniversary of Queen Victoria's accession to the throne.

At this meeting Matthew Wallace, the chief commissioner, will move a resolution for the presentation to her majesty of a loyal and dutiful address of congratulation, on her retention of a longer tenor of sovereignty in England than any previous monarch. The address is to be engrossed in gold upon vellum, and its preparation, together with the engraving and chasing of the massive gold casket in which it is to be placed, will occupy several months. The forthcoming meeting will probably decide upon a general holiday next June, and a succession of fetes to occupy an entire week.

Festivities Resumed. CLEVELAND, Ohio, August 10.—After an interval of ten days, the festivities incidental to Cleveland's centennial celebration were resumed to-day with the preliminaries to the Centennial yacht regatta, which will be participated in by yacht clubs from a large number of neighboring ports east and west, as well as from Canada.

The program for to-day included the reception of yachts and guests by the local committee, Commodore George H. Worthington doing the honors, which ceremony was followed this afternoon by a review of the visiting yachts by the committee and the Cleveland yacht club. The races will commence to-morrow.

The Wheelmen. LOUISVILLE, Ky., August 10.—The seventeenth annual meet of the League of American Wheelmen opened up auspiciously to-day, although the races proper will not be inaugurated until Thursday. This afternoon there was a big run from headquarters in the Hampton college building to Fountain Ferry park, while this noted resort will be the scene to-night of the inaugural "smoker". Tens of thousands of cornucopious pipes, bales of tobacco and solids and liquids ad libitum will engross the visitors until after midnight.

One lowest first-class standard fare for the round trip, plus \$2.50, all tickets to be good for continuous passage in each direction. Leaving Salt Lake on August 12 and 23 only.

## A DAY'S FATALITIES

Death and Destruction by Wind, Water and the Deadly Electric Car.

## LADY TENNYSON IS DEAD

Observations on the Eclipse of the Sun Were Highly Successful, Yesterday.

## NEWS FROM SANTA FE

LANCASTER, Pa., August 10.—The disaster on the Columbus-Donnell electric railway late last night, was the worst that has occurred in the county in many years. Up to this morning six persons are dead, sixty-two injured, some very seriously, and several are expected to die. The accident occurred at a heavy curve. It's exact cause will probably never be known, the motorists being dead and the statements of passengers widely differ. A large crowd had gathered at Chokies' park last evening to escape the heat. The ill-fated car, a closed one, was the first to leave the park after the concert, and was packed. At a heavy grade in north Columbia, the car attained a great velocity which the motorman was unable to check. The brake refused to work. Passengers were thrown from their seats and a panic ensued. As the last curve was reached, the car left the track, shot across the turnpike, a distance of nearly a hundred yards, and crashed into a drain and then tumbled into a ditch twenty feet deep.

Observations Successful. LONDON, England, August 10.—Dispatches received here from Yokohama and Tokio, Japan, say that the observations of the eclipse of the sun, yesterday, were very successful. The sky was clear and advices from Bodo, Norway, say the observations of the eclipse at that place were perfect.

Lady Tennyson Dead. LONDON, England, August 10.—Lady Emily Tennyson, widow of the late Lord Tennyson, the poet, died this morning of congestion of the lungs.

CONDITION CRITICAL. LONDON, England, August 10.—The condition of Sir John Mills, president of the Royal Academy, is extremely critical.

Closed His Doors. Special Telegram to the Optic! SANTA FE, N. M., August 10.—The Santa Fe Brewing company closed its doors, to-day, no reason being assigned for the suspension, except that of a failure to carry on business, owing to the financial depression. It is expected that Mr. Sobobert will locate elsewhere, where he may derive more financial benefit.

Hemingway's Condition. Special Telegram to the Optic! SANTA FE, N. M., August 10, 1896.—The condition of W. S. Hemingway at this hour (11:30 a. m.) is greatly improved, and it is now thought by the attending physicians, that unless something unforeseen should take place during the day, he will make a speedy recovery. There are no new developments in regard to how the shooting occurred.

Five Drowned. PHILADELPHIA, Pa., August 10.—Five persons were drowned in the Delaware river last night, near Brisdoring, by the overturning of a row-boat during a gale. The victims are: John Treanor and Charles Minnick, of Cincinnati, and Amelia Holman, Rose Breininger and Rosie Breininger, of Philadelphia.

BENTON HARBOR, Mich., August 10.—Four persons met death by drowning while bathing north of here, yesterday.

A DESTRUCTIVE WIND STORM. Immense Damage Done by the Elements at Saginaw, Mich.

SAGINAW, Mich., August 10.—A terribly destructive wind and electrical storm swept over this city, this morning, doing great damage. The works of the Bartlett Machine and Illuminating company was unroofed, the power house of the Union street railway company suffered in a like manner, and the car service is suspended. The Erds piano factory, Wick Bro's. boiler shop, Melze, Smart & Co.'s warehouse, Palmerton's woodenware works, and the Saginaw basket factory were unroofed or otherwise badly damaged. Thousands of trees were uprooted. The damage will reach \$100,000.

And What of It? NEW YORK, August 10.—A London dispatch says: The report that the Emperor William of Germany so far ignored the recent marriage of Prince Carl of Denmark and the Princess Maud, as not to even send the couple a wedding present has been so widely circulated and so strongly commented upon, that it has been found necessary to issue a semi-official denial, in which it is explained that the emperor's offering was not received until late of the evening before the wedding, and consequently could not be included in the list of presents published by the Court Gazette on the previous day. Inquiry based upon this announcement has developed the fact that the emperor's present was a silver candelabra, such as might be obtained at any London silversmith's for a matter of twenty pounds, or \$100.

The promoters of the new bicycle grounds have decided to build the track above the upper end of Bevoise street, instead of across the track, where the ground was found too soft to be practicable for a good track.

## ABSOLUTELY PURE

A Good Man Dead. Still in the prime of life, Don Feliciano Recondes expired at 1 a. m., Sunday, at his home across the river, a victim to dropsy. The dread disease was fought, inch by inch, by the best medical skill in the city, for several weeks, but the latter attended by the kindest care of his two sons and a host of relatives and friends could not spare this community of a most sensible and an enviable memory as a kind husband, dutiful father, an industrious and frugal citizen. He enjoyed the distinction of never having been a party to any litigation, whatever, or disputes with his neighbors, an example well worthy of imitation by his contemporaries.

His wife, Andruilla Flores, preceded him to the grave hardly a year ago. He was in his fifty-ninth year, and leaved two sons, aged respectively twenty-eight and nineteen.

A most interesting and edifying incident was repeatedly witnessed by The Optic reporter of late, in the frequent visits of the late Mrs. Escudero's great-grandmother to his bedside. The old lady, bent down by age but still possessing perfect hearing and sight, could be seen wending her way from her home, several blocks distant, to the Escudero house, unaided and with the only companion of a walking stick. She is now said to be in her ninety-seventh year.

Mr. Escudero's remains were interred in the Catholic cemetery, near the parochial church of Las Vegas, at 5:30 p. m., Sunday. May his ashes rest in peace and his soul in the happiness of God, his Maker.
