

## SHE WEIGHED ONLY NINETY POUNDS

TAKES TANLAC AND NOW WEIGHS EXACTLY ONE HUNDRED AND FIFTEEN POUNDS.

"When I first began taking Tanlac I only weighed ninety pounds, but I now weigh one hundred and fifteen," said Mrs. E. J. Straw, of 710 Crocker street, Des Moines, Iowa.

"I really thought I was not ever going to get well," she continued, "so my wonderful recovery has made me one of the happiest women in Iowa and I believe Tanlac saved my life."

"A year ago I had influenza which left my kidneys all out of order and my stomach in such bad condition I could not eat without suffering terribly afterwards. I also had neuritis so bad in my right shoulder that I had not been able to comb my hair for six months. I tried everything to get built up again but got worse all the time and to add to my trouble my nerves gave way; I could not do any of my housework and had to spend most of my time in bed."

"When I began taking Tanlac I had been in bed three weeks, but before I finished the first bottle I was up and about. Now I have taken seven bottles and every one has been worth its weight in gold to me. The stomach trouble, neuritis and nervousness are entirely gone and I am so strong I do all the housework without the least trouble. In fact, I am enjoying the best of health and I can't praise Tanlac enough."

Tanlac is sold in Clovis by City Drug Co., in Texico by Red Cross Pharmacy, and in Melrose by Irwin & Pool. (Advertisement)

Right across the small of my back I had a heavy dull, bearing down pain that never seemed to let up. My kidneys were bothering me at times and I was often troubled with dizzy spells. I found immediate relief upon using Doan's Kidney Pills and about one box cured me."

### Catarhal Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarhal deafness, and that is by a constitutional remedy. Catarhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surface. Hall's Catarrh Medicine acts thru the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists. The Clovis News, F. J. CHENEY & CO., Toledo, O.
