Cured of Rheumatism.
Mr. Wm. Henry of Chattanooga, Tenn., had rheumatism in his left arm. "The strength seemed to have gone out of the muscles so that it was useless for work," he says. "I applied Chamberlain's Pain Balm and wrapped the arm in flannel at night, and to my relief I found the pain gradually left me and the strength returned. In three weeks the rheumatism had disappeared and has not since returned." If troubled with rheumatism try a few applications of Pain Balm. You are certain to be pleased with the relief which it affords. For sale by all druggists.

Chalking Up a Race.
Two Irishmen were about to run a race to a certain tree by different routes. Suddenly Mike slapped Pat on the back and asked how they were to tell who reached the destination first. After a moment's thought, Pat answered:
"I tell yez, Mike, if I get there first I'll make a mark on that tree with this chalk, and if you get there first, you can rub it out."

EUREKA!
Yes, I Have Found it at Last.
Found what? Why that Chamberlain's Salve cures eczema and all manner of itching of the skin. I have been afflicted for many years with skin disease. I had to get up three or four times every night and wash with cold water to allay the terrible itching, but since using this salve in December, 1905, the itching has stopped and has not troubled me.—ELDER JOHN T. ONGLEY, Rootville, Pa. For sale by all druggists.

No Use for Mules.
In a speech in the house of Representatives Mr. Olmstead of Pennsylvania explained why there is no market for Missouri mules in Washington. "Some time ago," he said, "a member from Missouri had a letter from a constituent asking what price he could obtain for a carload of mules in this city. He replied that the street cars were run by electricity and the government by jackasses. So he said there was no use for mules in Washington."

Struck Out.
Dr. C., who always employs two servants, man and wife, was talking to a patient one day about a couple he had just discharged because the man drank.
He remarked: "It is so strange, but it is always the way with a man and wife. If one is good, the other is no good."
The patient asked him, "How is it with you and Mrs. C.?"
Gentle and Effective.
A well-known Manitoba editor writes: "As an inside worker I find Chamberlain's Stomach and Liver Tablets invaluable for the touches of biliousness natural to sedentary life, their action being gentle and effective, clearing the digestive tract and the head."

A Woman Tells How to Relieve Rheumatic Pains.
I have been a very great sufferer from the dreadful disease, rheumatism, for a number of years. I have tried many medicines but never got much relief from any of them until two years ago, when I bought a bottle of Chamberlain's Pain Balm. I found relief before I had used all of one bottle, but kept on applying it and soon felt like a different woman. Through my advice many of my friends have tried it and can tell you how wonderfully it has worked.—Mrs. SARAH A. CRELL, 140 S. New St., Dover, Del. Chamberlain's Pain Balm is a liniment. The relief from pain which it affords is alone worth many times its cost. It makes rest and sleep possible. For sale by all druggists.
