

THE DEMOCRATIC WOMEN FEAST

Annual Breakfast of Their Club is Brilliant Affair, But Partisanship is Left Out.

Washington, D. C.—The spirit of orthodox Democracy, as exemplified by those ardent souls who breathed anathema upon devotees at other political shrines in Jeffersonian days, would have received a sad shock had it been present at the much-heralded Women's Democratic club breakfast here.

To begin with, the line of political fealty was completely obliterated by the hostesses of the affair. It is true that such illustrious Democratic women as Mrs. Woodrow Wilson, Mrs. Champ Clark and Mrs. Thomas Riley Marshall were the guests of honor, but on the other hand there was also present a large representation from the Republican and Progressive parties. Among these were Mrs. Robert La Follette, Mrs. John Hays Hammond and Mrs. Albert Cummins.

ETHEL ROOSEVELT IS A BRIDE

Daughter of the Colonel is Married to Dr. Richard Derby in Oyster Bay Church.

Oyster Bay, N. Y.—Miss Ethel Roosevelt, younger daughter of Colonel and Mrs. Roosevelt, was married in the Episcopal church here to Dr. Richard Derby of New York. Following the ceremony there was a large breakfast party at Sagamore Hill. The next day the bridal couple sailed for Europe.

Mrs. Derby made her debut in society at Washington in December, 1908, while her father was president of the United States. As one of the debutantes of the season she was exceedingly popular.

Dr. Derby is a graduate of Harvard, class of '03, and is a young and successful physician. He is the son of the late Dr. Richard H. Derby and a brother of James Lloyd Derby, Roger Derby and Mrs. Samuel A. Tucker.

ORGY OF GRAFT IN COLORADO

The Interstate Commerce Commission Says Judges, Public Officials and Shippers are Guilty.

Washington, D. C.—Astounding revelations of an "orgy of petty graft" by judges, state, county and municipal officials and members of the legislature in accepting passes over Colorado roads were made in an Interstate Commerce commission report.

It followed the commission's investigation at Denver of the extent of the "free transportation" evil in Colorado and the commission's demand for indictment of the Colorado Fuel & Iron company, Victor American Fuel company, Colorado Portland Cement company, United States Portland Cement company and the Great Western Sugar company for accepting such favors of the Colorado & Southern and the Rio Grande railroads for granting of passes prohibited under the anti-pass law.

TORNADO NOAR STURGEON, MO.

Storm Cleared a Path From Sturgeon to Larrabee, Demolishing Many Buildings.

Sturgeon, Mo.—At 2:15 o'clock in the afternoon a tornado passed south and east of Sturgeon, devastating the country for miles. The path of the cyclone was about three-quarters of a mile wide and every farmhouse, barn and building within its range was swept away. William Mathis, living seven miles north of Sturgeon, was instantly killed and his wife and daughter probably fatally injured. They were at dinner when the tornado struck their home, demolishing it and burying them under a portion of the wreckage. The home of Charles W. Robinson, a farmer, was destroyed, but the Robinson family saved their lives by taking to a cyclone cellar.

Fifty barns and numerous small buildings were blown down.

OVERTAKEN BY PRIARIE FIRE

A Man, His Wife and Their Nine-Year Old Boy Perished in Oklahoma.

Fairview, Ok.—Grant Leslie, his wife and their 9-year-old son were burned to death in a prairie fire that swept part of Major county. Farmers driving along a road near Golden discovered the bodies. The carcasses of their team and parts of the buggy lay nearby.

Leslie and his family started from their home to visit near Granton, Ok. Soon after they left Golden the fire overtook them.

Drowned Under Motor Car. Syracuse, N. Y.—Pinned under their overturned motor car in a ditch of water, near here, Lottie Voorhees and Raymond B. Halst were drowned.

GIRL SUFFERED TERRIBLY

At Regular Intervals—Says Lydia E. Pinkham's Vegetable Compound completely cured her.

Adrian, Texas.—"I take pleasure in adding my testimonial to the great list and hope that it will be of interest to suffering women. For four years I suffered untold agonies at regular intervals. Such pains and cramps, severe chills and sickness at stomach, then finally hemorrhages until I would be nearly blind. I had five doctors and none of them could do more than relieve me for a time.

"I saw your advertisement in a paper and decided to try Lydia E. Pinkham's Vegetable Compound. I took seven boxes of it and used two bottles of the Sanative Wash, and I am completely cured of my trouble. When I began taking the Compound I only weighed ninety-six pounds and now I weigh one hundred and twenty-six pounds. If anyone wishes to address me in person I will cheerfully answer all letters, as I cannot speak too highly of the Pinkham remedies."—Miss JESSIE MARSH, Adrian, Texas.

Hundreds of such letters expressing gratitude for the good Lydia E. Pinkham's Vegetable Compound has accomplished are constantly being received, proving the reliability of this grand old remedy.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

To the Point. "That was a very appropriate remark the jockey made when they pulled him from under his mount when it stumbled and fell on him." "What was the remark?" "This is a horse on me."

BREAKING OUT ON LEG

Hilltop, Kan.—"About two years ago I began to notice a breaking out on my leg. At first it was very small but soon it began to spread until it formed large blotches. The itching was terrible and almost constant. Many nights I could not sleep at all. After scratching it to relieve the itching it would burn so dreadfully that I thought I could not stand it. For nearly a year I tried all kinds of salves and ointment, but found no relief. Some salves seemed to make it worse until there were ugly sores, which would break open and run.

"One day I saw an advertisement of Cuticura Remedies. I got a sample of the Cuticura Soap and Cuticura Ointment and began by washing the sores with the Cuticura Soap, then applying the Cuticura Ointment twice a day. I noticed a change and got more Cuticura Soap and Ointment and in a few weeks I was cured. It has healed so nicely that no scar remains." (Signed) Mrs. Anna A. Lew, Dec. 17, 1911.

Cuticura Soap and Ointment sold throughout the world. Sample of each free, with 32-p. Skin Book. Address post-card "Cuticura, Dept. L, Boston." Adv.

An Instance. "There is nothing in analogy. Why not?" "Because if there was, if a colt is a little horse, wouldn't a Colt revolver be a little horse-pistol?"

CANADA WINS AGAIN

THE COLORADO SILVER TROPHY FOR OATS WON A SECOND TIME BY CANADA.

The most recent achievement of Canada's West is winning for the second time the magnificent \$1,500 silver trophy awarded by the State of Colorado for the best peck of oats. At Columbus, Ohio, in 1911, J. C. Hill & Sons of Lloydminster, Saskatchewan, placed a peck of oats grown on their farm in competition, with oats from every part of the world. The judges had no difficulty in deciding, and the award was given to the Saskatchewan grown oats. In 1912, the Corn Exposition had no exhibition, and our Canadian friends, although ready for a second contest had no opportunity. In 1913, the exhibition of the Society was held at Columbus, S. C., and it is said of it that it was one of the best yet held. At this exhibition, which comprised corn and all the smaller grains, Hill & Sons of Lloydminster had on exhibition for the contest another peck of oats grown on their Saskatchewan farm, in 1912. There was no trouble for the judges, no time necessarily lost in reaching a decision, Hill & Sons won, and for the second time their name will appear on the crest of the cup. The third space will doubtless be occupied by their name, and then this splendid trophy will be theirs.

During the past few years Western Canada grains—wheat, oats, barley and flax—have been in competition with grains from all other countries, and in every case their superiority has been shown. It is not only in oats, but it is in wheat, in barley and in flax, that Canada more than holds its own, when placed side by side with grains from other parts.

Mixed farming is taking a strong hold not only in those parts of Manitoba, Saskatchewan and Alberta, which up to the present have been devoted solely to grain growing, but also in the districts contiguous, where the conditions of climate, shelter, water, grass and hay make farming of this kind, easy to prosecute and large in profits. It was in the Province of Manitoba that the steer was raised that carried off the Championship of the steer class, at Chicago last December. This beast had been fattened on the grass and hay of the Province and the only finishing grain it had was barley; not an ounce of corn.

Western Canada presents innumerable opportunities for the big farmer who wants to cultivate his thousands of acres, the medium man satisfied with a few hundred acres, the man who is content to farm his few homestead of one hundred and sixty acres; it has opportunities for the investor, the capitalist, the business man, the manufacturer and the laborer.

Agents of the Canadian Government located at different points in the United States will be pleased on application, to give any desired information, free of cost.—Advertisement.

His Sarcastic Fling. "I don't like to invite Mrs. Parvenu to my bridge party, and yet she's a sure loser and good pay?" "I don't think you are going to get her money without her company," said the sarcastic husband. "What do you expect her to do, frame your invitation and mail you a check?"

A CLERGYMAN'S TESTIMONY.

The Rev. Edmund Heslop of Winton, Pa., suffered from Dropsy for a year. His limbs and feet were swollen and puffed. He had heart fluttering, was dizzy and exhausted at the least exertion. Hands and feet were cold and he had such a dragging sensation across the loins that it was difficult to move.

After using 5 boxes of Dodds' Kidney Pills the swelling disappeared and he felt himself again. He says he has been benefited and blessed by the use of Dodds' Kidney Pills. Several months later he wrote: "I have not changed my faith in your remedy since the above statement was authorized. Correspond with Rev. E. Heslop about this wonderful remedy."
