## Are You a Hollander?

DO YOU know just how much there is in a copy of Holland's Magazine? Have you ever looked over the table of contents? If not, you have a surprise in store for you. Just glance through one. Half a dozen to a dozen choice stories well written and well illustrated; a splendid cooking department,

with pages of reliable recipes and household helps; "Late Things in Fashions," a much enjoyed children's department, and so on. Thus is Holland's from cover to cover, filled with material of keen interest and value to every member of the family.

### The Farmer's Right Hand Man

FARM AND RANCH is to the Southern farmer what Holland's is to the housewife. Its splendid articles by experts in agriculture, its mediums of correspondence with other farmers as to their problems, its Questions and Answers page are all sources of endless benefit to him. The Cousins

League department will bring pleasure to the children and the Household is enjoyed by the women. It's printed on good paper, from type that is easy to read and every issue contains many attractive illustrations. It is mailed in time to reach subscribers every Saturday.

### Your Home Newspaper

TO complete the home library there remains only one thing—the home newspaper. This paper is one that will interest you in many ways, and give you all the local, and as much of the state and foreign news as we have space for and believe will be of interest. The advertising columns will tell

you, quickly and accurately, where you can make your purchases to the best advantage, thereby saving you unnecessary visits to the different stores. This paper is for the entire family, and no home in this community ought to be without it.

If subscribed to singly the subscription price of the above three publications is \$3.00. Order now and we will send all three of them to you regularly one year for only \$2.00.

Can you afford to neglect this opportunity?

ANY MAN CAN BUY A FARM.

I have a widow client who owns 400 acres of wild land in Northwest Wisconsin which is bringing her no income. She has authorized me to sell this land for \$8.00 an acre, one third down and the balance on terms to suit the purchaser. Will divide tract if desired. Purchaser can rent partly improved sarm close by or can buy same. This with other adjacent lands I can sell so as to suit almost any kind of customer. **Maturity of Men and Women.**  
It is supposed that a man reaches the maturity of his reasoning powers and mental faculties at the age of 25, while a woman is mature in mind at 18. This brings a man to the pleasant and satisfying conclusion that the nobler and more perfect and splendid a thing is, the slower it is to arrive at a state of maturity. Women may reply that brain matter has no sex and that girls, being brighter, find their own worth, sooner. However, every woman, old or young, must acknowledge the splendor and nobility of the male character under all circumstances and conditions.
