SUBSCRIPTION \$ 2.00 PER YEAR.

A FORMER ROY BOY MAKES GOOD

Stephens Russel, eldest son of Prof. and Mrs. J. E. Russel former resident of Roy was one of the winners in the District Interscholastic meet recently held at the Western Texas State Normal at Canyon, Texas. Stephen Russel and James Patman composed the Clarendon team and they were victorious over several western Texas towns. They will now represent Western Texas at the Annual State Meet at Austin, Texas which will be held the latter part of this month. Stephen Russel got practically all his education of the grades in Roy and his many friends here congratulate him on his success and we expect some day to hear of Steve being one of the Texas lawyers and equal to far famed Texas Bailey.

We clipped the following from the Clarendon News altho a number of other papers had write ups about the debate.

Clarendon High School won three first places at Canyon in the district interscholastic meeting here Friday and Saturday. James Patman and Stephen Russel were the winners of the Seniors Boys' debate while Eugene Smith was beyond the class of any of his competitors putting the shot and throwing the discus. Other winners of places in the finals were Miss Fannie Florence Sims, who won third place in the Senior Girls' declaration; Miss Mary Joe Chamberlain, who won third place in the Junior Girls' declaration; and Alvin Landers, won third place in the mile run.

The first team to fall before Patman and Russel was the Claude team; the second team that they met in the preliminaries was the Amarillo High School team; and Canyon and Clarendon went into the finals Saturday evening, with the result of a great victory for the local boys, and they have brought home the beautiful loving cup, the second time that the cup has come here within the last three years. The local boys held the affirmative of the question: "Resolved that Emigration into the United States should be prohibited for a period of two years."

H. B. Jones president of the First National Bank was attending to business in Roy the first of the week.

HENDRICKS TO SPRINGER

Professor Hendricks, superintendent of the Roy school the past year has been elected superintendent of the Springer Schools for the coming school term, at a nice increase of salary. Mr. Hendricks came to the Roy Schools from Dalhart, Texas, where he had previously been in the school work and took over the school work here last July and his work here will end June 30th. Mr. Hendricks was not an applicant for the Superintendency here but decided to change locations and his election at Springer took place Monday evening.

BASE BALL GAME CALLED ON ACCOUNT OF RAIN

The base ball game between Roy and Kephart was called in the third inning last Sunday afternoon on account of rain. The score stood 5 to 3 when the rain drowned the boys out. The game was being very loosely played on both sides, altho the pitching by Williams for the Roy team was rather spectacular, he having 8 strike outs in the 3 innings. Williams looks like a winner and we predict that the Roy team will clean up the major portion of the games they play this year. Several new men are on the team and it looks like Roy has one of the strongest teams she has put in the field for years. Come out Sunday and watch the boys clean up on Loretta.

ANOTHER PRAIRIE FIRE

A prairie fire that threatened to do great damage, broke out on the place of Fred Yoeng six miles east of town last Wednesday. Quite a few persons from Roy motored out and assisted in fighting the flames and they were quickly extinguished, but however, had consumed quite a lot of good pasture and some stacks of feed before the fire was under control.

M. E. LADIES HOME MISSIONARY SOCIETY ENTERTAINS

The Ladies Home Missionary Society of the M. E. Church was delightfully entertained May 3rd at the home of Mrs. I. C. Dodds, the charming young matron. Mrs. Gerald Dodds acting as hostess. The spacious rooms were delightfully decorated in pink and white tulips. An interesting program was rendered by some of the members and friends, consisting of music and recitations. A banquet was served by the hostess assisted by Mrs. Dodds Sr. The members and friends of the society gave a miscellaneous shower to two of their young members and recently charming brides, daughters of the H. A. Gray's. Mrs. Al Davenport and Mrs. Ellis Abernathy. It was a surprise to them when the President, Mrs. C. I. Justice, requested that they be blind-folded and each in turn drew from the massive baskets which were set on the library table various packages. After all of the presents were taken from the basket they were given permission to look. Quite a few useful presents were received. Those participating in the afternoon entertainment were: Mesdames C. L. Justice, Richard Kilmurry, A. Paxton, E. P. Brown, G. N. Ames, G. Kitchell, P. Gibson, W. H. McCarger, M. McGuire, S. Strickland, C. W. Hooper, S. E. Paxton, F. S. Brown, P. C. Haines, L. Bess Al Davenport, Ellis Abernathy, I. C. Dodds, Gerald Dodds and Miss Lucile Kennedy, Dollie Brown, Nellie Kitchell, Jessie Fender and Martha Simmons.

The next meeting of the society will be held at the home of Miss Jessie Fender on May 17th.

SCHOOL BOARD HOLDS IMPORTANT MEETING ELECT TEACHERS FOR THE COMING YEAR

The Board of Education of Roy District No. 3 held an important meeting at the First National Bank last Monday evening. All members of the Board were present at the meeting. After the readings of the minutes of the previous meeting and taking care of some minor matters the Board proceeded to elect teachers for the next school year. Professor Cameron Bazzill of San Jon, New Mexico, was elected superintendent and will take charge of the schools August 1st. Mr. Bazzill comes well recommended and is one of the strong school men of the state. He has been superintendent at San Jon the past two years and has made good at that place.

High school teachers elected were: Prof. T. P. Potts, Mrs. Knox Bell, Miss Katherine Shotwell, Miss Jennie Thoraton and Miss Marion Grawe. Prof. Potts will have charge of the manual training and agricultural work.

Miss Fanny Blevins was given the eighth grade, she is at present the seventh grade teacher. Mrs. Eula Pendleton was elected to the seventh grade; she was formerly a teacher in the eighth grade work here. In the fifth and sixth grades Miss Lela Lusk was employed. For the second third and fourth grades Mrs. E. D. Choate and Miss Etna Floersheim were chosen. It was not definitely decided which grades would be given to each, but this will be decided later. Mrs. Choate was re-employed; Miss Floersheim is a Roy girl, having spent practically all her life in Roy and is a graduate of the Springer High School. For the first primary Miss Lillie Pearson of Mounds, Okla., was employed and to the second primary Mrs. Carr of this place.

The Board had a tremendous number of applicants to choose from and it was hard to decide in some cases just who to choose but the Board used home people where ever their qualifications were equal to those from other places, hence the electing of so many home teachers.

It was decided to start the school on the first Monday in September which will be September 5th, and if it is possible to have the new building done open in the present quarters.

Mike McGuire, our present efficient janitor was re-employed for the next year which means we will have the best school janitor in the state again.

T. A. Brown of the Brown-Thompson Construction Co., was employed to salvage the old burred school building and to make all the necessary arrangements for the re-erection of the building. Several other matters were brought up and disposed of, the most important was the asking for bids on the five truck routes for the next school term. These bids will be opened the first Monday in June.

Communication was received by the Board from Lawyers Holly and Roberts that they had petitioned the Supreme Court for a rehearing on the County High School Debenture case. The Supreme Court has not yet decided whether they will reopen the case or not.

The next meeting of the Board will be the first Monday evening in June.

PLAY BALL

The base ball fans will have an opportunity to see a good game of ball next Sunday afternoon when the Roy team will cross bats with the strong Loretta team from Dawson. The game will be called at 2 P. M. sharp. An admission of \$.25 will be charged everyone to see the game.

The suits for the Roy team have arrived and the boys will appear in their new uniforms Sunday, so everyone come out and root for your home team.

Gentry Bros. Show will appear in our city next Saturday, May 20th, rain or shine. The large tent will be pitched in the large field opposite the railroad stock pens.

I. O. O. F. AND REBEKAH LODGES GIVE FAREWELL PARTY

A farewell party was given in the local lodge hall Monday evening, May 8th by the I. O. O. F. and Rebekah lodges in honor of Mr. and Mrs. H. P. German, who are leaving this community to become residents of Wichita, Kansas.

A splendid program was prepared by the two lodges, making the evening a very pleasant one and all enjoyed themselves very much. Beautiful gifts were presented to both Mr. and Mrs. German by the two lodges. The presentation speech was made by Mr. Hester and was responded to by Mr. and Mrs. German who thanked the members for the kind remembrances given them.

Interesting talks were also made by Mr. Montgomery of Clayton and Mr. Fields of Amarillo, Texas, also by a number of local members of the two lodges.

During the evening a delicious lunch was served by the Rebekahs to the hundred guests and members present and all of them wished Mr. and Mrs. German Godspeed in their new home.

Mr. and Mrs. German were among the best attendants of the two lodges during their stay on the mesa and their valuable assistance has been very helpful in the upbuilding of these splendid orders.

They left Tuesday for Kansas where they will visit friends for a few weeks before permanently locating at Wichita.

F. M. Hughes, a prominent merchant of Solano, was a business visitor in Roy all day Thursday.

G. R. Eandle of the Bradley neighborhood, was trading with the Roy merchants, Wednesday of this week.

CELEBRATES BIRTHDAY

J. H. Mahoney, one of the prosperous farmers of the mesa living on his ranch north of Roy, was very pleasantly surprised last Saturday evening when his estimable wife and children planned a surprise for him by inviting a number of neighbors and friends to their home and convincing "Jack" as we all call him that he had passed another milestone in his life journey.

Yes Mr. Mahoney was surprised, and in fact, he said he did not know he had so many friends. At least fifty or more were present for the whole evening and far into the night. Games were played by the younger folks and some of the older ones too. Music of different kinds was furnished during the evening and a swell lunch was served by Mrs. Mahoney and her daughters to those present. All departed at a late hour wishing Mr. Mahoney many more such happy birthdays.

No, we did not tell you Jack's age as we couldn't find out how old he was and his wife wouldn't divulge his age, but we all know that he is on the bright side of 45 and we'll let you guess the rest.

Mr. and Mrs. Mahoney are among the old settlers of the mesa, having homesteaded her in 1907 and have practically raised their fine family here and they are among those who have made a success. The fine herd of cattle and the large ranch they now own is ample proof that they have made good. The S. A. extends congratulations to Mr. Mahoney and wishes him many, many more useful years of life on the mesa.

Sheriff Spivey of Mosquero passed through Roy Tuesday enroute home from Las Vegas where he had taken John Linson to the State Hospital.

GENTRY BROTHERS TRAINED ANIMALS SHOW WILL EXHIBIT IN ROY SATURDAY MAY 20

The season of 1922 will be the 32nd annual tour of this popular firm and many improvements have been made in their already excellent show. An entire wild animal arena has been added since its last appearance in this city and a stirring new patriotic spectacle will also be seen here for the first time. The Gentry Brothers program has always given the best of satisfaction in every city shown. In fact, it would be almost impossible to devise a cleaner, more pleasing and interesting exhibition than the one given under the Gentry Trade Mark. The street parade this year is said to surpass all former efforts and to be larger and better than previous years.

Performing wild animals consisting of lions, leopards, pumas and other species of forest bred beasts have been added to Gentry Bros. Famous Shows until the title Wild Animal Arena has been affixed to the trademark of this popular firm. Many new acts and features are in store for the patrons of Gentry Bros. Shows which will exhibit here on Saturday May 20th. The street parade will contain all of the favorite animal performers as well as the new department of performing wild animals. Clowns and other novelties that are new to this show will take part in the procession and all the little folks should be on hand to see the dogs, ponies and elephants in parade dress.

J. B. McNeil, merchant of Kephart, was in the city purchasing supplies Tuesday.

The Kitty will arrive at the Community Hall Tuesday evening May 30th.
