A new assistant arrived at the Roy depot last Friday when a sweet little daughter came to bless the home of Mr. and Mrs. M. R. James. Mr. James with a big smile says she really weighs 10 pounds and is dandy, and Dr. Self says all concerned are doing nicely. If you haven't gotten your cigar yet just call at the depot and ask for it.

### THE WORLD'S FOREMOST ENGINEER

Were it not for the assistance the Department of the Interior has rendered, our wonderful irrigation systems, waterworks and similar projects could never have been developed. Progress such as this is vital to all of us. This phase of our government's endeavors to further prosperity is graphically told in the fifth of the series of articles which we issue each month.

To receive this story and the ones previously published send us your name and address. There's no cost to you—nor are you placing yourself under any obligation.
