The Spring Rains Bring Grippe

This sort of weakness indicates cold and proper. If it is not a common cold people say, "there’s no danger in that!" But many a fatal sickness begins with a cold—wit vital weakness—the system is ready for the harmful germ. Begin early to ward off the attack. Purge the system of the toxins (poison) by taking bitter oil, or a vegetable laxative made of Mayapple, leaves of sisse, and slippery, rolled into sugar-coated pills and to be had at all drug stores as Dr. Pierce’s Pleasant Pills.

If the cold starts with a cough, it seldom then some local treatment for this condition should be taken. A well known alterative extract which has been on the market for a great many years, and which has been highly recommended by thousands of users, is Dr. Pierce’s Golden Medical Discovery. This tonic compound is composed of an extract of roots and herbs without alcohol, and has a soothing effect upon the mucous membrane, allays the irritation and at the same time works in the proper and reasonable way, at the seat of the trouble—the stagnated or poisoned blood.
