UTES PARK EXCURSION

Opening of Summer Resort Is Great Success

Brooks Park, June 14, the new summer resort, called the Raton, which has just opened for its first season, has been hung out for all kinds of entertainment, music, games, etc., as well as for refreshments. The proprietors have made every effort to make the place attractive both to stockholders and to the general public.

A special excursion train was run from Brooks Park, and great by reduced rates were given.

The sports which are included in the special excursion train are horseback riding, fishing, boating, and canoeing.

The weather was perfect, and the excursion train was filled to capacity.

The Raton is a delightful place, and it is expected that the place will be a great success next season.

Brotherhood of Rail-trainmen Visit Summer Resort

The Brotherhood of Railroad Trainmen, of which Mr. J. B. Smith is the president, is visiting the summer resort at Brooks Park, and will be at the place for the next few days.

The trainmen will be entertained by the proprietors of the Raton, and will have an opportunity to see the various sports and games offered at the place.

The trainmen are expected to have a splendid time at the summer resort, and will be in no hurry to return to their work.

The Brotherhood of Railroad Trainmen is one of the largest and most powerful labor organizations in the country, and its visit to the Raton will be a great success.
