A Queer Fish. An Indian brought into Tuscarora, Nevada, recently a specimen of the fish tribe, the classification of which we think would baffle the most profound ichthyologist.

How many girls find a means of gaining a livelihood by selling button hole flowers in the streets of London, may be inferred from the fact that three weeks ago 2,000 flower girls were taken out of town by a special train, that they might enjoy a holiday in the country.

A familiar instance of color-blindness is that of a man taking a brown silk umbrella and leaving a green gingham one in its place.

"The book to read," says Dr. McCosh, "is not the one that thinks for you, but the one that makes you think." A bank book for instance,
