THE NECESSITY
FOR THE SPECIALISTS.
DR. WAGNER & CO.

We offer no apology for devoting so much
time and attention to this much-neglected
class of diseases, believing that no condi-
tion of humanity is too wretched to merit
the sympathy and best services of the pro-
fession to which we belong, and that the
innocent sufferers, and the
physician who devotes himself to relieving
the afflicted and saving them from worse than
death, is no less a philanthropist and a benef-
actor to his race than the surgeon or physi-
cian who by close application excels in any
other branch of his profession. And, for-
tunately for humanity, the day is dawning when
the false philanthropy that condemned the
victim of folly or crime, like the impostor in
the Jewish law, to die uncared for, has
passed away.

YOUNG MEN
Who may be suffering from the effects of
youthful follies or indiscretions will do well
to avail themselves of this, the greatest boon
ever laid at the altar of suffering humanity.
Dr. Wagner will guarantee to perfect cure in
every case of seminal weakness or private
disease of any kind and character which he
undertakes to and fails to cure.

MIDDLE-AGED MEN
There are many at the age of 40 to 50 who
are troubled with too frequent evacuations
of the bladder, often accompanied by a slight
smarting or burning sensation, and a weak-
ening of the system in a manner the patient can-
not account for. On examining the urinary
deposits aropy sediment will often be found
and sometimes small particles of albumen
will appear, or the color will be of a thin,
milky hue, again changing to a dark and
torpid appearance. There are many men who
die of this difficulty, ignorant of the cause,
which is the second stage of seminal weak-
ness. Dr. W. will guarantee to perfect cure in
all cases, and a healthy restoration of the
genito-urinary organs.
Consultation free. Thorough examination
and advice free.
