Railway Changes Its Time Table to Co-Operate With Missouri Pacific on Handling of U. S. Mails.

Kansas City, Mo., April 12.—A bulletin from officials yesterday announced that beginning with train No. 15, leaving Chicago yesterday, that train would run by way of Chicago and the Missouri Pacific to the union depot at Kansas City, arriving here at 1:42 p. m. and leaving at 2 o'clock a. m., thereby conforming to the grand avenue station arrangement.

Union men in the shops who were not included in the clean-up yesterday, say the Santa Fe has detectives employed in an effort to secure a list of the men who belong to the union and to learn their strength.

Mechanics who support the theory that the discharge of the men was because they were union men, argue that it was an ordinary reduction of force, the best men in the shop would not be picked nor those who had been with the company for years.

An officious shopman was showing a lady some parafin. As he picked up a parcel from the counter and opened it he held it up before the customer, and surveying it with admiring glances, said:

THE HUNDRED MILE LIMIT REMOVED ON THE LIMITED

Passengers May Now Ride on Crack Train West of Albuquerque for Shorter Distances Than Heretofore.

The "hundred mile limit," which has been in effect on Santa Fe train No. 3 west of Albuquerque for some time past, has now been removed, and passengers may purchase tickets for long distances. The limit was taken off following the request of a number of travelers residing in Phoenix, Prescott, Williams, Flagstaff, and other towns in Arizona.

Miss Ames Green came down from Santa Fe Sunday to spend a month with her parents, Mr. and Mrs. John Green.

H. R. Peabody was down from Santa Fe over Sunday.

Mrs. W. F. Castle arrived from Ardmore, Okla., Monday evening.

Mrs. Rachel Busiek was another arrival from Oklahoma on the 10th.

The garden was opened in 1890, and is said to have been run at a loss during most of the twenty years of its existence. The new buildings will be from sixteen to twenty stories high. Already reading offers have been made to prospective lessees.
