FROM JUAREZ TRACK TO JUGGADO

Ray Chisman Scooped Out of Hay in Horse Car This Morning; Arraigned in Police Court and Sentenced.

With whirlwind rapidity, Roy Chisman, hobo, was run through the mill of justice this morning and sent up for ten days in the city jail. Chisman is a crisp young tout from the Juarez track. He was taking a free ride in a car of horses when found by Santa Fe officer Sinclair. Plucked from the recesses of much stable junk, he was carried, raglan coat and all, to the police court. He lost no time in pleading "guilty" to the stern charge pronounced against him, and the officers lost no time in ushering him to duration.

VETERAN THANKFUL FOR RESTORATION OF SIGHT

John Snyder Undergoes Operation for Removal of Cataract From Left Eye; Surgical Work Successful.

John Snyder, a Civil war veteran, of 219 West Central avenue, has almost completely recovered from an operation which he was recently obliged to undergo for the removal of a cataract from his left eye. Mr. Snyder, who is a member of the Grand Army of the Republic, having fought through the war with the 93rd Regiment of Ohio Volunteer Infantry, recently returned from the Soldiers' Home in California to make Albuquerque his permanent residence, having already resided here three years. The operation on Mr. Snyder's eye

was performed on April 2 by Dr. W. E. Provine. Because of the fact that Mr. Snyder is not weighed down with a store of this world's goods, Dr. Provine made no charge for the operation, which has proved entirely successful. Mr. Snyder was a caller at the Herald office this morning and requested that the general public be made aware of Dr. Provine's generosity, and of the success of the surgical work. Mr. Snyder was slowly growing blind; had lost the sight of one eye entirely and the other eye had been also becoming almost useless. Now the veteran says he can see almost as well as he did 20 years ago.

No Need to Look Shabby or Be Discontented

Poor clothes cause discontent. Your own experience teaches you that often comparatively expensive clothes look shabby. They have no style, no workmanship.

Stein-Bloch saw this danger, and spent thousands of dollars each season to give their clothes the snappy, clean cut look of style, and the fine finish of good workmanship. Look into this. Try them on.

Diamonds

FOR THE LUCKY BOYS

Don't attempt to give anything other than a DIAMOND to anyone born in the month of April.

You can get a diamond at just the amount you care to pay, and some of the less expensive ones look quite as attractive as the flawless and more costly ones, and the secret of their cost is with you.

We have been selling diamonds to the good people of this city for eight or thirty years and no one has ever yet heard of any person dissatisfied with their purchase.

This fact is a valuable asset not only to Exeter, but to the people of Albuquerque, for with a long and honorable record of this character one can feel absolutely safe in making a purchase.

We buy, by far the finest line of DIAMONDS we have ever carried, and the generous patronage we are receiving is proof that our efforts in this line are appreciated.

We have attractive little solitaire Misses' Diamond Rings as low as \$6.50 and at any price you may want up to \$500. Whether you come from Missouri or not, we shall be pleased to show you.

DR. ROBERTS SPEAKS IN PLEASING STYLE

Large Crowd Hears President of Las Vegas Normal in Interesting Story of Travel in Europe.

"Humor and Pathos of Travel." This title proved the keynote of one of the most interesting and entertaining lectures ever heard in this city, when Prof. Frank H. H. Roberts addressed a large assemblage in the Presbyterian church last night. The speaker varied his hearers through the remotest hamlets and the busiest ports in Scotland and England, with a few hurried stops in continental cities. The excellent slides which illuminated his subject were scarcely necessary for carrying information about the places, so vivid and comprehensive were the word pictures that he drew.

A rare appreciation of the funny things of travel, together with eloquent diction and a mastery of international subjects were qualities which carried his words direct to the hearts of his hearers. The Christian Endeavor society of the church is to be congratulated on the entertainment which their efforts provided, and which was at once a pleasure and a profit to the congregation.
