(With apologies to the ladies.) It has taken time to establish our little label-in-the-coat as the standard of style and value.

The policy of "nothing-but-the-truth" about the clothes we sell--the plain statement of facts in the ads we write--in fact the policy we outlined when we first began business did not "bear fruit" in a day.

It has taken time and experience to work out the end successfully.

ELKS WIN BY ONE SCORE FROM KNIGHTS OF COLUMBUS

Fraternal Organizations Battle on the Baseball Diamond Yesterday, Resulting in Victory for Antlered Ones.

PRINCETON AND CORNELL FURNISH THE PITCHERS

One of the Largest Crowds of the Season Attends the "Society" Game, and is Well Satisfied With Performance.

The uncertainty of baseball--that factor which makes the national game the most popular sport in America--entered very largely into the annual game between the Knights of Columbus and the Elks yesterday afternoon.

Tony Ortiz up in the ninth with a chance to win for the Knights. He failed.

of those made the most sensational catch of his career, a catch which will excite an eagerness in the heart and memory of every Elk as the most magnificent feat ever successfully attempted outside of the big leagues.

The Knights of Columbus lost to the Elks, five to four. The Knights were good and game losers, and were the first to congratulate the Elks on their victory.

Ward Anderson for the Elks, carried fame and fortune grabbing McCarthy's fly in the ninth.

for the rest of the season. He was out two innings. The Elks kindly permitting the K. C. bunch to select late Governor Govey was overly anxious and failed to deliver when most needed.

The Elks that got to first on Mike Stanton were a minus quantity.

By winning the contest yesterday the Elks have won two out of three annual games. It is likely that the game between the two popular organizations next year will be an exciting as yesterday's, because the Columbus University of New Mexico made his debut as a baseball pitcher yesterday.

Things jogged along until the sixth inning before the Knights could do anything in the scoring line. In nearly every inning up to the sixth they had men on bases, but were un-

from right held him there. Tony Ortiz, one of the most dangerous hitters on the club was at home plate with one and one. He fanned the second strike. Hutchinson took the chance of a life time on a wide out curve. Ortiz swiped at it, missed it, and the game was over with Murphy on third ready to race home and tie the score.

Pandemonium broke loose among the Elk rosters when there was a clin-

Victory for them. The game had such a whirlwind finish that it was a wonder some person watching the wind up, possessed of a not overly strong heart, did not die of the excitement.

Old "Hutch" used plenty of slippery elm for his splitters and was always on the job.

LAS VEGAS WINS ALL THREE GAMES

Grays Back Home After Astronaut Trip Into Enemy's Territory. Played Good Ball But Lost.

Strongly suggestive of the return of Mabuque N. Bonaparte from the historic Moscow road trip was that of Manager D. Padilla, who this morning limped in from Las Vegas with his battered cohorts struggling behind him.

The trip was a disastrous one for the Grays, three straight being the count against them, the first one going to Vegas by an 8-4 score, the second the same way by a majority of 19 to 5, and the Sunday performance resulting in a runaway for the enemy by the lopsided score of 8 to 1. At that the Grays played good ball and were in the game every minute of the time, but the melancholy fact remains that the lads from the Meadow City were too stout for them and pulled down the prize.
