ANNIVERSARIES.

- January 22d. Francis Bacon, 1561. Lord Byron, 1788. Henry VII, 1547. Lessing, 1729. George Stevens, 1800. Richard Westall (painter), 1850. Parepa Ross, 1874. Adam Forstnagel, 1890.

Push along with your school bill, gentlemen of the assembly...

Fail not to pass, introduce, discuss and pass a bill regulating the outrageous expense charges in New Mexico...

The Democratic bosses assert that no appropriations shall go through, no matter how important, unless their commands and desires are carried out...

There is this much difference between the Republicans of New Mexico and the Democratic party bosses...

Colorado is in a very bad way as regards the raising of funds for making an exhibit at the World's Fair.

The lower house of Congress will this week probably get action on the bill to reclassify and fix the salary of the railway mail service.

The Democratic blackmailing sheet in Albuquerque that is being edited by the Democratic executive committee is now slandering Judge Seeds...

Report your school bill, gentlemen, and discuss it, and let us know what you are going to do in that line.

Will anything be done in the matter of suppressing gambling or will nothing be done? Is the lobby too strong?

All appropriations should be made in the general appropriation bill; that is just and proper and in accordance with the system adopted by the federal government.

Every county official should have a fixed and stated salary and the fee system should be abolished...

The modest sum of \$50,000 is wanted for the purpose of placing an exhibit from New Mexico at the World's Fair at Chicago...

Twenty-five days of the session have come and gone and only thirty-five days remain; set to work and legislate...

A revision and compilation of the laws of New Mexico is hard and important work; such a revision and compilation can not be finished in a day or in forty days...

The historic southwest, full of folk-lore, romance without limit, rugged scenic beauty and archaeological interest...

The circulation of the New Mexican, the daily, the weekly and the Spanish edition, is growing; this journal reaches more readers in the territory than any other paper...
